### NOTE:

Dates marked with a star (\*) indicate year in which the Trustees term of office will end, not the year of election. To implement a rotation system for this Board which was created in 1983, the Nominating Committee has initially assigned terms of office. Dates which are not marked with a star indicate the year of election; it is anticipated that these Trustees will serve an eight (8) year term of office as now permitted by the Standing Rules of the South Carolina Annual Conference.

We further recommend that the Study Commission be comprised of three from the Board of Evangelism, three from the Board of Missions and three at-large members, and that the Annual Conference fund the Commission in the amount of \$2,000. The amendment was passed and the report was adopted as a whole.

**M-2 REVIEW COMMITTEE** - Reports were given by Mr. B.J. Pasley. The Review Committee recommended concurrence of Reports 5 and 6 found on pages M-10, 11. Mr. Pasley also had a recommendation regarding funding of the Camps and Retreat Centers. This was deferred until the time of the CF&A Reports.

**REVIEW COMMITTEE G** - The Reverend Ed McDowell reported that the Review Committee recommended to CF&A that priority be given to the Pee Dee Methodist Campaign for \$4,500,000 following the completion of the Pension Fund Campaign.

The Reverend Charles Graves asked if it is the intention of the motion to begin a Capital Funds campaign for Pee Dee Methodist Manor on January 1, 1987. The reply of the Review Committee was yes.

There was a motion from the Reverend Sam Johnson to table recommendation especially in light of Report #5 of the Council on Finance and Administration. The matter of the amendment was tabled. The report of Review Committee G was received.

Dr. Robert McKeown reported for REVIEW COMMITTEE A-4 and proposed a substitute for the recommendation of Review Committee M-2. He made the motion that the Camp and Retreat Centers figure be increased to \$360,000. After further discussion, the Reverend Taylor Campbell moved the previous question on all before the body. The substitute amendment by Review Committee A-4, that Camp and Retreat Centers be budgeted for the amount of \$360,000 was defeated. The motion by Review Committee M-2, that Camp and Retreat Centers be budgeted in the amount of \$350,000 was also defeated.

**REVIEW COMMITTEE B-3** - The Reverend Taylor Campbell reported. In regard to Report No. 1, of the Commission on Equitable Salaries, the Review Committee recommended the addition of a letter 5-C to "Who are not eligible for equitable salary support?" which would read: "5.c. **REPORT NO. 2** - Review Committee recommended concurrence with the following amendment that the figure 71% be changed to 75% and the figures be changed as follows: 1. \$19,100; 2. \$17,200; 3. \$14,350; 4. \$17,200; 5. \$15,300; 6. \$13,350. Inasmuch as recess time was approaching, Bishop Clark advised that we would hold this action until the next business session.

**COURTESY** - Bishop Clark then recognized Dr. Caroline Newsome from Emory University, Candler School of Theology, who brought greetings from Emory. Secretary Delos Corderman made several announcements.

#### FOURTH DAY — WEDNESDAY MORNING June 5, 1985

At 8:30 AM our Bible Study was led by Dr. Watson.

At 9:45 AM, Bishop Clark called the Conference Session to order. Mr. Harry Kent made a motion that any section of the Review Committee Report with a proposal to change a financial entry in the proposed CF&A budget appearing on pages A-14 through A-19 be brought before the Conference as information, without debate, before the morning recess. An authorized representative of the Review Committee would notify the Secretary in order to be recognized for this purpose only. Debate will take place when the CF&A report is presented. This motion was approved.

**SUSPENSION OF STANDING RULES** Dr. Carolyn Briscoe made a motion that the portion of Standing Rule 98, limiting time of debate on any issue, be suspended and that during the remainder of the session debate be limited to three minutes per person, and that the number of persons speaking on any issue be limited to three for and three against. This motion was seconded and approved and Standing Rule 98 was suspended.

The Reverend Charles Graves made the motion that the CF&A Report be the order of the day for 3:00 PM, today, Wednesday, and that the Standing Rule 103 be suspended so that the twelve hour rule can be waived. This motion was seconded and was approved and Standing Rule 103 was suspended.

**REVIEW COMMITTEE REPORTS** The Reverend Taylor Campbell resumed consideration of Review Committee B.3 reports, The Commission on Equitable Salaries. On page B-9, Report No. 1 was amended by addition of Item No. 5(c), last paragraph of the Report to read: A member of a clergy couple living with his or her spouse in one of the parsonages provided... This was adopted.

Page B-9, Report No. 2, last paragraph, change 71% to 75%. This would change the figures in Item A as follows: From \$18,000 to \$19,100; from \$16,300 to \$17,200; from \$13,600 to \$14,350; from \$14,500 to \$15,300; from \$12,650 to \$13,350. This Report No. 2 was delayed to come after the CF&A Report.

Reverend Campbell presented Commission on Equitable Salary Report No. 2. In order to cover the cost of the increased Equitable Salary scale, CF&A is requested to increase the Equitable Salary line item amount to \$275,000. This request was delayed to be reconsidered after the CF&A report.

The Review Committee also requests the Conference to direct the Equitable Salary Commission to request a meeting with the Bishop and Cabinet to determine why clergy persons with fifteen service years are still serving minimum salary situations. This was adopted.

The Reverend Dr. Marshall Meadors made the motion that Equitable Salary pay moving expenses for pastors assigned to newly set up congregations. This is to be effective immediately. This was approved.

The Reverend Taylor Campbell moved for adoption of the Report as a whole, except for the financial matters. It was approved with that provision.

**COMMITTEE ON RESOLUTIONS AND APPEALS** The Reverend W.W. McNeill reported on the Resolution pertaining to the hazardous waste disposal. This Committee voted concurrence. It was approved by the Conference. The adopted Resolution follows:

#### RESOLUTION HAZARDOUS WASTE DISPOSAL

The Reverend W.W. McNeill reported on recommendation of Norman Brown Resolution through Religion and Race concerning Black history being taught in public schools. The Committee voted concurrence with it being amended. Mr. Bennett Garner moved that the word "requirement" be removed and "elective" be substituted in the Resolution. It was seconded. Dr. Spencer Rice made the substituted motion to change the word "course" to "adequate unit of education required" in the Resolution. It was seconded. It was adopted. Dr. Carolyn Briscoe amended the Motion to add the word "elementary" to Motion. It was approved. The Resolution as subsequently amended is as follows:

#### RESOLUTION

Recognizing the fact that "Black History" is a valuable element in the shaping of our United Methodist Churches and the American Culture, the lack of a balanced interracial education will be a great loss if our children are kept intellectually from the total contribution that was achieved. As a church with spiritual eyes, let us be governed by the same spiritual vision and let it be known that the South Carolina United Methodist Conference takes the first step in promoting the teaching of an elective adequate unit of "Black History" in the South Carolina public school system as a requirement for Elementary, Junior High, Middle School or High School graduation. This knowledge will bring a balance in understanding the past of one people and the synthesis of two.

Respectfully submitted,  
Norman A. Brown

**REVIEW COMMITTEE REPORTS** Dr. Spencer Rice reported an amendment to the E-1 Review Committee Report of the Board of Education as follows: In response to Bishop Clark's call for a conference-wide convocation on church growth, this committee recommends that a conference-wide convocation on church growth be held in 1986, to be planned by the conference Board of Evangelism in consultation with the Council on Ministries staff, Bishop Clark and the Cabinet, with an estimated cost of \$3,000.00.

The Conference recessed at 10:35 AM.

**ORDER OF THE DAY, RECOGNITION OF RETIRED MINISTERS** At 10:55 AM Ministers retiring this Conference year and their spouses were recognized. John M. There was a vacation policy amendment by the Review Committee to read: "a minimum of" before each of the numbers of weeks. This was adopted.

A motion was made by the Reverend Terry Martin that active military service years be considered along with ministerial service years as basis of vacation time. This was voted down.

Report No. 4 of The Salary Study Committee was approved with two amendments from the Review Committee. The first amendment was Seciton 1-L to omit the words, "humidity control" and "if possible". The second amendment was the addition in II-B to add the words "previously owned furniture is not to be used in the parsonage". The Reverend Reggie Rowell asked the question, "If we adopt the Review Committee Report, are these put into effect by the Conference?" The answer: when the report is approved as a whole, it is complete and is in effect. Reverend Rowell then made a motion that all United Methodist Ministers receive four weeks vacation. This was to be a substitute motion for action already taken. There was a second, but this was defeated.

The Reverend Robert Howell, Jr. made a motion to add to Section 6 of Report 4: that the District Superintendents in each District appoint a parsonage rating committee. It was defeated.

The Reverend Alan Kubach moved that Report No. 4, II-A1(j) be added that a parsonage should have a dishwasher. This was defeated.

The Reverend Jo Ann Howard moved to amend Report No. 4, III-L, by deleting it. This was defeated.

The Salary Study Committee Report as a whole, without the financial considerations, was then adopted.

**THE REPORT OF REVIEW COMMITTEE C** was presented by the Reverend Austin Watson. First was the United Methodist Women's Report. Concurrence was recommended with one change in the next to the last paragraph. The change was to read: "Our twelve districts will be invited to attend one of the ten training sessions in our jurisdiction." This was adopted.

Secondly, the Committee concurred with the Report of the United Methodist Men. It was approved as submitted.

The Conference Council on Youth Ministry Report was given concurrence and approved as submitted.

\*\*\*The Resolution by the South Carolina Commission on Religion and Race was amended as follows: The second paragraph reads: "Therefore, be it resolved that the South Carolina Conference recommends that churches in the Annual Conference honor Dr. Martin Luther King, Jr. on a Martin Luther King, Jr. Day each January." This was approved.

There was a recommendation from the Review Committee that we, as an Annual Conference, express to the Reverend I. DeQuincey Newman our deep appreciation for all his efforts in the area of race relations and that we communicate this to him through the Conference Secretary. This was approved.

The report of Commission on Religion and Race was approved as a whole.

The Report of the Status and Role of Women was recommended for concurrence and approved.

The Christian Unity and Interreligious Concerns Report was given concurrence and approved by the session.

The Missional Priority Coordinating Committee Report was approved by the session.

**ORDER OF THE DAY** The Council on Finance and Administration Reports by the convenor, Dr. Robert McKeown. First, Mrs. Becky Buie was commended for her work since assuming the post of Conference Treasurer. (applause).

The Review Committee asked that the Equitable Salary Commission justify its reserve fund in light of its request for \$220,000 for the year 1986. Mr. Harry Kent answered: "The combined 55 and 66 Conference reserves were pooled at the merger of the two Conferences into one. The reserve was designed to have one year's cost in reserve because of the unknown facts in terms of how many people would be receiving support and at what rate, and so forth. A reserve is desirable in making this budget and, in fact, earns money."

The Reverend Taylor Campbell had Review Committee B-3's recommendation to increase the 71 on the Equitable Salary Report No. 2 to 75%. This would increase the amounts found on page B-9 in the Pre-Conference Reports as follows: No. 1 would be changed to \$19,100; No. 2 to \$17,200; No. 3 to \$14,350; No. 4 to \$17,200; No. 5 to \$15,300; No. 6 to \$13,350. This would produce an 11.7% increase in the Equitable Salary scale for 1986. The recommendation is 5.9% by the Equitable Salary Commission.

There was a substitute motion by the Reverend John Curry, Jr. that this percentage be changed to 72%, which is an 8.8% increase for the equitable salary scale, making the numbers on page B-9 to read: No. 1 - \$18,600; No. 2 - \$16,750; No. 3 - \$13,950; No. 4 - \$16,750; No. 5 - \$14,900; No. 6 - \$13,000. Dr. George Whitaker, Mrs. Joyce Shulmans and the Reverend Joe Sowell spoke against the amendments offered by Mr. Curry. Mr. Thomas Holliday asked the question, "Can the increased money come from the reserve fund?" Bishop Clark ruled that we would determine the source after we determined the amount to be needed. The Curry Amendment was defeated.

Dr. Robert McKeown noted that the Equitable Salary Commission provides a travel allowance for those ministers receiving Equitable Salary support and who have large travel expenses. Mr. Harry Kent spoke before the final vote and asked consideration of the total impact of the recommended increases. In answer to a question regarding the impact of changes in line items, from Dr. McKeown, the Reverend Delos Corderman reported the average increase in the South Carolina Annual Conference Average Salary (120% of the average summed cash salary, Social Security contributions and tax deferred contributions) during the period 1974 - 1985 has been 7.22%. He also stated that all other things being equal, a dramatic increase in Annual Conference Average salaries would be reflected by a dramatic increase in pensions costs - after a twelve month delay for the lag time in computation. The Review Committee recommendations were lost. The Equitable Salary schedule for 1986 as proposed was adopted.

The Reverend James Hyatt brought back the Resolution for the Sustentation Fund. This would add \$10,000 to Equitable Salary request. This was the final approval and was adopted by vote of the Conference. The Equitable Salary Commission accepted this and said that the cost could be absorbed by the reserves to leave the line item as it is recommended with no additional increase. The amended, edited text of the Resolution is as follows:

#### RESOLUTION

WHEREAS a United Methodist minister is a member of the Annual Conference and not a local church; and  
WHEREAS ordination and membership in an Annual Conference in the United Methodist Church is a sacred trust; and  
WHEREAS members in full connection are bound in special covenant with all the ordained ministers of the Annual Conference, and  
WHEREAS ministers live with their fellow ordained ministers in mutual trust and concern and seek with them the sanctification of the fellowship; and  
WHEREAS every effective member of the Annual Conference who is in good standing shall receive an annual appointment by the Bishop; and  
WHEREAS all ministers are subject to all the frailties of the human condition and pressures of society; and  
WHEREAS from time to time it becomes necessary because of impaired health, emo-

tional condition and or physical exhaustion or other equally sufficient reasons that a minister may become temporarily unable to perform the duties of full-time itinerant ministry; and

WHEREAS when such necessities become evident to the Bishop and the Cabinet and a leave of absence is initiated; and

WHEREAS such occasions provided an appropriate opportunity for a concrete expression of the "connection"; and

WHEREAS reconciliation and restoration of the minister and the strengthening of the Church are the primary concerns; and

WHEREAS *The Book of Discipline of The United Methodist Church*, Par. 723, provides for the establishment of a Sustentation Fund designed for the purpose of providing emergency aid to the ministers of the Conference who may be in special need, therefore,

#### BE IT RESOLVED

By the South Carolina Conference, meeting in Annual Session at Wolford College, Spartanburg, South Carolina, June 2 through 6, 1985, that when such a leave of absence is granted and upon the recommendation of the Bishop and the Cabinet, the Council on Finance and Administration shall make a sustentation grant from Conference contingency funds not to exceed forty percent of the denominational average compensation paid on a monthly basis. All interim sustentation grants shall be approved by the Annual Conference at its next session. Upon the recommendation of the Bishop and Cabinet and the approval of the Annual Conference, the Commission on Equitable Salaries shall continue to fund the sustentation grants in the same monthly percentage for a period not to exceed one additional conference year. No claim may be made on the sustentation fund when disability benefits are granted from the Board of Pensions. This resolution is referred by the Ministerial Session for adoption by the entire Annual Conference and the amendment of the CF&A report to include the sustentation fund provided therein in the amount of \$10,000 for the 1986 budget.

Review Committee A. had a substitute for paragraph A, Report No. 3-A on page 17. The recommendation was that the proposed formula be discarded and a 5.9% increase be substituted. That the salary for the District Superintendents be set at \$34,010 for the ensuing year. Social Security contributions would remain the same; the in-district travel would remain the same; the group insurance contribution would remain the same. The total proposed would be \$39,675. The Reverend Washington C. Kearns asked why the decrease is recommended. Dr. Graves reported that the 5.9% increase matches the increase in Equitable Salary support. The Reverend John Curry asked the question: "Why the deletion of the formula?" Dr. Graves answered that the Review Committee had reduced the proposed increase and in order to do that they had to abandon the formula. Reverend Curry asked further: "Why is there a formula?" Dr. Charles Graves answered: "For several years there has been no systematic way to determine District Superintendent's salaries. The formula was devised to provide increases in a systematic way; to tie the District Superintendents to both large church salaries and the Annual Conference Average Salary." The Reverend John Curry spoke against the amendment and in favor of the formula. Ms. Martha Thompsen (Union Church, Irmo) noted that the Equitable Salary scale in South Carolina in South Carolina is higher than the Jurisdictional average salary. The Reverend John Curry spoke against the amendment and in favor of the formula. Ms. Martha Thompson (Union Church, Irmo) noted that the Equitable Salary scale in South Carolina is higher than the Jurisdictional average while the compensation for District Superintendents is lower than the Southeastern average. Mr. Sanders Gray spoke against the amendment and asked for compensation commensurate with leadership ability and level of achievement, especially in light of additional responsi-

bility for District Superintendents. The Reverend J. Scott Cloninger spoke for the 5.9 amendment. Mr. James Dorrier (Winnsboro) spoke in favor of the amendment because the formula produces an increase in excess of the rate of inflation. The Reverend Chick Gary spoke for the Amendment inasmuch as the proposed compensation for District Superintendents is greater than the average for the top 24 churches in the Conference. Question by the Reverend John Zoller: "After the first year will this formula not level out and duplicate the salary patterns across the Conference?" The answer was that it was uncertain, although the action of the Annual Conference in increasing Equitable Salaries last year had an impact. Dr. Charles Graves, as Chairman of CF&A, had a final statement. He stated that compensation for District Superintendents in South Carolina was at the low end of the scale. We are now in the middle. To abandon the formula now will drop South Carolina again to the low end of the scale. He asked that the formula be given one more year. There was a vote by hands which could not be determined. There was a standing vote which could not be determined. There was a counted standing vote. The number for the amendment was 497, the number against the amendment was 525. Inasmuch as there was a question on the accuracy of the reports of the tellers, the Reverend Max Christopher moved that a secret ballot be called for. Bishop Clark, for the health of the body, appealed to the house and received an affirmative vote for a secret ballot. On a question of order raised regarding a secret ballot, Bishop Clark asked to be and was sustained by the house. The ballots were distributed and collected. A fifteen minute recess was called.

At 4:30 PM the session was called back to order. Report No. 2 of CF&A was considered and approved with the corrections made from material included in the Registration Packet.

CF&A Report No. 3, Sections B, C, D and E were recommended for concurrence and approved.

CF&A Report No. 4 received concurrence from the Review Committee and was approved by the session.

The Reverend E.H. McDowell, Jr. reported that Review Committee G. recommended an amendment to Report No. 5-B directing CF&A to give Pee Dee Methodist Manor priority on a capital funds drive for 4.5 million dollars at the close of the Pension Fund Crusade. The Reverend Robert Faulkner spoke on behalf of Pee Dee Methodist Manor. A market survey indicated 110 component units and 40 detached units immediately. On the basis of the market survey, an architectural firm was engaged and a model completed. Ten and one half million dollars will be required for construction of the proposed model. The immediate need is for 4.5 million dollars for the core unit of Pee Dee Methodist Manor.

Dr. Carolyn Briscoe stated that while Columbia College had no immediate plans for calling upon the use of a capital funds campaign, there was a task force that had been designated to report to the Conference Council on Ministries in December of 1985. She asked that action be postponed giving Pee Dee Manor permission for a capital funds campaign until after the report of the task force on health care needs is received by the Annual Conference. After further discussion, there was a vote. The Review Committee recommendation was lost. The CF&A Report No. 5 was then approved as originally submitted.

CF&A Report No. 6 — Federal Income Tax and Charitable Deductions. Mr. Tom Triplett (Bethel Church, Chester) had a substitute motion. It was presented as printed and distributed. After discussion, the substitute was defeated. The Report No. 6 as it had been distributed was approved.

**COUNCIL ON FINANCE AND ADMINISTRATION RESOLUTION  
to The South Carolina Annual Conference,  
The United Methodist Church**

**Concerning Charitable Deductions for Federal Income Tax**

WHEREAS, recent tax proposals within the Treasury Department may seek to severely limit or abolish the charitable deduction for federal income tax purposes; and  
WHEREAS, it has been public policy for the government to encourage philanthropic giving and charitable work through the maintenance of a charitable deduction from federal income tax since the inception of the federal income tax law; and

WHEREAS, it is reported that among proposals under consideration are the elimination of the charitable deduction for non-itemizing taxpayers originally enacted in 1981, the elimination of deductions for charitable gifts for gifts under 2% of the taxpayers adjusted gross income, and the limitation of charitable deductions for gifts of appreciated property to actual costs plus an inflation factor, or actual market value, whichever is less; and

WHEREAS, studies indicate that the impact of such proposals would be to decrease the total of charitable gifts, as well as to significantly reduce the leadership gifts to charitable causes, on the order of an \$800 million (27%) decrease in giving to institutions of higher education, and an eight billion dollar (18%) decrease in giving for religious purposes, and an overall decrease in charitable giving of 17-20%, or \$10-\$12 billion; and

WHEREAS, in light of proposals to curtail or cut back government programs in support of education and for the provision of social services, it is expected that churches and other non-profit organizations will move to take a greater role in these areas; and

WHEREAS, in order to assume such a role, such organizations will need to make greater demands upon their constituencies for financial support; and

WHEREAS, the tax proposals as reported would instead negatively impact upon the levels of such support, therefore

BE IT RESOLVED, that the South Carolina Annual Conference of The United Methodist Church, meeting in Spartanburg, SC, June 2-6, 1985, hereby records its strong support for maintenance of the existing rules regarding income tax deductibility for all charitable contributions, continuation of the charitable deduction for non-itemizing taxpayers, and continuation of the current rules concerning gifts for appreciated property at market value.

BE IT FURTHER RESOLVED, that the Annual Conference instruct its Secretary to send a copy of this resolution to President Reagan, Secretary of the Treasury Baker and congressional leaders.

Respectively submitted,

Charles A. Graves, President  
Council on Finance and Administration

Roy C. Clark,  
Presiding Bishop

Delos Corderman,  
Conference Secretary

Bishop Clark reported on the vote on Item A., CF&A Report No. 3 concerning the District Superintendent's salaries. For the Amendment - 676; Against - 335; Abstaining - 3. This changed the recommendation for the District Superintendent's salaries to read: \$34,010 and the totals in Report No. 3 to read \$39,675.

The session was directed to Report No. 1 of CF&A on page A-14. The District Superintendent's salary fund item was changed to read, \$452,000 instead of the \$470,000 that had been recommended. The action changed the total for Report No. to \$11,906,677 or 6.1%. Section No. 3 was then adopted. The CF&A Report as a whole was adopted.

**SPECIAL REQUEST FOR THE BOB SMITH FAMILY** — There was a request for a moment of silence for the family of a Lexington youth, Shari Smith, who had been missing and has been found dead. Bishop Clark led in prayer for the Smith family. The Reverend Enoch Finklea asked for the personal privilege that the Conference send a note of sympathy to the Smith family. This was approved.

**REVIEW COMMITTEE REPORTS — REVIEW COMMITTEE D-1** was called.

BE IT FURTHER RESOLVED that the South Carolina Conference direct the Board of Trustees of the Conference to place the property under the direction of the Mt. Zion United Methodist Church's Charge Conference.

**CHANGE IN CHARGE LINES** -- The Reverend Marshall L. Meadors, Cabinet Secretary, submitted the various changes in charge lines. (See the Business Questions.) This was approved.

**CHANGE IN CHARGE NAME** -- Dr. Meadors also asked for approval for changing the name of a charge. The Twitty-Hebron Charge in the Hartsville District shall be named the Asbury Charge. This was also approved. (See the Business Questions.)

**BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE** -- John Pearson made the report which was found on page A-13 and submitted the following recommendations.

#### RECOMMENDATION TO THE SOUTH CAROLINA ANNUAL CONFERENCE FROM THE CONFERENCE BOARD OF TRUSTEES

All items listed, except for the former Crossroads Church property containing six-tenth acre sold in 1984, were finalized only at the Monday, June 3, 1985 meeting of the Trustees.

**CROSSROADS CHURCH - PICKENS COUNTY** -- In early 1979, the Annual Conference authorized the sale of this property. Following advertising and independent estimates, the property was sold in 1984 for \$2,000.00. Deducting \$100.00 for Board expenses, the remainder of the \$2,000.00 was advanced to the Anderson District for the Pickens Parish parsonage repairs. We ask the Conference to approve this transfer of funds. This was done.

**BEULAH CHURCH - ABBEVILLE AND ANDERSON COUNTIES** -- This property shows no sign of once having a church building. There is no cemetery. It contains two and one-half acres in a remote area of the counties named. Only about one and one-half acres are usable owing to a public road built through it leaving a narrow slice of land between the road and former railroad. The sale price offer is \$2,500.00 and the buyer agrees to have the land surveyed and to pay legal costs. This was approved.

**RUFF'S CHAPEL - RIDGEWAY** -- In 1976, this church was leased to the town of Ridgeway for community purposes. Terms of the lease was \$1.00 per year; the town and community were pledged to bring the building to good repair. Seven years later, the town has failed by about 98% to make repairs. Owing to great danger of someone being injured or killed around said building, your Board deemed it necessary to cancel the lease. The Ridgeway people again pressed for possession of the property. The Board now asks for approval to convey, by deed, Ruff's Chapel to a non-profit Ridgeway Cemetery Association for the sum of \$1.00 plus repayment of \$600.00 spent by the Board on said property in recent months. The deed will contain a reversion clause if the community fails to use the property as stated in the agreement.

In answer to questions by the Reverend Phil Thrailkill and Mrs. Gwen Gosnell, the trustees said that liability for the property would not rest with the Annual Conference.

In answer to the question from the Reverend Wayne Ballentine, the Trustees replied that the property could not be reclaimed and, furthermore, the property would not be desirable as a new church site.

Mr. Otho Poole (Suber-Marshall) and Mrs. Mildred Kelly (Kershaw Charge) spoke on behalf of the recommendation by the Annual Conference Trustees. This was approved.

**ST. PHILLIPS CHURCH - SUMTER COUNTY** -- This church property is surrounded on three sides by the Reverend George Williams, Sr.'s estate and on the other side by a county drainage ditch. There is a rather long story leading up to the present act.

After proper appraisals, the Board would like to sell the one-half acre tract to Reverend Williams' heirs for the sum of \$1,000.00. There is only the ruins of the church, no timber or cemetery. As per a recent action taken by the Conference about two years ago, the money remaining after Board expenses will go to the Orangeburg Wesley Foundation.

The Reverend Washington Kearns objected to the sale of this site. The Reverend James Team Richardson made the following substitute motion: That we sell the St. Phillips Church property for \$1.00 instead of \$1,000.00. The Reverend Max Christopher reported that after St. Phillips Church was discontinued by the former 1866 Conference, several large trees were cut and sold. The sale price reflects some of the value of the timber. The amount recommended as the sale price has been negotiated with the buyers. The substitute was defeated. The recommendation of the Trustees was approved. This ended the Report of the Board of Trustees of the Annual Conference.

**REVIEW COMMITTEE REPORTS** -- Frank Griffith, Jr. reported for the E-2 Review Committee. The Committee recommends concurrence with the Report of the Board of the Laity. This was approved. The Review Committee also offered recognition of lay leadership of the Board and laity.

Resolution R-10 that deals with the Conference-wide Day of Prayer and Fasting was recommended for referral to the Conference Commission on Worship for study; to report recommendations on this resolution to Annual Conference in 1986. This was approved.

#### RESOLUTION ON CONFERENCE-WIDE DAY OF PRAYER AND FASTING

The "General Rules of the Methodist Church" (Paragraph 68, 1984 *Discipline*) list fasting as one of the ordinances of God to which the people called Methodists are to give special attention. Furthermore, in the examination of those admitted into Full Connection, the following question (#16) is found:

"Will you recommend fasting and abstinence, both by precept and example?"

BE IT RESOLVED, THEREFORE, that the Saturday before Annual Conference be declared "A Day of Fasting and Prayer for Repentance, World Hunger, and Spiritual Renewal." Furthermore, that the following steps be taken to educate and encourage United Methodists across the state to set aside this day for prayer and self denial:

- 1) That the bishop, cabinet, and clergy set the example by prayer and fasting.
- 2) That the Conference Council on Ministries develop a brief statement on the biblical, theological, and practical aspects of fasting.
- 3) That the Worship sub-section of the Conference Council on Ministries develop worship resources: lists of appropriate biblical texts for preaching, litanies, confessions, etc. for use by local churches on the Sunday following the fast day and that churches be encouraged to break the fast with Holy Communion.
- 4) That those who fast take the cost of the meal for meals missed and contribute it to a special offering for U.M.C.O.R. This offering should be brought to the Annual Conference and presented in the opening worship service.
- 5) That this day of fasting and prayer become a fixed annual part of the Conference Calendar.

Respectfully submitted,

Phillip C. Thrailkill

The Review Committee recommends concurrence with the stewardship report of Asbury Camp as printed in the Pre-Conference Journal. Review Committee recommends concurrence with the Sewee Retreat Center report, Report No. 5-e in the Pre-Conference Journal. Report No. 5-E was approved.

**REVIEW COMMITTEE F.** Report No. F-1 Review Committee was reported by Angelin Simmons. The Review Committee recommends concurrence with the RESOLUTION BY BOARD OF CHURCH AND SOCIETY TO COMMEND THE GENERAL ASSEMBLY FOR PASSAGE OF STRICTER DUI LAWS as printed on F-1 of the Pre-Conference materials; and recommends concurrence on the RELIGIOUS STATEMENTS ON CENTRAL AMERICA as printed on pages F-1, F-2; and recommends concurrence with the resolution: HUMAN RIGHTS IN CENTRAL AMERICA as found on pages F-2, F-3 of the Pre-Conference materials. The resolutions were approved as submitted.

The Review Committee recommended concurrence on resolutions one and two in the statement on CENTRAL AMERICA found on page F-3 of the Pre-Conference reports.

**JENKINS AMENDMENT** The Reverend Clark Jenkins proposed that the third resolution read as follows: "Request that Congress make any future economic aid to any country in the area contingent on improvement in human rights as documented by reliable and responsible sources." In response to the question of the Reverend Howard Perry, Clark Jenkins said he did not mean to imply that the named groups in the amendment were not responsible or reliable. Howard Perry spoke for the original. The Jenkins substitute was defeated and the resolution approved as printed.

The Review Committee amended the fourth resolution to read: That the Board of Church and Society identify a person or persons to be sent by voluntary contributions to learn about the role of the Church in Central America by contacting Christian organizations and established missionaries in these countries to witness our desire for peace and justice and to report their findings to the next Annual Conference. This was approved.

The Resolution on Central America was approved by the Conference as amended. It was approved.

**CURTIS AMENDMENT** Ms. Susan Curtis (Grace, Union) offered an amendment by addition to the Resolution on Central America: "That the South Carolina Conference support in principle any congregation of the Conference which votes to become a sanctuary church to aid Central America being persecuted." An unidentified lay member spoke against this amendment by addition. The Reverend Gary Phillips spoke favor of the addition. Bishop Clark ruled that Dr. McKay Brabham's question on the legal status of persons seeking sanctuary must be directed to the Chair and not to a particular member. The Curtis Amendment was defeated.

Mr. Winston Smith (Lancaster) amended the Central American resolution as follows: "That the only path to peace in this world is through Jesus Christ." It was approved and added to the Resolution on Central America. The Central American Report was approved as a whole, as amended.

In response to the question of the Reverend Washington Charlie Kearns, the Reverend Clark Jenkins defined the "dialogue" workshops or seminars regarding cross racial appointments.

Bishop Clark's definition for Reverend Kearns: "Dialogue is when you talk to each other. Appointment is when the bishop talks to you."

**THE RESOLUTION ON SOUTH AFRICA, page F-3** The Review Committee recommended concurrence.

**THE REVEREND WILLIAM DAVIS' AMENDMENT** was offered as an addition to the South African Resolution: "That we pray for and try to understand the sixteen percent minority who see themselves in a struggle for survival."

**CURRY SUBSTITUTE** The Reverend John W. Curry, Jr. offered a substitution for the amendment: "That we resolve to pray for and understand all of the people of South Africa." The substitute was approved.

Mr. Cecil Helena (Grace, Charleston) offered an amendment that we delete line 5 in resolutions which reads: Support church leaders and others involved in the Free South African Movement. This amendment by deletion was defeated. The amended resolution on South Africa was adopted as a whole.

The review committee recommended concurrence with R-10, the Resolution on Pornography. The Reverend Louis Jamison offered an amendment that we add "...letter from Administrative Board to the third paragraph, third line." It was approved. The Reverend Susan Henry-Crowe asked for a definition of pornography, a definition the maker of the resolution, the Reverend Phil Thrailkill, said was not in the resolution under consideration and has not been made-even by the Supreme Court. The Reverend Sinclair Lewis moved that we refer this resolution to the Board of Church and Society for study and for a subsequent recommendation to the Annual Conference. The motion to refer the resolution was defeated. The Resolution on pornography, as amended, was approved. The amended resolution follows:

#### RESOLUTION ON PORNOGRAPHY

The **Social Principles** of our United Methodist Church contain the following statement in Section II, Part F under the heading of "Human Sexuality":

"We deplore all forms of the commercialization and exploitation of sex with their consequent cheapening and degradation of human personality."

The widespread exploitation of woman (and increasingly children and men) in the current national flood of pornography is an issue the Church should address.

BE IT RESOLVED, therefore, that all pastors serving local churches in the South Carolina Annual Conference undertake a survey of those stores in their areas which are vendors of pornography. Furthermore, that when the survey is completed that each of these stores receive a letter from the Administrative Board and a visit from the pastor and lay leader advising them of: 1) The official stand of the Church as found in the **Social Principles**, 2) The disapproval of the local church, and 3) An appeal on ethical grounds to remove all pornography. A report on the number of stores surveyed, contacted, and the response of those stores should be filed at the Charge Conference and a report made to the Conference Board of Church and Society.

BE IT FURTHER RESOLVED that the Bishop and cabinet, in conjunction with the Board of Church and Society, write a letter to the management of all the major convenience store chains in the state of South Carolina advising them of 1) The official stand of the Church as found in the **Social Principles**, 2) The disapproval of the South Carolina Annual Conference, and 3) An appeal on ethical grounds to remove all pornography. A report on the number of companies contacted and their respective responses should be printed in the *Advocate* and reported to the 1986 Annual Conference.

Phillip C. Thrailkill

**REVIEW REPORTS** The Reverend Angelin Simmons made a correction in the Board of Missions Report on page F-4. The first project listed under "...the following contributions" should read "Property for a new church, Greenville District." The report was received as information.

The Report of the Trustees of the Belin Property, page F-5, was presented for information. **Harmon Amendment:** The Reverend Paul Harmon moved that the missions statement of Belin Trustees be printed in the *Journal*. The Reverend James Hyatt reported that the missional statement of the Belin Trustees was being perfected and will be reported to the Annual Conference when it is perfected. The report was received as information.

The Spartanburg Methodist College Report as found on page F-5 was received as information.

The Reverend Delos Corderman moved that we extend the time of the recess to 1:00 PM. It was defeated.

The Reverend Kay Adams Best reported for Review Committee E-3. Concurrence was recommended for the reports of The Committee on Career Planning and Counseling and the Committee on Pastoral Care and Counseling. In Report E-3, the name as printed, Jo Ellen Cook was to be changed to Joellen Cook. The reports as corrected were adopted.

The Reverend Nathan McClennon moved that we return after lunch at 1:15 PM. This was defeated.

The session recessed for lunch at 12:35 PM

#### **FIFTH DAY — THURSDAY AFTERNOON June 6, 1985**

The session was called to order at 2:00 PM. The Reverend Chad Davis led us in the hymn, "Savior, Like A Shepherd Lead Us". Dr. Spencer Rice gave the invocation.

Bishop Clark outlined the schedule to finish our work for the afternoon. He also expressed appreciation to the Trustees of the Annual Conference, to Mr. Spencer Robinson and to the Reverend Max Christopher for their work this past year in reclaiming our heritage.

**CORRECTION TO THE NOMINATIONS** Mr. John Redmond, Chairman of the Nominations Committee, asked reconsideration of nominations to make a correction. A reconsideration was voted. Mr. Bill Burroughs, who was elected yesterday to fill a vacancy on the Conference Trustees, was elected to a vacancy that did not exist. Mr. Earl Middleton had been left out of the report from last year and he holds that seat on the Conference Trustees. Consequently, the name of Bill Burroughs will be deleted from this year's report. The Report of the Committee on Nominations was then adopted as a whole.

Mr. John Redmond made the motion listed below as perfected. It was seconded. He then spoke to this motion: to seek zero balance budgeting with a period of two to three years. The Reverend Washington Kerns spoke against the motion. The Reverend James Merchant asked about funding of the study. Mr. Redmond said that funding was not included. The Reverend Stephen Taylor, from Brown Swamp, made an amendment that at least two of the nine members shall come from small membership churches comprised of two hundred twenty-five members or less. This was approved as a part of the Redmond Motion. Mr. James Salley asked who will choose the persons for the task force. The answer was, the Bishop. This was incorporated in the motion. The vote was called. The perfected motion below was approved.

**JOHN REDMOND MOTION ON FUNDING STUDY** "I move that the Bishop be authorized to appoint a Special Task Force for the purpose of evaluating the Conference budgeting process. The racially inclusive task force shall have nine (9) members, six (6) lay and three (3) clergy, and at least two (2) members of the task force shall be from churches of 200 or less members."

It was the consensus of the session that the Council on Finance and Administration has the discretion to fund the Special Task Force evaluating the Conference budgeting process.

The Reverend Robert Stillwell reported for REVIEW COMMITTEE H-1. Concurrence with the reports of the senior colleges was recommended with commendation to the Presidents of our senior colleges both for their presentations to the Review Committee and for their leadership at the colleges.

The Review Committee also expressed four concerns which were: (1) That the Board of Health, Education and Campus Ministries continue effectively to promote broader acceptance of the Senior College Fund. (2) That the Annual Conference realize its lack of support for the Claflin challenge. (3) That our United Methodist constituency be educated about the looming crisis in funding for private church-related colleges. (4) That we develop a comprehensive list of potential candidates for Boards of Trust.

**CLAFLIN COLLEGE CHALLENGE** It also was reported by the Reverend Granville Hicks that the Claflin College challenge needs approximately \$37,000 by June 15, 1985 in order to claim the entire amount of matching funds available to strengthen the Claflin College endowment. If \$150,000 is raised, an equal amount in matching funds will be available.

**BOARD OF HIGHER EDUCATION SCHOLARSHIPS** In response to the question of Ms. Frances Thompkins (Shandon), it was announced by the Reverend Talmage Skinner that the two \$500 scholarships that were to be awarded at the Annual Conference were given to Ms. Linda Jennings and Miss Kim Whitfield.

The reports of each of the senior colleges were approved.

The Reverend Richard Elliott reported for REVIEW COMMITTEE I, the reports on Higher Education and Campus Ministries as found on pages I-1, I-2, I-3 and R-9. These are the Wesley Foundation Reports. Concurrence with each of the reports of the Wesley Foundations was recommended. Each report was approved.

Dr. Carolyn Briscoe spoke to the entire Higher Education Report, gave commendation to the several Wesley Foundations and lifted up the Claflin challenge. She asked the Claflin graduates to stand. She asked that the Conference give greater support to our colleges and the Wesley Foundations.

**ORANGEBURG WESLEY FOUNDATION** — The Reverend Talmage Skinner noted that the Orangeburg Wesley Foundation has been built and paid for. It is in use for the students of the area. He thanked the persons who have helped make this possible.

Mrs. Charlyn Staubes (Grace, Charleston) reported for **REVIEW GROUP K** on specialized ministries. Unanimous concurrence was recommended on all Specialized Ministries Group B reports whose reports are found on page K-1, 2. Mrs. Staubes reported the commendation of the Review Committee, appreciation for the presentations and felt the tension created between the missional challenge these programs present and the limited funds available to meet the challenge. Appreciation was also expressed for funding in 1986 of the Pheobe Taylor Clinic on John's Island. The reports were approved as a whole.

**REVIEW COMMITTEE J'S** report was made by Mrs. Margaret M. Mimms. The summary of the work of Specialized Ministries (A) is found on page J-1. Mrs. Mimms moved reception of the reports.

**ANDERSON MOTION** — The Reverend Clyde Anderson made a motion: That we respectfully request and urge the Bishop and members of the Cabinet that in the appointment process serious consideration be given to appointing ministers who have considerable sensitivities and interests in cooperative parish ministry. He then spoke to this, particularly in reference to the cooperative parish that is already in place in the Bennettsville-Cheraw area. The motion was approved.

The report of the Review Committee was approved as a whole.

**1987 SESSION** The recommendation of the Committee on the Annual Conference is that the 1987 Conference be held in Spartanburg, SC and again be held the first week in June. Bishop Clark announced that the 1986 Annual Conference is scheduled for Spartanburg, June 1-5. Bishop Marjorie Matthews was announced as the ordination speaker for 1986, the occasion of the 30th anniversary of the ordination of women.

**FIXING THE APPOINTMENTS** — Copies of *The Advocate* were distributed containing the list of appointments. Bishop Clark spoke of the work to be done among ministers for unity and morale. The Cabinet has struggled to establish procedures which are both faithful to itinerancy and consultation. This is a task done in cooperation with others, a covenantal relationship with dialogue. We need mutually agreed upon covenants on the way in which we conduct our life together and work through the difficulties we experience with one another. The Cabinet and Bishop are included in the need that

we have. Not all problems regarding itinerancy are limited to ministers... There is a need for shepherding leadership, and a need for us to think through where we are. All of us are included in this.

The District Superintendents then were called to make corrections by Districts. Bishop Clark fixed the appointments.

Dr. Marshall L. Meadors, Jr. announced that the Middleton Rosemond Church honored its founding pastor, Dr. I. DeQuincey Newman, by naming him Pastor Emeritus.

A portion of the Wesleyan Covenant Service was used for the closing led by Bishop Clark, after which was given the benediction and adjournment, *sine die*.

<sup>1</sup>Motion No. 5. Ted Walter Motion, Tuesday morning session.

#### ELECTION OF CHAIRPERSON OF COMMITTEE ON NOMINATIONS

There was a question on the Conference floor concerning the Committee on Nominations and how its Chairperson might be elected; Bishop Clark ruled that this Committee would elect its own Chairperson.

**MOTION ON STANDING RULE 67-H** A motion to suspend the Rules for reconsideration of Standing Rule 67-H was passed.

**JOLLY MOTION** There was a motion by Shedrick Jolly to amend new Standing Rule 67-H. The motion states that nominations of all Chairperson of all Quadrennial Boards, Councils, Commissions and Committees, except for the Committee on the Annual Conference, whose election is not prescribed by the *Discipline*, shall be a nominated member of the Board, Council, Commission, or Committee and shall be submitted by the Committee on Nominations to the Annual Conference for election. This motion was seconded and passed.

**COMMITTEE ON THE ANNUAL CONFERENCE** The Committee on the Annual Conference was elected.

**AMENDMENTS TO STANDING RULE 8** A motion was made that Standing Rule 8 be amended concerning the Lay Leader election. The motion stated that this election shall be limited to a term of one Quadrennium and shall be alternated between races and sexes. Harry Kent made the following amendment: to set up a study committee to examine procedures related to selection of the Conference Lay Leader rules. This committee will be appointed by the Bishop. The motion and amendment were seconded and passed.

**REFERRAL OF STANDING RULE 121** The Reverend Michael Cox made the following referral for the Standing Rules Committee concerning Standing Rule 121, that it be amended following the word "provided" to read: "and the Deaconesses are members of the Committee on Deaconess and Home Missionary Service." The motion of referral was approved.

**JOLLY RECOMMENDATIONS** Shed Jolly made recommendations for changes to Standing Rules; these recommendations will be found in the file.

**FISHER AMENDMENTS TO STANDING RULES RECOMMENDATIONS** — The Reverend Mickey Fisher made the following amendments to Mr. Jolly's recommendations for changes in Standing Rules:

**Amendment 1** Combine Paragraph 720.8c with the study to be done by the Committee, as proposed by Harry Kent. This was seconded and approved.

**Amendment 2** Amend Standing Rule 123.b as follows: in the first sentence delete "at the regular fall meetings of the Boards, Councils, Commissions, and Committees" and substitute "within 60 days." In the second sentence after "the Chairperson," add "except in cases when Annual Conference has named a Chairperson." With these changes, the Rule shall read: "all Quadrennial Boards, Councils, Commissions, Committees shall be convened for organization within 60 days following the Session of the Annual Conference for which they are elected." The outgoing Chairperson, except in cases where Annual Conference has named a Chairperson, shall convene and preside over the organizational meetings. This was seconded and passed.

**Amendment 3** Amend Standing Rule 123.c as follows: after the word "begin" delete all that follows and substitute the following "with the organization of the Board, Council, Commission, Committee and continue until their successors are elected and organized. Board, Council, Commission and Committee members may continue to serve on program implementing task groups through the program year in which their term of office ends." Rationale: (1) provides continuity; (2) avoids months of lame duckism (3) permits new officers to take office early enough to make decision regarding second year Quadrennium (under present Rule the new officer could not address program needs until the third year of the Quadrennium).

**REFERRAL TO THE JUDICIAL COUNCIL** Harry Kent made the following motion: "I move that the South Carolina Annual Conference request that the Judicial Council issue a declaratory decision as to whether the term of office of Quadrennial agencies can be done prior to the January 1st beginning date of the Quadrennium as shown in DISCIPLINE 819.2 1980 *Discipline*." This was seconded and passed.

**RECESS** The Conference was recessed until 4 PM.

**CALL TO ORDER** At 4 p.m. Bishop Clark called the Session to order. Dr. Carolyn Briscoe moved that for the remainder of the Conference Session, the limited number of persons speaking for or against an issue should be two for each side. This was approved.

**EQUITABLE SALARIES REPORT** The Equitable Salaries Committee came forward and made editorial changes in Report No. 2, paragraph 1; a change should be made to 73%, making it 76%. The salary schedule A, No. 1: \$16,450 should be changed to \$17,000. No. 2, A.2 should be changed to \$15,400. No. 3: \$12,800. No. 4 should be changed to \$15,500; No. 5 should be changed to \$15,700; No. 6 should be changed to \$11,950. In the last paragraph of Report No. 2, 73% was changed to 76%.

**REPORT ADOPTED AS A WHOLE** Mr. Taylor Campbell moved adoption of the report as a whole; it was adopted.

**THE REVIEW COMMITTEE REPORT TO THE ANNUAL CONFERENCE** — The Reverend Roger Gramling made the Review Committee Report. The Committee feels there should be a special statement expressing appreciation for the late Dr. W. Harry Chandler and his leadership and untiring service as Executive Director of the South Carolina Methodist Foundation.

The Review Committee recommended the following reports be placed on the consent calendar: United Methodist Women Report, Page 1-c; United Methodist Men Report, Report Nos. 1, 2 and 3, pages c-2 and c-3; Board of Trustees of the South Carolina United Methodist ADVOCATE, Report 1, pages c-7 and c-8; Conference Council on Youth Ministries Report, page c-6; South Carolina United Methodist Foundation Report, pages c-6 and c-7; Board of the Laity Report, Nos. 1, 2 and 3, pages c-3 and c-4.

**REPORTS ADOPTED** — Report No. 2, page c-9, of the South Carolina United Methodist ADVOCATE was adopted as recommended. The Board of the Laity Report, No. 4, page c-5 was recommended for adoption; it was adopted.

**REPORT OF THE SOUTH CAROLINA UNITED METHODIST FOUNDATION** — The Reverend Clarence Williams reported for the South Carolina United Methodist Foundation.

**REPORT OF REVIEW COMMITTEE NO. 2** The Review Committee No. 2 of the Council on Ministries, Section G, made its report. The Committee recommended that the report of the Chairperson and Director be placed on the consent calendar. The Committee recommended that in B-1, the remaining part of the report (the Vision Statement with objectives and goals for the new Quadrennium) called for Conference action. The Committee recommended that this report be adopted with the following recommendation for strengthening the report.

Page g-5 could be strengthened by adding the following to the Vision Statement as it is written: "That the United Methodist Church in South Carolina respond to God and mission, claiming the Word, nurturing the faithful, ministering to the world, and speaking prophetically concerning justice." The Vision Statement was not adopted.

Goals, page g-5, under goals 11, were amended by the following: instead of reading "to train 1,000 teachers to teach, to read, to train," change to "1,000 persons to teach."

Evangelism goals, page g-5, and g-6 were amended.

Paragraph A.2.4 was amended as follows: instead of reading "to train leaders in 120 churches for a caring ministry to the elderly or isolated or ruthless persons," change to read, "to train leaders in a minimum of 120 churches with at least 10 churches per District for a caring ministry to all people, including the lonely, isolated or ruthless person."

Paragraph B.2.5 was amended. Instead of reading "to train leaders in 120 churches" change to read, "to train leaders in a minimum of 120 churches, with at least 10 churches per District."

Equity goal for Ethnic Minority, page g-6 was amended that this could be strengthened in the following ways: in the objective statement that reads, "to engage in intentional strategies to achieve more equitable sharing by the Black constituency in Annual Conference" to read, "in the South Carolina Conference of the United Methodist Church." B.3.2 - the word "demonstration" be deleted so that it reads, "to initiate a minimum of two projects." C.3.5 - to add to the goal as stated: "out of a total of 50," change to "6 out of 20," to give a clearer perspective to the ratio.

Change the Role of Women, No. 5, pages g-7, 4.4 and 4.1 could be strengthened by the addition of a specific numerical goal for women as chairpersons of Conference Boards and Agencies.

**NORRIS AMENDMENT TO VISION STATEMENT** The Reverend Gene Norris proposed an amendment to the Vision Statement that these words be added: "and speaking prophetically concerning justice." This proposed amendment was defeated.

**HARRIS PROPOSED AMENDMENT** The Reverend Carl N. Harris proposed an amendment to change g-2.3, from 2 to 10; this was defeated.

**ADOPTION OF RECOMMENDATION** Ms. Alice Jones moved adoption of the recommendation made by the Review Committee; recommendation was adopted. The body voted to approve the document as amended.

**SECTION I, REVIEW COMMITTEE REPORT** The Reverend Ted Walter made the report of the Review Committee related to Section I. Mr. Walter suggested replacing I.2, I.4 I.10 and I.11 on the consent calendar; this was approved.

**SPECIALIZED MINISTRY REVIEW COMMITTEE REPORT** Mr. John Redmond made the report for the Review Committee and recommended that each of these reports be placed on the consent calendar. This recommendation was accepted.

**REPORT OF THE REVIEW COMMITTEE NO. 1, SECTION F** The report of this committee was presented by Ms. Theo Palmer, who recommended that F.3-F.11 be placed on the consent calendar. The Committee recommended that Item 1 be strengthened by using the following words, "we recommend the substitution of Paragraph 1, Section 1, with the following, "we affirm the United Methodist Church's position on abortion as a firm discipline." Paragraph 71, Section G, Paragraph 2, of Section 1 would remain the same.

**PROPOSED AMENDMENT TO CHURCH AND SOCIETY REPORT** — Mr. Rhett Jackson moved that F.2, No. 1, of the Church and Society Report be amended to the position of the 1984 General Conference on abortion, as was stated by Jack Meadors. The Reverend Allen Kubach amended Mr. Meadors' motion and recommended substituting all of No. 1 recommendations with the 1984 Discipline statement on abortion, instead of leaving in the second paragraph that reads, "as a further practical expression of this affirmation, we recommend that the South Carolina Annual Conference, its members, its churches, pastors, and servant agencies, place to all women who are contemplating abortion that should they elect to see the pregnancy through, we stand ready to assist them to gain admission to a Florence Home or a shelter for unwed mothers and to counsel them as to services available to them and to services available to the child if they choose to keep the child or place it for adoption." This proposed amendment to Mr. Meadors' motion was defeated.

Brian King called for the previous question on the amendment; it was ordered. Bill McNeill stated that the Board could accept the recommendation from Dr. Meadors; the amendment was approved. The main motion was approved also.

**ADOPTION OF ITEM NO. 2, SECTION II** The Review Committee recommended adoption of Item No. 2, Section II; it was adopted.

**ITEM NO. 3** It was recommended by the Review Committee that Item 3, No. 1 and 2 be changed by replacing the following: "We pray for the President of the United States, the Congress and the other leaders of this Nation, that they may be guided by Almighty God to work for peace in Central America." It was recommended that the Conference accept the statement as amended.

**ITEM NO. 4** The Board of Church and Society withdrew Item 4, F-2.

**ITEM 5, F-2** — This Item was recommended for adoption by the Review Committee. Butch Harold moved amendment to Item 5, F-2; this was defeated. Item 5 was adopted.

**ITEM 1, F-2** Mrs. Sara Shingler moved reconsideration of Item 1, F-2; this motion was defeated.

**REPORT ADOPTED** The report of the Board of Church and Society was adopted as a whole.

**RESOLUTIONS COMMITTEE** The Resolutions Committee made its report concerning the Resolution they had received on the Blue Law. Dr. Carolyn Briscoe, Committee Chairman, recommended that the Resolution be adopted with the following amendment: "Be it resolved that this Annual Conference call upon the legislature of the State of South Carolina to include a State-wide referendum on the November, 1984, ballot polling voters as to whether or not they favor repeal of the Blue Laws after 1 PM on Sunday and that subsequently the legislature move to accept or to repeal the aforesaid Law should the will of the people mandate it. The Reverend John Curry, Jr. moved that the Conference accept the recommendation from the Review Committee: it was accepted. The Resolution was adopted as a whole by the body.

The Reverend Charles Johnson moved that the Conference instruct the Standing Rules Committee to develop a Rule which establishes a quorum for the Conference to report the same to the 1985 Session of the Annual Conference. This did not pass because the Conference questioned as to whether it has a quorum or the authority to rule on such matters.

**RESOLUTIONS COMMITTEE REPORT CONTINUED** Dr. Briscoe reported on Section D for the Review Committee.

It was recommended that the following reports be placed on the consent calendar: Report of the Commission on Religion and Race; the Commission on Ethnic Minority Local Church and the Commission on Christian Unity and Interreligious Concerns.

The Status and Role of Women Report included recommendations from the Review Committee. Bishop Clark recommended that the Conference take a sense of the body in accepting these recommendations since there is uncertainty as to the status of being able to vote on them.

Changes recommended by the Committee are: Section I, a change in deleting the word "cursory" from the first sentence and change the second sentence to read: "We, therefore, recommend that the persons charged with making personnel decisions give strong consideration to appointing women to the following positions in the next quadrennium: The District Superintendency, and any vacancy occurring in administrative position in our Homes, colleges, and on the CCOM staff." These changes were adopted.

Section II of the Report was adopted as written.

Section III, which was adopted also, included a substitute. This section reads: "the inclusive language lectionary should be studied by the Churches in the next Quadrennium in an effort to proclaim the Biblical message in an inclusive way."

Dr. Warren Jenkins, reporting for the Review Committee on Section E, moved all items to the consent calendar with a "clean-up" of the legal status of the Pee Dee Manor. The Reverend Jack Bozard presented a Resolution for Pee Dee Manor, and the Reverend Bob Faulkner asked for consideration of the Resolution from all those present. Dr. Jenkins' motion to move Section E to the consent calendar was approved.

There was a motion that Epworth be directed to conduct a feasibility study of the use of Epworth facilities to implement items of the report of the Board of Church and Society in Section I concerning adoption: this was approved.

**REID MOTION** The Reverend Bill Reid moved that the 1985 Annual Conference be called to ratify all action taken after Harry Mays called for a quorum count in the afternoon.

**COMMENDATION OF THE BOARD OF CHURCH AND SOCIETY** The Reverend Sam Johnson spoke to commend Bill McNeill and the Board of Church and Society for their work during this Quadrennium.

**HENDRIX COMMENTS** Mrs. Clelia Hendrix, Chairperson of the Conference Council on Ministries, expressed appreciation to many people, including Chairpersons, Committee members, and Staff, to Sam Johnson and to Bishop Clark. She also asked that all reports be approved as amended.

**APPRECIATION TO BISHOP ROY C. CLARK** The Reverend Joel Cannon expressed words of appreciation to Bishop Clark.

**ADJOURNMENT OF CONFERENCE SESSION** Ted Morton moved to adjourn *sine die*. The Conference closed with prayer by Bishop Clark.

Mr. Bynum is required to meet annually with the Board of Ordained Ministry the next three years. Further, it is the decision of the Board that Mr. Bynum's leave of absence be terminated at the forthcoming session of the Annual Conference which makes Mr. Bynum available for appointment for the 1985-86 Conference Year.

**SECTION VIII  
REPORTS OF BOARDS, COMMISSIONS, COMMITTEES  
AND OTHER ORGANIZATIONS**

**CABINET REPORT TO THE ANNUAL CONFERENCE  
THE WORLD IS OUR PARISH**

"The world is our parish." This is an adaptation of words that John Wesley wrote in a letter to a friend nearly two-hundred years ago. Centuries before Wesley made his famous statement, Jesus also had a vision: "Go into all the world and preach the gospel to the whole creation." (Mark 16:15)

Thus, the theme of this Annual Conference is rooted in scripture and tradition. "The world is our parish."

This report will focus on priority concerns of the Cabinet during the year.

**I. EVANGELISM**

One is evangelism.

Responding to the Conference quadrennial objective to engage in intentional evangelism, we added to the agenda of charge conferences a question about the goal of churches for receiving new members during 1985.

Our reasons were obvious. First, our Lord said, "Go therefore and make disciples of all nations. . . ." (Matthew 28:19)

Second, during 1983 there had been a net loss in members in the Conference.

Third, the fields are white unto harvest. We live in the sunbelt, one of the fastest growing sections of the country. During the decade of the 70's, the population of the state increased 20%. The membership growth of the United Methodist Church was 1%. It is estimated by the Glenmary Institute, in Atlanta, that over 50% of the population of the state is unchurched.

In addition to the demographics, there are other factors that challenge us. Our state took a giant step toward secularization with the recent reform of the blue laws. Growing affluence erodes values and offers false hope and meaning through monetary gain.

As our Conference objective states, "The need is obvious. Rootlessness, isolation and loneliness characterize the lives of many South Carolinians."

In response to these challenges, we encourage United Methodists to have a positive attitude about evangelism. If we do not think that we, by the grace of God, can make disciples, we won't. We need to believe that evangelism is important and to give it a high priority.

Further, we encourage churches that are in a position to do so to consider adding full time associates in evangelism, or rearranging assignments so this concern can be adequately addressed.

Of course, evangelism must be done for the right reason. The goal is not to produce numerical growth. The goal is to be faithful to the great commission to make disciples.

**II. NEW CHURCH DEVELOPMENT**

A second major concern of the Cabinet is church extension or the development of new churches.

From the beginning, Christians have used new churches as a primary means of spreading the gospel and making disciples. The Book of Acts describes in detail the journeys of Paul to establish new communities of faith. The strategy of the circuit riders in early Methodism was to go where people were locating in new places to preach the gospel and establish churches. The frontiers have changed. They are no longer on the edge of the wilderness. They are now in the suburbs, in new towns, in changing communities, in new ethnic populations. People are still moving. We must go where the people are and establish new churches.

We are pleased to report that two new missions are being initiated at this Annual Conference. Bishop Clark has indicated that he will appoint a pastor to develop a new church in the Marion District at Pawley's Island and in the Columbia District in the northwest section of Columbia.

While there are plans on the drawing board to establish new churches in other densely populated areas in the near future, there is also a need to consider other loca-

tions. There is a need to identify those areas of the Conference where there are no black United Methodist churches and to consider the feasibility of establishing churches in those places.

In response to these concerns, we recommend the following:

1. We recommend the creation of a conference strategy for the development of new churches. This may need to include a staff person on the Conference Council on Ministries whose job description calls for one-half time in this area.
2. We recommend full payment of the New Church Fund line item in the conference budget. Although money is not the primary requisite for developing new churches, it is essential. It cost hundreds of thousands of dollars to buy property and construct buildings. Support of the New Church Fund is an expression of our connectionalism.

### III. CHURCH REDEVELOPMENT

In addition to the development of new churches, the redevelopment of existing churches is also a major concern of the Cabinet. The need for this is illustrated by a recent survey which indicated that of the 1,084 churches in the Conference, at least 330 are on a "well-defined, well-established long-term trend of decline."

Many churches in the Conference, especially small and rural congregations, are experiencing a financial crunch of serious proportions. The dilemma results from the cross-currents of membership decline, rising costs -- including apportionments -- and deteriorating buildings. Most of these churches want to continue to pay the pastor a fair salary, to pay apportionments 100%, to have significant programs, and to keep the buildings in a good state of repair.

But sufficient funds are simply not available to do it all.

Frequently the response is anger and frustration. The feeling develops that "the Conference doesn't care about us."

Questions are raised: "Why doesn't the Conference help us? When we were strong and able, we did our part by supporting the Conference and its causes; now that we need help, why doesn't the Conference help us? Nobody helped us build our building; why should we give money to build new churches? Why should we give our money to help erect a new church building in the suburbs when we don't have enough money to replace the leaking roof on our own building?"

There are no easy answers.

The starting place must be a biblical and theological understanding of the church. Our Lord said, "For whoever would save his life will lose it; and whoever loses his life for my sake and the gospel's will save it." (Mark 8:35). This applies to churches as well as to individuals. In every example of effective church renewal, a primary emphasis has been on outreach and mission. If local churches are to survive, they must be engaged in ministry to their communities and to the world.

A second step to church redevelopment is to claim and recover our heritage as a connectional church. As United Methodists, we are bound by a common faith and connectional ties. The mission of one congregation is the ministry of the entire Conference. Our structure is rooted in the image of the body. "When one member suffers, all suffer together." Although this is not now a reality, the structure is in place to enable large, strong, affluent congregations, with surpluses in their treasuries, to grant financial assistance to their weak, struggling sister churches.

In addition, it might be well to change the name and the purpose of the "New Church Fund" line item in the conference budget to "Congregational Development and Redevelopment Fund." Thus, money in this fund could then be used both to develop new churches and to redevelop existing churches.

Another step to congregational redevelopment might be the creation of support groups. These groups, made up of pastors and lay leaders of the churches in tough situations, could meet regularly to hear each other's stories of successes and failures, to develop needs assessments, and to create linkages for purposes of programing, worship, fellowship, and service.

Considering the subject of church redevelopment from another perspective, it may be that our conference guidelines for the sizes of charges and station churches need to be reviewed. We use 200 as the minimum number of members a church should have before it becomes a station. Even so, there are 138 station churches and charges with

less than 200 members. A neighboring conference has as its minimum 300 members and a \$60,000 budget. Thus, in that conference, small churches are set free from the bind of designating a large percentage of the budget for salaries and have more funds for building maintenance and benevolences.

Another advantage of moving in this direction is that larger charges provide a more challenging and satisfying workload for pastors, plus larger salaries. In addition, local churches are able to maintain buildings and to pay apportionments which would eliminate the sense of failure as well as much of the guilt and anger that are directed to the United Methodist Church when these responsibilities are not met.

Of course, a move in the direction of increasing the number of multiple-church charges will necessitate an openness and positive attitude among the clergy about serving circuits. But there are advantages, both for the congregations, and for the pastors in terms of salaries and workloads. Also, this would reduce the necessity of transferring additional pastors to the Conference. And it would reduce the need for equitable salaries assistance.

### IV. INCLUSIVENESS

A fourth priority concern of the Cabinet is inclusiveness. The conference quadrennial objective is to engage in intentional strategies to achieve more equitable sharing by the black constituency of the conference.

Merger of the "66 Conference" and the "85 Conference" has not yet resulted in the birth of an inclusive conference. Although there is a black presence on the Cabinet, on conference boards and agencies, on the Conference Council Staff, on district boards and committees, there is still very little racial inclusiveness in the memberships of local churches, and no cross-racial appointments.

"Developing and Strengthening the Ethnic Minority Local Church: for Witness and Mission" is the missional priority for 1985-88.

The Cabinet challenges the local churches, and the Conference as a whole, to understand, embrace and support this priority. The priority is not just a response to ethnic churches, nor an ethnic response to mission. It is a response to the mandate of the Gospel.

The United Methodist Church is blessed by our rich and varied ethnic heritage. That richness is expressed in terms of theological insight, cultural perspective, varieties of worship, languages, images and symbols. The church has committed itself to the biblical imperative of inclusiveness.

During the 1985-86 conference year, it is the Cabinet's intention to move forward on the journey toward open itineracy and cross-racial appointments. The journey is difficult. There is much resistance and many risks but the goal is clear.

In the meantime, we encourage all congregations to participate in inter-ethnic experiences of worship and study, fellowship and service.

### V. MINISTERIAL CLAIMING

A fifth major concern of the Cabinet is the call of persons to the ordained ministry.

The problem is that we have a shortage of ordained ministers. Each year we must transfer in pastors. In the decade of the 80's, we have received by transfer a total of 21 pastors.

We welcome these co-workers and rejoice in the talents for ministry which they bring. But the fact is, we are simply not producing enough pastors to serve our own churches.

One of the crucial issues in this area is the lack of ordained black clergy. While our goal is open itineracy and cross-racial appointments, we cannot help but be concerned about the shortage of black clergy. As black pastors retire in the next few years, this problem will intensify. The Cabinet, the Board of Ordained Ministry, and local churches must join forces in seeking a strategy to respond to this concern.

Recruitment for ordained ministry is a delicate subject. We must not presume to substitute a church recruitment program for the call of God. It would not be appropriate to have a church booth set up on career day in the high schools.

But there is much that can be done. In the local church, and at sub-district and district meetings, there can be programs on church-related careers. Ways can be found to help youth consider ordained ministry as a career option.

One question that needs to be asked is, "What are the characteristics of local

churches where persons experience the call to ministry?" In the conference, there are several churches that have produced a surprisingly large number of ordained ministers. A study of those churches could provide answers and directions.

Another basic question is, "How eager are we as churches for our youth to enter ministry?" And the question at the heart of the matter is, "How eager are we as parents for our children to enter the ministry?" What do we do in our families to encourage our children to consider full time church careers?

Of course, God calls persons to all vocations. But why do more young people not hear the call to ordained ministry? Is it because God has not called them? Or is it because God has called, but they have not been able to hear because of static created by family and friends.

Do our young people not hear the voice of God because of the clamor of the culture which calls them to secular careers that promise more influence and wealth?

Do our youth not hear the call of God to ministry because the church itself has been so seduced by the culture that youth think they can live out their Christian discipleship more faithfully in careers not connected with the church?

We call upon the Conference Council on Ministries, in cooperation with the Committee on Career Planning and Counseling, the Board of Ordained Ministry, and the Cabinet, to study this issue and to develop programs for local churches and families to help persons, especially youth, consider ordained ministry as a career option.

#### VI. CONSULTATION AND APPOINTMENT MAKING

The most important task of the Cabinet is to work with the Bishop in consultation and appointment making. Consultation is now a year-round process. Appointment-making continues from January through June. In spite of efforts to revise, improve and sensitize the process, and to train members of pastor-parish relations committee for evaluation and consultation, there is still much confusion and hurt that results from our present system.

Conflicts arise for several reasons. One is the expectation of laity who are concerned about church maintenance. A second is the expectation of clergy for whom personal concerns emerge as such urgent priorities that we sometimes lose sight of the distinction between career advancement and vocational calling. A third is the Cabinet's humanity which permits insensitivity, lack of thorough consultation, and failure to be specific about the needs and concerns of churches and pastors.

Perhaps the most conflict-producing factor of all is the system itself. The reality is that the system cannot do all things for all pastors and all churches.

In appointment-making, one issue is power. Power is involved. Having the power to make decisions that affect the lives of pastors, their families, and congregations is an awesome and dangerous responsibility.

The real issue, however, may not be power, but powerlessness. Invariably, pain results, not from intentional or deliberate misuse of power, but from the inability to make appointments that help persons and churches. This powerlessness is caused by the limits of the system. There are simply not enough options to respond to the concerns of everyone.

This raises then a question about the system. The system is simply the process by which the pastoral appointments are made. The fact is there has to be a system.

But every system has demonic characteristics. Although the itinerate system is designed for the deployment of pastors and the mission of the church, even this system has the potential to inflict pain and to fail.

The questions have been asked, "Does the itinerate system have to continue?" "Is it unalterable?" Obviously the answer must be, "No."

To have a system devised by humans which is considered to be unalterable and indispensable is idolatry.

The system must always be challenged.

Questions that must be asked of the system are: To what extent does it dehumanize persons? How can it be made more human?

To humanize the system means both to treat persons involved as human beings and to involve those persons as much as possible in the decisions that affect their lives without compromising the integrity of the mission. Churches do not exist for pastors. At the same time pastors do not exist for the system. Both pastors and congregations exist for the mission. In our system we must find ways to keep the mission in focus without demoralizing and dehumanizing congregations and pastors.

We of the Cabinet pledge to the Conference our commitment ever to be open to discover ways to reform and revise the system and to strive for fair and equal treatment for all.

In South Carolina we are fortunate to be the conference with the largest number of women clergy in the jurisdiction. We affirm the tremendous contributions made by women to the church. We are committed to the making of appointments without regard to sex and without being patronizing or paternalistic in the process.

#### CONCLUSION

The last half of the decade of the 80's is before us, filled with promise and opportunity. Wesley's vision continues to challenge us. The world is our parish. The Lord still calls us to "go and make disciples."

In closing, I make this final point. If we are to be faithful in our response, we must pray. In prayer, we discover God and God's will. In prayer, we discover the grace to accept our failures, and we discover that we are accepted as we are. In prayer, we discover our true selves and one another. In prayer, we come to understand that all who inhabit the planet are our brothers and sisters. In prayer, we discover the guidance and strength to live at peace with one another and to continue the journey.

### Report No. 3

- A. The compensation for the District Superintendents for the year 1986 will be as follows, with the understanding that the item for in-district travel, which is paid from the District Administration Fund only by voucher, varies from district to district:
- |                            |          |
|----------------------------|----------|
| Salary                     | \$34,010 |
| Social Security            | 2,565    |
| Average in-district travel | 2,200    |
| Insurance                  | 900      |
| Total                      | \$39,675 |
- B. The Council on Finance and Administration of the South Carolina Annual Conference, The United Methodist Church, hereby designates up to 15% (\$5,731.50) of the district superintendent's salary for the year 1986 as allocated for parsonage utilities and maintenance, not including maid service and such expenses as paid by the district.
- C. Each District Board of Trustees shall elect a treasurer from the elected trustees of said district. The treasurer of the board of Trustees shall administer all funds for the District Parsonage, writing all vouchers only for parsonage payments, repairs, insurance and furnishings and not to include utility payments. The moving expenses of an incoming district superintendent may also be paid from the District Parsonage Fund, not to include more than \$150 packing expenses. The treasurer shall report to his board all receipts and expenditures of the District Parsonage Fund.

D. Below are the percentages of average net funds that each church is asked to pay to its respective District Parsonage Fund:

District	Budget for 1985	Recommended for 1986	Percent
Anderson	\$ 6,000	\$ 6,000	.2709
Charleston	8,000	8,000	.3105
Columbia	6,000	6,000	.1534
Florence	6,000	6,000	.2906
Greenville	5,000	5,000	.1683
Greenwood	5,250	6,294	.2536
Hartsville	6,000	6,000	.2631
Marion	11,000	11,000	.4988
Orangeburg	2,000	2,000	.1039
Rock Hill	4,500	4,500	.1913
Spartanburg	3,500	3,500	.1340
Walterboro	8,000	8,000	.5821

E. The District Administration Fund expenditures for each district shall be as follows:

Office expense	\$12,000
Program expense	4,400
Travel in-district	3,000
Travel out-of-district	3,500
Insurance & Pensions	5,288
Continuing education	400
Total	\$28,588

Recognizing that different conditions exist in the several districts, the District Committee on Superintendency may adjust the above figures within the total district budget, but in no case may the total district expenditures for any one district exceed \$28,588 from the District Administration Fund.

Vouchers for continuing education must be approved by the District Committee on Continuing Education prior to payment. The unused portion of the Continuing Education allowance may be carried forward from year to year during a district superintendent's tenure, but is cancelled in full when a district superintendent leaves the superintendency. It does not carry forward to the new district superintendent. However, by application to the CF&A in advance of leaving the superintendency, the district superintendent may within a reasonable length of time use the unused portion of his Continuing Education allowance to take training which would assist him in his return to the parish ministry. For the year in which there is a move, one-half of the Continuing Education allowance will be available to each superintendent.

### Report No. 4

- A. We call attention to the "Special Days" designated by the *Book of Discipline* and recommend that they be observed with appropriate free-will offerings and that the following special observances be a part of the program of each local church:
- Human Relations Day -- February 9, 1986
  - Missions in South Carolina -- February 23, 1986
  - One Great Hour of Sharing -- March 9, 1986
  - Golden Cross Sunday -- May 4, 1986
  - Epworth Children's Home
  - Mothers' Day -- May 11, 1986
  - Work Day -- September 14, 1986
  - Church school offering first Sunday each month
  - World Communion Sunday -- October 5, 1986
  - United Methodist Student Day -- December 28, 1986

B. We offer the following special recommendations:

1. We recommend that the District Superintendents and the District Boards of Laity be allowed to make adjustments in the apportioned salary items (Episcopal Fund, District Superintendents' Salary Fund, Equitable Salary Fund, Pension Fund and Conference Insurance Fund) and in World Service and Conference Benevolences. However, no change in the district totals may be made.
2. All boards, commissions and committees receiving funds from the conference treasurer shall submit with each voucher adequate supporting data.
3. Boards, agencies and conference institutions which are allowed to withdraw lump sums from the conference treasurer shall submit an annual audit by a certified public accountant to the Council on Finance and Administration.
4. It is the recommendation of the Council on Finance and Administration that all boards, commissions and agencies of the conference pay a standard rate of 20¢ a mile when a representative travels on church business. In order to encourage car pooling, we recommend that if a car contains two persons traveling on church business that the mileage rate be increased to 25¢, that if a car contains three persons all traveling on church business the rate be 28¢ and that if a car contains four or more persons all traveling on church business the rate be 30¢ per mile. We recommend that other expenses of travel on church business be paid; however, that the maximum paid to such a person for meals shall be \$2.50 for breakfast, \$3.50 for lunch and \$4.50 for the evening meal.
5. We recommend that all churches pay an amount equal to one-half of the Social Security cost of the pastor or pastors of the charge; and that the church place in its budget an amount of at least \$400 per year to be used by the pastor as a continuing education fund, and that if the full amount is not used in a given year, the unused portion be allowed to accrue during the tenure of the pastor, but not to accrue for the benefit of the subsequent pastor. It is also recommended that the health insurance premium be paid by the local church directly to the Office of Ministerial Affairs, even if it is done on a salary reduction basis and that if this is done, the amount be included in the charge conference worksheet which itemizes salaries and benefits for 1986.
6. The balance held for each board, commission, or committee or agency on the books of the conference treasurer shall be carried forward from one year to the next and this shall be taken into consideration in the subsequent budget request.
7. We recommend that "average net funds" as used in the calculation of apportionments shall mean for each church the four-year average of net funds in the years 1981, 1982, 1983 and 1984. When a church has declined for two years in "net funds" the term "average net funds" shall mean the average of the last two years only. Newly organized churches will be treated in the same manner as other churches of the conference. A four-year average of net funds will be used, but for years prior to the organization of the new church, the net funds figure will be zero.
8. The calculation of "net funds" for the current year (1985) shall be lines 35, 36 and 38-41 of Table II.
9. We recommend that the funds received on the apportionment for Methodist Camps and Retreat Centers (item 12, Report No. 1) be divided 60% to Asbury Hills Methodist Camp and 40% to Sewee Coastal Retreat Center. We recommend that the funds received on the apportionment for Methodist Homes (item 11, Report No. 1) be divided 66.6% to Orangeburg Methodist Home and 33.4% to Greenwood Methodist Home. We recommend that the funds received on the apportionment for Senior College Fund (item 8, Report No. 1) be divided 40.5% to Wofford College, 40.5% to Columbia College and 19% to Claflin College.
10. We recommend that the granting of sabbatical leaves by the Annual Conference shall carry with it automatic authorization from the Contingency Fund to provide pension credit and insurance for the person granted the sabbatical, provided there are not funds in the budget of the Board of the Ordained Ministry for this purpose.

Report No. 5

- A. CF&A recommends an extension of the Pension Fund Crusade for the year 1986 with encouragement to the Board of Pensions to emphasize full payment of pledges made.
- B. Because of the recommendation of the extension of the Pension Fund Crusade, we do not recommend at this time a capital funds campaign for the Methodist Manor of the Pee Dee. We further recommend that Annual Conference defer any consideration of this request and any similar requests until the report is published by the task force of the Board of Health and Welfare Ministries and the Council on Ministries charged with studying and making recommendations concerning the total Conference program of housing and care for the elderly.

Report No. 6

Attention is called to a letter contained in your registration packet from Craig Hoskins (attorney for the General Council on Finance and Administration) dealing with the issue of charitable deductions for Federal Income Tax. It is accompanied by a draft resolution which may be considered by the Annual Conference.

Charles A. Graves, President  
John E. Nicholson, Secretary

See Report No. 6 C.F.A.

RESOLUTION CONCERNING CHARITABLE DEDUCTIONS  
FOR FEDERAL INCOME TAX

- WHEREAS, recent tax proposals within the Treasury Department may seek to severely limit or abolish the charitable deduction for federal income tax purposes; and  
WHEREAS, it has been public policy for the government to encourage philanthropic giving and charitable work through maintenance of a charitable deduction from federal income tax since the inception of the federal income tax law; and  
WHEREAS, it is reported that among proposals under consideration are the elimination of the charitable gifts for gifts under 2% of the taxpayers adjusted gross income, and the limitation of charitable deductions for gifts of appreciated property to actual costs plus an inflation factor, or actual market value, whichever is less; and  
WHEREAS, studies indicate that the impact of such proposals would be to decrease the total of charitable gifts, as well as to significantly reduce the leadership gifts to charitable causes, on the order of an \$800 million (27%) decrease in giving to institutions of higher education, and an eight billion dollar (18%) decrease in giving for religious purposes, and an overall decrease in charitable giving of 17% - 20%, or \$10 - \$12 billion; and  
WHEREAS, in light of proposals to curtail or cut back government programs in support of education and for the provision of social services, it is expected that churches and other non-profit organizations will move to take on a greater role in these areas; and  
WHEREAS, in order to assume such a role, such organizations will need to make greater demands upon their constituencies for financial support; and  
WHEREAS, the tax proposals as reported would instead negatively impact upon the levels of such support, therefore  
BE IT RESOLVED, that the South Carolina Annual Conference of The United Methodist Church, meeting in Spartanburg, S.C., June 2-6, 1985, hereby records its strong support for maintenance of the existing rules regarding income tax deductibility for all charitable contributions, continuation of the charitable deduction for nonitemizing taxpayers, and continuation of the current rules concerning gifts for appreciated property at market value.  
BE IT FURTHER RESOLVED, that the Annual Conference instruct its Secretary to send a copy of this resolution to President Reagan, Secretary of the Treasury Baker and congressional leaders.

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed, and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service; and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the South Carolina Annual Conference is the appropriate organization to designate a housing rental allowance for retired ordained or licensed ministers who are members of this Conference;

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the years 1985 and 1986 be and is hereby designated as a rental housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the South Carolina Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental housing allowance applies shall be the pension or disability payment resulting from all service of such retired ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair

rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

- I. A. We hereby approve any recognized institution of our denomination to which a member of the South Carolina Annual Conference may be given an Episcopal appointment, outside the State of South Carolina, as an institution to which ministers so appointed may receive pension credit, provided that the minister pay his or her institutional assessments in an amount equal to 16.4 percent of the Denominational Average Compensation for the year funded.
- B. Each institution, organization or district to which a minister is appointed with annuity credit shall pay to the South Carolina Annual Conference Board of Pensions an amount equal to sixteen and four-tenths percent (16.4%) of the Denominational Average Compensation as determined by the General Board of Pensions for the year 1986. Such payments shall be made for each minister so appointed and paid monthly in equal payments each month during the year 1986 or in advance for monthly crediting in twelve equal installments from deposits made in the Deposit Account of the South Carolina Annual Conference with the General Board of Pensions by the treasurer of the South Carolina Annual Conference. In the event that monthly credits to the minister in special appointment's Church Account exceed the funds deposited for the minister in special appointment, and the Deposit Account is overdrawn, an interest charge made at the current monthly rate of interest credited to the STIRA investment program shall be made. This interest payment is due the following month with interest charges on a daily factor until the institutional account of the minister in special appointment is current.
- II. The fiscal year of the Board of Pensions shall be the same as that of the South Carolina Annual Conference.
- III. We recommend that the Annual Conference approve the distribution which the Board of Pensions has made to claimants during the year as set forth in detail in our Report No. 5.

John M. Greene, Chairman  
Archie R. Bigelow, Jr., Secretary

#### Report Number 3 Major Medical Insurance Benefits

The major medical plan of the Conference Insurance Program provides benefits for reasonable and customary charges incurred by the insured, or a covered dependent, while receiving hospital services, treatments and supplies ordered by a physician. After a \$200 annual deductible, the plan provides for payment of 80% of the first \$2,000.00 of eligible expenses and 100% of all other eligible expenses over \$2,000.00 up to an unlimited maximum.

The coverage for retired participants is reduced to a lifetime maximum of \$100,000.00 for the insured and each dependent.

Other details of the major medical expense plan are contained in the guidebook, **YOUR GROUP INSURANCE PLAN**.

#### Report Number 4 Medicare Benefits

Medicare is a Federal health insurance plan, administered under the Social Security Act, for the benefit of persons 65 years of age or older. The Medicare Program consists of two parts: (a) hospital insurance, designed to pay for physicians' service and related medical services. Under terms of the Medicare Program, hospital insurance (Part A) is provided for all persons under the plan. The medical insurance (Part B) is an optional feature for which the insured pays a stated monthly premium.

The Conference Insurance Program is so designed that it provides certain benefits which begin at the point where Medicare coverage terminates, and in addition, makes provision for some benefits not covered by Medicare at all. Therefore, it is required that all ministers and or dependent spouses aged 65 or older shall enroll in Medicare Part A and Part B and, in any event, benefits for enrollants and eligible dependents who have attained age 65 shall be computed as though the enrollant or eligible dependent were enrolled in Medicare Part A and part B.

Inasmuch as the insurance coverage for normally retired ministers and their eligible dependents who have attained age 65 is provided for them by the Conference without cost to the insured, all persons who are or who could be covered by Medicare Part A and Part B shall have their benefits computed by the Benefit Reduction method; and each insured or dependent age 65 or over should be positive that any hospital he/she enters is one which participates in the Medicare program. Our plan does not pay benefits which are or could be paid by Medicare.

Eligible retired enrollants and their eligible dependents as well as participating active enrollants and their eligible dependents who have attained age 65 shall have benefits calculated by the Benefit Reduction approach with the same deductible(s) applicable and the same co-insurance as those enrollants under age 65. This assumes Part A and Part B the same co-insurance as those enrollants under age 65. This assumes that the active age 65 and over enrollant and dependent shall be enrolled in Medicare Part A and Part B immediately upon reaching the age of eligibility.

A handbook explaining the provisions of Medicare is available from any district office of the Social Security Administration.

### Report Number 5 Administrative Procedures

**Billing:** The Office of Ministerial Affairs sends a quarterly statement to everyone enrolled in the Conference Insurance Program. Statements are mailed in January, April, July and October. Although statements are mailed quarterly, payments for premiums may be made on monthly basis. Bank drafts may be used in making premium payments, if desired.

**Cancellation of Coverage:** It is imperative that each participant in the Conference Insurance Program keep his premium payments current. The Commission on Insurance has instructed the Administrator of Ministerial Affairs to cancel the insurance coverage of any participant who does not pay his premium by the end of the quarter for which he has been billed.

**Ministers Serving Special Appointment:** For the purpose of proper cost analysis, it is required that all Conference Boards and Agencies, served by ministers and others eligible for insurance, pay for the "institutional share" of the insured's premium. (The "institutional share" for ministers serving churches is paid through the Council on Finance and Administration appropriation directed to the Conference Insurance Program). This provision shall apply to the District Superintendents, those serving Methodist colleges and other Methodist institutions and agencies operating under Boards of Trustees, should they elect coverage under the Conference Insurance Program. In every case the full cost of coverage must be paid by the insured, his employer, or through the combined payments of the insured and his employer.

**Premium payments:** Premium payments shall be made in accordance with the instructions printed on the quarterly "Statement of Account".

**Application for Insurance Coverage:** Eligibility for enrollment begins with recognition as a probationary member, full-time employment as a lay pastor or student lay pastor, or as a transfer from another Annual Conference, and so noted in report of the Board of the Ordained Ministry. Enrollment at any other time classes an applicant as a "late entrant". Applications for enrollment in the Conference Insurance Program are available from the Administrator of Ministerial Affairs. If not completed and in the hands of the Administrator within 31 days from the date of eligibility, the applicant will be classed as a "late entrant". It will then be necessary for a health statement to be furnished, and in most instances, a physical examination will be required at the expense of the insured.

**Claims Procedure:** The cost of medical care continues to rise, therefore, the Office of Ministerial Affairs and the carrier audit every claim with great care. Conference Insurance Program participants can render valuable assistance in the claims process by:

1. making certain that they have received all the services for which they are requesting payment.
2. supplying the documentation required to validate their claim.
3. refraining from asking reimbursement for services clearly excluded under the terms of the insurance program.

Claims must be submitted at least quarterly, but not more often than once a month.

The Commission on Insurance is charged with oversight of the group insurance program of the South Carolina Annual Conference, the benefits of which program are outlined in the reports of the Commission submitted to and approved by the Annual Conference. The budget of the Commission on Insurance is approved by the Annual Conference and the Commission is authorized to negotiate and contract with carriers to maintain the level of benefits approved by the Annual Conference for the eligible participants as defined by the Annual Conference.

### Report Number 6 Coverage for Conference Lay Employees

The Commission on Insurance receives from time to time requests from conference boards and agencies for insurance coverage for lay employees. Accordingly, the Commission has adopted the following policy in this connection:

Conference insurance coverage is available to all employees of the United Methodist Church directly related to the South Carolina Annual Conference and working within the boundaries of the Annual Conference, including fully employed diaconal ministers fulfilling

the requirements of Paragraphs 302-315 of the 1980 BOOK OF DISCIPLINE and recommended by the Committee on Diaconal Ministry of the South Carolina Annual Conference, provided the insured and the agency concerned bear their full share of the cost of the insurance.

Coverage under the major medical insurance shall be the same as for all other persons covered, and all provisions governing eligibility for the Conference Insurance Program shall apply.

Life Insurance Coverage for eligible Conference Lay Employees shall be as follows effective January 1, 1981:

1. Less than age 60: \$15,000.00
2. Age 60 but less than age 65: \$13,000.00
3. Age 65 but less than age 70: \$13,000.00 reduced by 8% for each active employees: birthday until the 70th.
4. Age 65 and over for those retiring before June 1, 1975: \$ 4,000.00 (additional care)
5. Age 65 and over for those retiring after June 1, 1975: \$ 5,000.00 (additional care)

### Report Number 7 Coordination of Benefits

The purpose of health care insurance is to help meet actual expenses. In line with that purpose, the Conference Insurance Program contains a non profit provision which coordinates our plan with other plans under which an individual is covered so that the total benefits available will not exceed 100% of the allowable expenses. Under this plan, if a dependent, employed spouse is covered by another group plan, application for insurance benefits should first be made under the employee's own policy, then application may be made to the Conference Insurance Program for any additional benefit that might be due.

Strict adherence to this policy is essential if we are to maintain good benefits under our program at a reasonable cost. A detailed explanation of the "coordination" provision is contained in YOUR GROUP INSURANCE PLAN.

### Report Number 8

The Commission on Insurance makes the following recommendation for action of the 1985 South Carolina Annual Conference.

1. That the Council on Finance and Administration apportion to the churches the sum of \$1,203,506.00 for the Conference Insurance Program to be used as follows:
  - a. \$ 62,279.00 for administration of the program
  - b. \$1,141,227.00 for the Conference's share of the cost of the insurance program in providing coverage for eligible enrolls of the S.C. Conference
2. That enrollant premium payments for the period beginning January 1, 1986 through June 30, 1986 be set as follows:
  - a. Categories 1-5 of Report Number 1 shall be \$75.00 monthly.
  - b. Premiums for retired ministers 65 and over be fully paid by the Annual Conference except in cases where the spouse is under age 65; in which instance the premium shall be \$37.50 monthly.
  - c. Premiums for the surviving under age 65 spouse will be \$37.50 monthly.
  - d. Premiums for the actuarially retired member under age 65 with dependent shall be \$75.00 monthly.
3. Participants in the Conference Insurance Program shall pay their premiums monthly in advance. All coverage shall be subject to cancellation if payments are not made prior to the end of the quarter for which the insured is billed.
4. Every participant in the Conference Insurance Program shall become familiar with the provisions of the program as outlined in the guidebook, YOUR GRCJP INSURANCE PLAN, copies of which are available from the Office of Ministerial Affairs, P.O. Box 11284, Columbia, South Carolina 29211.

**Report No. 2**

**RECOMMENDATIONS**

Whereas, the Discipline of 1984, paragraph III, provides for fixing an Equitable Salary System by the Annual Conference, therefore be it resolved: That the South Carolina Annual Conference fix an equitable salaries system according to the following scale to become effective on January 1, 1986, and to continue until changed by this Annual Conference. Salary changes have been based upon seven, one percent (7%) of the 1985 average salary for Effective Members in Annual Conference. Other categories are based upon a percentage of the effective ministers' calculated figure.

The Commission on Equitable Salaries looking to the future of South Carolina United Methodism recommends the following salary scale which will enable all churches and pastors to easily ascertain the Equitable Salaries schedule:

- A. 1. The total equitable compensation for Effective Members of the Annual Conference will be \$18,100.
2. The total equitable compensation for Probationary Members - (FULL TIME) - will be \$16,300.
3. The total equitable compensation for Probationary Members - (NOT FULL TIME) - will be \$13,600.
4. The total equitable compensation for Associate Members will be \$16,300.
5. The total equitable compensation for Local Pastors - (FULL TIME) - will be \$14,500.
6. The total equitable compensation for Student Local Pastors will be \$12,650.
- B. Longevity Merit Income  
A pastor who has served ably for fifteen (15) or more years in full time service, ten (10) of which have been in the South Carolina Conference shall receive \$750.00 above the minimum base.

- C. The Annual Conference through its Equitable Salaries Funds shall not pay in excess of thirty-five percent (35%) of the above amounts. The local charge shall be encouraged to pay the other sixty-five percent (65%). Exception will be allowed under the following conditions:
1. The Administrative Board of the said charge must declare in writing to the District Superintendent that the charge cannot pay the sixty-five percent (65%).
  2. The District Superintendent and the Cabinet must recommend this exception unanimously.
  3. The Cabinet should make an annual evaluation of any charge for which assistance has been granted beyond thirty-five percent (35%).
- D. If the Bishop and Cabinet find it necessary to make an appointment requiring equitable compensation supplement beyond the regular schedule, it may be granted upon Cabinet request for a term not to exceed three years in any given situation, and Equitable Salaries shall not pay in excess of thirty-five percent (35%) of total compensation in any instance. Assistance will decrease one-third each year over three years, unless superseded by section M.
- E. Cross Racial Appointment  
If the Bishop and Cabinet, in making a cross racial appointment, find it necessary to request equitable compensation supplement, special consideration will be given on an individual basis.
- F. Equitable Salary Funds shall be disbursed monthly, and shall be given only to the pastor involved. A semi-annual statement will be sent to the chairperson of the Pastor-Parish Relations Committee.
- G. Social Security  
A local charge conference will be allowed to designate part of the salary compensation as social security. This amount shall not exceed 6.15% of the salary paid by the local charge. The amount thus designated by the local charge will not be counted in an equitable salary application.
- H. Travel Supplement
- (1) The Annual Conference provides a travel supplement through the Equitable Salary Fund for pastors of churches charges faced with inequitable transportation costs due to the geographic spread of the parish or the distance of the parish from hospitals and other institutions requiring frequent visits by their pastor.
  - (2) Pastors shall qualify for the travel supplement when:
    - a. The Charge pays the Equitable Salary Apportionment in full for the previous year.
    - b. The pastor receives salary from the Equitable Salary Fund.
    - c. The pastor lives in the parsonage or in other housing within the parish boundaries.
    - d. The pastor resides more than 20 miles from the hospitals most often used by parish members and or 30% of the parish families reside more than 10 miles from the parsonage.
  - (3) The travel supplement program shall be administered as follows:
    - a. Travel supplements shall be disbursed by voucher on the basis of actual miles in excess of 4,000 quarterly or 16,000 annually driven in performance of pastoral responsibilities up to a limit of 20,000 miles. (4,000 to be covered by supplement.)
    - b. The mileage rate shall be that approved by Annual Conference for Boards and Agencies.
    - c. Clergy couples shall not be compensated for extra travel for commuting between their parishes.
- I. Continuing Education  
The Commission shall provide the difference between what the local charge pays and seventy percent (70%) of the Conference recommendation.
1. This money shall be provided for Effective Members and Associate Members of the Annual Conference and for Full-Time Local Pastors who have completed the courses of study.
  2. This money shall be vouchered on a reimbursement basis.

- J. The District Superintendent shall recommend the adjusted amounts which must be approved by the Commission on Equitable Salaries before payment can be made. This recommendation from the District Superintendent shall be accompanied by a form provided by the Equitable Salaries Commission and completed by the pastor, the Pastor-Parish Relations Committee and the District Superintendent indicating income from all sources.
- K. Six years is the normal number of years that a charge may receive equitable salary assistance. To receive equitable salary assistance beyond six years there must be a re-evaluation of the charge by the Cabinet and the Equitable Salaries Commission.
- L. The Equitable Salaries Commission recommends that all money given to the minister for housing by the charge he/she serves be considered income if the minister is not a resident in the charge which he/she serves.
- M. The Equitable Salaries Commission recommends that no equitable salary supplement be granted that would increase the total minister's salary to a figure more than thirty percent (30%) above the minister's appropriate category.
- N. Cooperative Parish Ministries  
Directors or Coordinators of Cooperative Parish ministries which have been approved by the Board of Missions, and application made by the District Superintendent to the Commission on Equitable Salaries by January 1 preceding the appointment in June of the same year may be eligible for funds not to exceed \$7,000.00. No pastor shall be eligible to receive funds unless the charge he/she serves agrees in writing to release him/her for these added duties. Assistance will decrease by twenty-five percent (25%) each year over four (4) years of the initial request, unless superseded by section M.
- O. Missional Situations  
Missional Situations are when areas -- rural, inner city, transitional or engulfed neighborhoods, or areas where new churches are organized, demand an effective ministry but are not capable of providing such ministries without equitable salary assistance. To be eligible for assistance the appropriate committee of the Board of Missions must verify that it is indeed a missional situation. Assistance will decrease by twenty-five percent (25%) each year over four (4) years of the initial request, with an annual review, unless superseded by section M.

#### EQUITABLE SALARIES FOR NEWLY SET-UP WORK

- Notes: 1. In all cases where a new work is being considered, the District Superintendents shall notify the Commission on Equitable Salaries by January 1 preceding the Annual Conference session that the work is to be effected; providing the projected cost to the Equitable Salaries Commission.
- Notes: 2. This schedule applies to pastors who are in probationary or effective conference relationship and who have had a minimum of four (4) full years of service prior to this appointment.
- 1st Year: Note: First full year of church's organization. The Equitable Salary may be according to the pastor's category.  
Special Note: The District Superintendent may apply to the Church Extension Section of the Board of Missions for a salary that is more in keeping with the amount received by this pastor in his previous appointment.
- 2nd Year: The grant depends on amount received first year. At the beginning of the second year, the newly established church must assume one-fourth of the pastor's salary.
- 3rd Year: The grant for the third year depends on amount received second year. At the beginning of the third year, the newly established church must assume one-half of the pastor's salary.
- 4th Year: The grant for the fourth year depends upon the amount received the third year. At the beginning of the fourth year, the newly established church must assume three-fourths of the pastor's salary.

- Notes: 3.** Except where the administrators of this salary schedule feel an extreme case of hardship exists, no salary funds will be granted to a church after the fourth full year.
- Notes: 4.** A "new Church" may be interpreted to mean an "engulfed" situation or a relocation project, if it is determined to be a church extension responsibility by the Church Extension Section of the Board of Missions. The District Superintendent must provide a substantiating statement from the Conference Board of Missions that the engulfed situation is in reality an engulfed situation.
- Notes: 5.** The local church shares of this salary schedule is interpreted to mean -- all sources of income from the local church.
- Notes: 6.** These figures are minimum and any amount of funds from any source in any guise added to these figures will be subtracted from the Conference support given.
- Notes: 7.** In all cases where a newly set up work is attached to an existing charge, these become charge figures.

- P.** The Commission on Equitable Salaries requests that the South Carolina Conference designate fifteen percent (15%) (or actual expenses) of monies funded by this commission as parsonage allowance. This request is made to satisfy the requirements of the Internal Revenue Service.
- Q.** The Commission on Equitable Salaries recommends that all funds held in "reserve" be invested.
- R.** The Commission on Equitable Salaries recommends that the equitable salaries for effective members of the Conference (under 15 years) be indexed to the average salary package which includes salary, amount designated for utilities, travel, and amount designated for Social Security of all effective members of the Conference during 1985, and we recommend that it be indexed at seventy one percent (71%) of the Annual Conference salary of the preceding year and that the resulting number be rounded to the nearest \$50.00.
- S.** The Commission on Equitable Salaries recommends that an interpretation of its task and policy procedures be given as a part of the District Pastor Staff Parish Relations Committee Workshops. It is further recommended that this interpretation be done by a member of the Commission upon invitation by the District Superintendent.

#### THE SALARY STUDY COMMITTEE

##### Report No. 1

United Methodists affirm "that all Christians are called to minister wherever Christ would have them serve and witness in deeds and words that heal and free." (*The Book of Discipline*, 1984, Paragraph 105)

Ordained ministers are called to specialized ministries of Word, Sacrament, and Order: "Through these distinctive functions ordained ministers devote themselves wholly to the work of the Church and to the upbuilding of the general ministry." (*The Book of Discipline*, 1984, Paragraph 110)

The itinerate system is the accepted method of The United Methodist Church by which ordained ministers are appointed by the bishop to fields of labor. Those accepting ordination commit themselves to be wholly devoted to the ministry of Word, Sacrament, and Order. The Church commits itself to provide adequate support, freeing clergy for investment of time, energy, and concern in ministries which give leadership and support to the life of the congregation.

Seeking to be sensitive both to the pastor's needs and to the total mission and ministry of the local church and the Conference, we present for adoption Report No. 2, Charge Description Instrument and a Salary Support Worksheet, and Report No. 3, Vacation Policy, and Report No. 4, Parsonage Guidelines.

The Charge Description Instrument seeks to suggest an equitable salary range for the charge, while the Salary Support Worksheet seeks to help in determining an adequate and appropriate salary support for the particular individual now serving as pastor of the charge

Granville A. Hicks, Chairperson

#### Report No. 2 WORKSHEETS FOR PASTOR (STAFF) PARISH RELATIONS COMMITTEE

##### CHARGE

The Charge Description Instrument and the Salary Support Worksheet presented below seek to help provide adequate and equitable salaries for all full time ordained ministers serving as pastors-in-charge of pastoral appointments in the South Carolina Conference. Because of the complexity of the project, we have chosen not to include associate or assistant pastors, local pastors, or student local pastors.

The Charge Description Instrument seeks to suggest an equitable salary range for each charge by assigning points to several areas of charge strength and need. These points are then totaled and applied to the tables provided to yield a suggested salary range.

The Salary Support Worksheet seeks to provide help in determining an adequate and appropriate salary for the person presently serving as pastor of the charge by considering the cost-of-living adjustment and other applicable items. Except in very unusual circumstances the salary support for the pastor should fall within the suggested salary range for the charge.

Our system of compensation should serve neither to impose upon the clergy an involuntary poverty nor to guarantee them the level of pay characteristic of the more highly paid professions, but should rather serve to insure all of the ministers a reasonable standard of living.

##### Definitions

Charge: A local church or churches which constitute a pastoral appointment.

Full Time Pastor: An ordained minister who is a probationary, associate, or full member of the South Carolina Annual Conference appointed full time to a charge and fulfills the duties outlined in *The Discipline* (paragraphs 438-441). Paid Lay Employees: Lay persons who receive any compensation for regular work on the charge as custodians, organists, secretaries, youth workers, etc.

### Report No. 3 VACATION POLICY

It is recommended that all ordained ministers and diaconal ministers of the South Carolina Annual Conference be granted annual vacation according to the following schedule:

Years of Service	Number of Weeks
Less than 5 years	A minimum of 2 (including 2 Sundays)
5 years - 15 years	A minimum of 3 (including 3 Sundays)
More than 15 years	A minimum of 4 (including 4 Sundays)

It is further recommended that the Lay Member of the Annual Conference convey this information to the Pastor-Staff-Parish Relations Committee and to the local church.

"Years of service" shall be interpreted to mean the number of years of service under appointment in the ministry of the United Methodist Church, and not the number of years of service on a given charge.

"Vacation" is interpreted to mean freedom from any responsibility in the local church or charge, district, conference, area, jurisdiction, or general conference. Vacation should be a time of rest, recreation, and renewal. It should not be interpreted to mean time the pastor works at a church camp, a meeting of a general board, an agency of the conference, a district retreat. Time away from the charge for Annual Conference and continuing education events shall not be considered vacation time.

The charge shall make available as necessary the funds for pulpit supply while the pastor is on vacation.

### Report No. 4 PARSONAGE GUIDELINES

The Discipline of the United Methodist Church provides that the Pastor-Parish Relations Committee assume responsibility of the parsonage, but "It is the responsibility of the Administrative Board to provide adequate housing for the pastor(s)." (*The Book Of Discipline*, Par. 256.3f.)

"The parsonage is to be mutually respected by the pastor's family as the property of the church and by the church as a place of privacy for the pastor's family." (*The Book Of Discipline*, Par. 267.2.F.4)

The parsonage is primarily the home of the minister and his/her family and in deference to them, careful planning should go into the building of the parsonage. As a rule, the parsonage should be built, not bought. The type and cost of the house should be in keeping with the better homes of the community.

Most charges seek to provide adequate housing for the parsonage family and offer such furnishings as will assure comfort, safety and maintenance in keeping with the location of the parsonage in the community. These guidelines are intended to offer direction and goals for local church leaders in decisions regarding the construction of new parsonages and/or the upgrading and maintenance of existing parsonages.

A local church, or charge, planning to build or purchase a parsonage shall meet all the requirements of Paragraph 2541 of *The Book of Discipline*, 1984. When the Charge Conference appoints a Building Committee, it is recommended that the minister and spouse be ex-officio members of the committee. The parsonage family, having lived in a number of parsonages, has valuable knowledge that will aid the committee in making choices. Parsonages should be designed so that pastoral appointments can be made to meet the needs of the charge.

#### I. THE PARSONAGE SHOULD HAVE

- At least three bedrooms (four bedrooms, if possible) with ample closet space in each (double closets, if possible). In two story houses, one bedroom with a full bath should be on the ground floor.
- At least two full baths with shower facilities in each.
- A family room or den.
- A living room separate from the den.

- Adequate room in the kitchen for family meals or a breakfast nook.
  - An adequate dining room. It would be best for the parsonage family for the dining room to be separate from the living room.
  - Adequate kitchen cabinets with counter tops of standard heights.
  - Storage space for cleaning equipment.
    - Dry storage space large enough for extra mattresses, furniture, trunks, books, out-of-season clothes, etc. (Basements are not usually satisfactory.)
    - A separate closet for linens.
  - Sufficient electrical receptacles, fire extinguishers and smoke detectors complying with building and/or fire codes.
  - Modern energy-efficient central heating system with humidity control (and air conditioning, if possible); attic exhaust fan. System should be designed so that unused areas can be turned off.
  - Insulation in ceilings, floors, exterior walls to meet current codes.
  - Storm windows (or insulated windows) and storm doors.
  - Double garage or carport.
  - Dead bolt locks on all outside doors.
  - Outside storage space.
  - Fenced play area.
  - Foundation shrubbery and shade trees.
- II. A. The Pastoral Charge should provide:
- Inside the house:
    - Frost-free refrigerator with freezer compartment.
    - Kitchen stove.
    - Standard water heater: 40 gallon minimum; quick recovery, energy efficient.
    - Double sink.
    - Washing machine and dryer.
    - In addition to basic furniture for each room there should be chests, bedroom chairs, bookcases, lamps washable mattress pads.
    - Window shades, curtains and draperies.
    - Carpeting, or other floor covering for entire house.
    - Telephone - either purchase phone or pay base rental.
  - Outside the house:
    - Power lawn mower (in safe working condition).
    - TV antenna
    - Clothesline.
    - Porch and/or lawn furniture.
    - Adequate outside lighting.
    - Adequate parking.
- B. Discarded furnishings should not be placed in the parsonage.
- C. Pastor is to furnish linens, quilts, blankets, cooking and eating utensils.

#### III. CARE AND MAINTENANCE

- Trustees are responsible for care and maintenance.
- Parsonage family is responsible for routine care of the parsonage grounds, such as cutting grass and/or raking yard unless the church assumes the responsibility. Fertilizer, straw, spray are responsibilities of the church.
- Pastor-Parish Relations Committee (or the local Charge may have a Parsonage Committee) is amenable to the Administrative Board. If the Charge has a Parsonage Committee, the members of the committee should have some expertise in home furnishings.
- Parsonage Committee should meet twice annually, once for full review, in the parsonage with pastor and spouse to discuss needs openly, set goals and priorities, and make recommendations to the Administrative Board.
- Periodically the Parsonage Committee should hold Open House in cooperation with and consent of each parsonage family.
- Current inventory of furnishings should be kept.
  - Pastor and chairperson of Parsonage Committee should each have a copy.
  - Gifts to the pastor and/or parsonage should be clearly designated.
  - Parsonage Committees must approve and accept gifts for the parsonage.

4. For insurance purposes, a file should be kept in the church's safety deposit box - photos of each room's furnishings, purchase date and cost.
- G. A book or file of pertinent information should be compiled by the Parsonage Committee chairperson and kept in the parsonage. It should include:
  1. Service and repair phone numbers.
  2. Appliance invoices, warranties, repair information, etc.
  3. Cleaning methods for carpets, draperies, walls, windows, and furniture.
  4. Heating, cooling and plumbing systems warranties, manuals, service and records.
  5. Yard equipment manuals, warranties, etc.
- H. Insurance equal to 90% of the replacement value of the house and furnishings should be carried as a minimum to be paid by the Charge. Ministers are encouraged to provide for insurance on their personal property.
- I. Annual church budget should include adequate funds for maintenance.
- J. Annual pest control inspection, and treatment if necessary.
- K. The parsonage should be kept well painted inside and outside. It is preferable that the painting of the parsonage interior coincide with the beginning of pastorates.
- L. The parsonage family is discouraged from keeping pets inside the parsonage. The parsonage family is responsible for any and all damage done to the parsonage by their pets.

#### IV. CHANGE OF PASTORS

When an impending move is evident, the minister shall notify the Parsonage Committee, as soon as the District Superintendent informs the chairperson of the Pastor-Parish Relations Committee. The Parsonage Committee should meet at the parsonage with the pastor and inspect the parsonage using the following guidelines:

- A. Check complete inventory.
- B. Inspect each room for needed repairs, refurbishings, paint, etc.
- C. Inspect electrical, heating, cooling and plumbing systems.
- D. Evaluate conditions of structure, inside and outside, including furnishings, appliances and systems.
- E. Pastor shall provide information about condition of appliances and systems that only the person living in the house would know.
- F. Make recommendations to the Administrative Board.
- G. Parsonage Committee should arrange for needed repairs, refurbishings, painting, etc.
- H. Pastor is to clean thoroughly the parsonage; and to cooperate by vacating, at the church's expense, the parsonage a few days early if deemed necessary for major renovations.
- I. Parsonage Committee shall plan, communicate and work toward making the move pleasant for both incoming and outgoing pastor's families.
- J. Make sure the utilities are on for the incoming pastor. Utilities should be in church's name with the parsonage address to negate termination of services.
- K. Insure outgoing pastor has left a full tank of oil or gas (where applicable).
- L. If the new pastor finds unacceptable conditions and the Parsonage Committee is not functioning, contact the District Superintendent.

#### V. COVENANTS

##### A. Pastor's

1. Inspect the parsonage jointly with chairperson of Parsonage Committee to determine that it is in good order and repair.
2. Keep parsonage in a clean and sanitary condition including yard, attic and basement.
3. Have repaired at his/her expense any damage due to negligence and/or pets.
4. Conform to guidelines for moving out as set forth herein.
5. Pay pro rata share of all utilities except leave a full tank of oil or gas (where oil or bottle gas is used). If this policy is not already in use, the charge and pastor should negotiate for the tank left by the **next** outgoing pastor.

##### B. Charge's

1. Inspect the parsonage jointly with the pastor to determine if it is in good order and repair.
2. Maintain the parsonage in good condition.

#### THE COMMITTEE ON THE EPISCOPACY

Prior to the publication of this report, two meetings of the committee have been held with Bishop Roy Clark, following his reassignment to the Columbia Area at the 1984 session of the Southeastern Jurisdictional Conference.

Officers elected are A. McKay Brabham, Jr., chairperson; Frances Thompson, vice-chairperson; Allen E. Long, secretary.

The Annual Conference, by 1988, must purchase an episcopal residence, according to provisions made by the last General Conference. An Episcopal residence committee, composed of the chairperson (or their designate) of Finance and Administration, the Board of Trustees and the Committee on Episcopacy, has responsibility for recommendations to the Annual Conference regarding the residency.

The Committee has sought to be supportive of Bishop Clark in his world ministry through United Methodist Committee on Relief which he heads, as well as in his ministry in the S.C. Conference.

The Committee is cognizant of its responsibility as an interpreter to the Annual Conference of the duties and responsibilities of the Episcopal Office, and to the Bishop the leadership it needs of the Annual Conference. We pray for the help of our sisters and brothers, lay and clergy, in keeping us informed in this regard.

A. McKay Brabham, Jr., Chairperson  
Allen E. Long, Secretary

#### THE COMMITTEE ON DEACONESSSES AND HOME MISSIONARIES

The committee is responsible for informing and educating South Carolina United Methodists of the role, responsibilities, and service opportunities for Deaconesses and Home Missionaries. Recruitment of United Methodists interested in becoming Deaconesses and Home Missionaries is a basic duty of the Committee, along with maintaining a continuing relationship with both active and retired Deaconesses and Home Missionaries of the South Carolina Conference.

During 1984 the Committee addressed the above stated responsibility in the following ways:

- Provided interpreters for mission saturation events as well as speakers for other local and beyond-the-local church activities.
- Worked with United Methodist Women as one of their goals for 1984 was for each local unit to have a program on "The Role and Responsibilities of the Deaconess Home Missionary."
- Set up a booth at the 1984 annual conference depicting the history and heritage of Deaconesses and Home Missionaries as well as information concerning Deaconesses and Home Missionaries today.
- Hosted a luncheon for active and retired Deaconesses and Home Missionaries of the South Carolina Conference, an annual event.
- Continued efforts to establish a structured working relationship with other agencies of the conference, such as the Committee on Career Planning and Counseling, Wesley Foundations, and UMYF groups, for the purpose of securing additional opportunities to tell the Deaconesses and Home Missionary story.
- Began plans for a slide tape presentation showing S.C. Deaconesses and Home Missionaries and their work.

The Committee projects the following activities, events and programs during 1985:

- Completion of the slide tape presentation, which is now available to local, district, or conference church groups.
- Extend participation in mission saturation events by enlisting interpreters and securing appointments, and to seek other opportunities for speakers and other presentations.

- Explore with other agencies the possibility of conducting within the annual conference a Christian vocations conference.
  - Continue the information booth and luncheon at annual conference.
- The Committee on Deaconess and Home Missionary Service appreciates the opportunities to educate, enlist and serve the members of the South Carolina Conference and the United Methodist Church as a whole.

Kim Strong, Secretary

### THE BOARD OF DIACONAL MINISTRY

Created in 1976 by the General Conference, the Board of Diaconal Ministry is responsible for certification of professional workers in the United Methodist Church. The Board has information on entrance and candidacy procedures, academic requirements for diaconal ministers, career certification studies and the foundational course of study.

The S.C. Board of Diaconal Ministry strives to promote the visibility of the diaconal ministry by placing a display at Annual Conference which highlights the work of local diaconal ministers. The Board also distributes brochures which describe the role of the diaconal minister in S.C. with step-by-step instructions for entrance into diaconal ministry.

The Board recognizes progress in the implementation of its 1980 recommendations to the Annual Conference regarding base salaries, travel and housing allowances, hospitalizations, pension, professional dues and continuing education for diaconal ministers. The Division of Diaconal Ministry of the General Board of Higher Education and Ministry has completed a survey of salaries and benefits which will be helpful in interpreting these items.

At the 1984 General Conference some significant gains were made on behalf of diaconal ministry. Two controversial gains for diaconal ministers were (1) membership in the Annual Conference with voice and vote and (2) access to Ministerial Education Funds at both Annual Conference and general church levels. The Diaconal ministers would vote as laity, but as full conference members, not as lay equalization members. They will not take votes away from either laity or clergy. Although the General Conference voted it, Annual Conference membership for diaconal ministers requires a Constitutional Amendment and that will probably not be finally settled until the Council of Bishops meets in November 1986. Two-thirds of the Annual Conferences will have to have two-thirds of their voting members in agreement in order for the amendment to be ratified. If two-thirds of the conferences agree and the Council of Bishops then makes it official, Diaconal Ministers will be full members at annual conference sessions in 1987.

The Board will continue its goal of increased publicity of diaconal ministers and diaconal ministry. We thank Bishop Clark and others who have helped the S.C. Conference Board of Diaconal Ministry to carry out its responsibilities.

Parker Evatt, Chairperson

### THE COMMITTEE ON STANDING RULES

For Report of the Committee on Standing Rules see SECTION X this JOURNAL.

### TRUSTEES OF THE METHODIST CENTER

The Board of Trustees has responded to the normal requirements for maintaining and servicing the Conference Central Office Complex, The Methodist Center. We commend our business manager, Mrs. Becky Buie, for coordinating service requests and supervising the maintenance program. We hired a new maintenance person in charge of buildings and grounds. He has given excellent service.

The Board has acted upon individual office's requests. We seek to maintain our optimum work setting suitable to the needs of the various Conference agencies who rent space in the Center. Occasionally, we have requests from outside agencies and individuals. We evaluate and act upon these requests in terms of the primary purpose of the Center.

Middleton-Rosemond United Methodist Church, a new congregation in the Columbia District, requested temporary use of the main conference room for worship on Sundays only. The board granted three months usage of the conference room through a rental agreement. We were happy to assist in this emergency, but this does not set a precedent of policy. (Amendment from Review Committee - "Therefore, the Board of Trustees should put in place clear guidelines for all usage of the Center.")

The chairperson position was vacated in late 1984. In January, 1985, Rev. Jim Johnson was elected chairperson to fill this vacancy. We commend Rev. Barbee Parsons, past chairperson for his outstanding leadership and service to the board.

Jim Johnson, Chairperson

### TRUSTEES OF THE ANNUAL CONFERENCE

More than two hundred twenty-five sites across the South Carolina Conference have been identified as United Methodist Church property. The size and kind of sites vary from several acres to the minimum acreage to accommodate a small building. Many of those sites are only cemeteries.

The Conference Board of Trustees has continued its effort in this conference year to identify unused sites, clarify ownership, procure required legal documentation and facilitate appropriate disposition of property. In some cases, District Boards of Church Location and Building are encouraged to take custodianship of unused property. In other cases sales are recommended in order to keep trust with the obvious intent of original donors to give that which would be used in the Lord's service.

The board has taken the initial step to establish a central filing system where records of all property can be kept and cross referenced according to conference year, districts and Journal publication. The purpose of this record keeping system is to prevent future loss of property through the loss of records.

Spencer Robinson, Chairperson

### COMMISSION ON ARCHIVES AND HISTORY

The major portion of the goals set by this Commission for the past quadrennium was accomplished. However, there are some goals that are ongoing and will be continued.

We congratulate Dr. A.V. Huff for his completing and publishing the official history of Methodism in South Carolina. This history project was one of the major goals of the Commission.

While half-hour sessions had been allotted for history during the Annual Conference sessions, during the Bicentennial Celebration an entire evening was given. In this the bicentennial year of South Carolina Methodism, Monday evening will be devoted to history. The Commission on Archives and History in cooperation with the Commission on Worship has been working to bring an interesting program. In addition to a slide presentation, Mrs. Eulalia Cook Gonzalez will deliver the historical message.

The Commission would like to have each local church, that has not already done so, maintain a good historical record of itself and place a copy in both District and Conference Archives. Dr. Herbert Hucks, Jr. at Wofford College and Mrs. Louisa Robinson at Claflin College stand ready to receive worthy archival materials.

During the summer of 1985, the National Headquarters of Archives and History at Drew University will hold a workshop for the training of Conference Commission members. This training will later be given to local history persons on the district level.

The Conference Commission seeks to further enhance the transmission of our heritage by participation in the Bicentennial Heritage Club. This club is project of the Southeastern Jurisdiction Historical Society which provides some funds for current and future operating expense of the Southeastern Jurisdiction Heritage Club at Lake Junaluska. Our Commission has pledged one hundred dollars (\$100.00) for each year of this quadrennium.

During this Bicentennial Celebration, we would welcome a renewed interest in having places designated historical sites, shrines and landmarks of Methodism. According to records, there are no new shrines or landmarks. The historical sites to date are:

Cokesbury Methodist Conference School, Greenwood County  
Jackson Grove UM Church and Cemetery, Landrum, Spartanburg County  
John Wesley United Methodist Church, Greenville  
Duncan Memorial UM Church, Georgetown  
Centenary UM Church, Charleston  
First UM Church of Conway, Conway  
Mt. Hebron Temperance Hall, West Columbia  
Shiloh Methodist Church, Inman  
Washington Street UM Church, Columbia

If information is needed, contact your conference Chair of Commission on Archives and History.

Esther K. Witherspoon, Chairperson

### RECOMMENDATIONS

1. Continue to emphasize our Methodist heritage by seeking out historical materials and seeing that they are preserved.
2. Have local and district celebrations during the South Carolina Bicentennial Year.
3. Join the Bicentennial Heritage Club as individuals or groups.
4. Attend district training for local historians.
5. Make good use of the new Guidelines for Local Church Historians publication.

### THE COMMITTEE ON THE ANNUAL CONFERENCE

The Committee on the Annual Conference held its organizational meeting for the 1985-88 Quadrennium on Monday, November 5, 1985. The Resident Bishop serves as Chairman of the Committee in accordance with the Conference Standing Rules; the Reverend Delos D. Corderman, newly-elected Conference Secretary, was elected to serve as Secretary of the Committee.

Considerable time was given in the organizational meeting to evaluating the 1984 Annual Conference Session. Using the results of an Evaluation Survey completed by many who attended the 1984 Session, the Reverend Mickey Fisher, Director of the Conference Council on Ministries, highlighted the views expressed by survey respondents. Those responding to the survey indicated a strong preference for continuing to use the Campus Life Building at Wofford College for the plenary sessions.

A special report from the Reverend J. Chad Davis, who had served as the Chairman of the Task Force on a Model Annual Conference, was also presented by Mr. Fisher. The Davis report cited both the positive and negative aspects of the 1984 Session and proved helpful in setting directions for planning the 1985 Session. Key ideas cited included providing for a Conference Session Service of Holy Communion, continuing the Bible study, and simplifying the Review Committee process (primarily through reducing the number of Review Committees).

The critique of the 1984 Session was completed with an analysis of how the Conference Session has utilized its time in various aspects of the schedule. The Reverend Franklin B. Buie, official Conference Recorder, presented the report which he had prepared from the tape-recorded proceedings of the Conference. The Reverend Fred M. Reese, who had served as Chairman of the original Committee that had formulated the guidelines to be used in the design of a "model" Annual Conference Session concluded the critique by "measuring" the 1984 Conference Session "performance" against the original guidelines.

All of this is said in order to make the point that your Committee on the Annual Conference continues to work at the task which it understands to be its special responsibility: planning and helping to execute the Annual Conference Session in a way that reminds us of our great heritage, sharpens the focus of our vision of the mission committee to South Carolina United Methodism, and in a spirit that will inspire us to give the best that we have to our Lord and Savior, Jesus Christ, and His Church.

Our second meeting, held January 3, 1985, continued the process begun in November. Details of the 1985 Session were developed in calendar form, and specific responsibilities were assigned to members of the Committee. Again, we are striving to make the changes and improvements which you have suggested and which we have discovered through our own analyses. Because our work is on-going, we cannot report at this time that everything is "in place" for the upcoming Session — but we trust that by the time we gather in Spartanburg, you will discover that we have worked diligently at the task of making the Annual Conference Session truly a time of shared learning, inspiration and service.

We seek your continued guidance, your faithful service, and your prayers.

Roy C. Clark, Chairperson  
Delos D. Corderman, Secretary

### RECOMMENDATIONS

In accordance with the provisions of the Conference Standing Rules, the Committee on the Annual Conference recommends that the 1985 Annual Conference accept the invitation extended by Dr. Joab M. Lesesne on behalf of Wofford College to hold the 1987 Annual Conference Session in Spartanburg, utilizing the facilities of the College for lodging, meals, and other supportive services.

#### Amendments from Review Committee

1. In accordance with our commitment to inclusiveness we recommend that there be a strong, visible presence and participation of ethnic persons in leadership roles in the business and worship sessions of the Annual Conference.
2. That time be made available for an annual State of the Laity Address.
3. That the Committee on the Annual Conference investigate the cost of providing an interpreter for the hearing impaired at Annual Conference sessions and make the appropriate requests for funds so that that person may be in place for the 1986 Annual Conference and subsequent conferences. (Amendment of Stephen P. Taylor)
4. Continuation of the review process be affirmed and work toward perfecting it. Consideration should be given to more adequate accommodations, i.e., space, sound.
5. The 1986 Annual Conference plan the Review Committee process to ensure that one body deal with both the programmatic and financial facets of proposals before the Annual Conference. Also that the Committee on the Annual Conference require and provide basic training in parliamentary procedure for all convenors of the review committees.

#### COMMITTEE ON THE CONFERENCE JOURNAL

As we begin a new quadrennium with new officers and some new committee members, we present our report in a mixed air of disappointment and resolve.

The Committee expresses its deep regret that the JOURNAL for 1984 was published too late for practical use. The reasons for this situation were covered in an article in the *ADVOCATE*, and need not be repeated here.

Plans for publication of the 1985 JOURNAL have been carefully worked out with the cooperation of Rev. Delos Corderman, Conference Secretary, and Mrs. Jeanette Mack of Print Media Services. A definite schedule of preparation, printing and proofing of materials will result in an October 1 publication date if all committees, commissions, boards and officers of the Conference will be able to adhere to it.

Publication of the pictorial book of ministers in the S.C. Conference was also regrettably delayed for reasons beyond the control of the Committee and the editors, David and Nancy Arant. Still, it is a fine book of exceptional quality and special historical value. We are proud to present it to the Conference in 1985.

Our Committee has grappled with the problem of a rather steep deficit, due to severe under-funding in previous years. A plan to offset this problem was presented to the Council on Finance and Administration and is included in their report. The need for about 100 extra pages in the JOURNAL (for service records of the ministers) and in the PRE—CONFERENCE REPORTS (for Fund Analysis in larger type) will substantially increase costs of printing and mailing both these items.

A bid from Print Media Services for printing and publishing the 1985 JOURNAL was accepted by the Committee, in the amount of \$21,352.90, to be increased if necessary to cover extra costs of paper and postage.

With plans for a more efficient method of compiling and readying materials for the JOURNAL, and for overcoming the deficit, we come into our first year of the new quadrennium with high hopes and firm determination.

#### UNITED METHODIST WOMEN

##### THEME: "Committed to Mission Tomorrow—Building on Yesterday"

In order to fulfil the PURPOSE of the United Methodist Women goals were set for 1984. Following is a look at how we have worked to meet these goals. Special goals were adopted relating to: Family, The Centennial, Christian Global Concerns, Christian Social Involvement, Christian Personhood, Supportive Community and general relating to Communication.

##### Family

Participated in securing passage of protection from Domestic Abuse Act.

Two members of Conference Executive Committee participated in the Council on Ministries' Task Force on Strengthening Family Relationships.

Two members of the Conference Executive Committee continue to participate in special training to enable them to work with the Strengthening Family Relationship programs in the local church.

#### Centennial

Eight local units sent in written histories to the conference Historian.

Centennial hats and costumes were worn at Conference and District events.

A Special Centennial display was in the United Methodist Women's booth at the Annual Conference of the United Methodist Church.

Five names of women in South Carolina were sent in to the Women's Division for possible inclusion in the *"Encyclopedia of One Hundred Women in History."*

The *Mission Echo*, district newsletter, and the School of Mission, *Mission Gram*, contained articles relating to the Centennial Emphasis.

A Centennial Skit was presented at Officers Training Day.

#### Christian Global Concerns

Three hundred and ninety-two (392) attended the Conference Retreats.

Twelve districts had retreats or days apart.

Cards to sign up for participating in the Reading Program have been made available at the Conference events.

A political skills workshop was held in Columbia.

#### Supportive Community

Participated in the "Take Back the Night" project in Columbia.

Had the Korean United Methodist Church congregation participate in the School of Mission.

#### Other Projects To Fulfill The PURPOSE

Over 500 persons attended Ruth Daugherty Day at Washington Street United Methodist Church in Columbia.

World Federation Day was held November 10, 1984. Fifty percent were United Methodist Women.

One conference and 12 districts held KEDE fairs for officers' training days celebrating over 100 years in mission.

Districts have continued visitation to local units.

Approximately seven thousand women participated in Conference and District United Methodist Women events.

The 1984 report shows four new units and ten new circles.

In 1985 we are beginning a new program, thus adding a new dimension to our training. "Share the Vision...Say Yes!" is a leadership development program for District United Methodist Women mission team during the 1985-1988 Quadrennium.

It is hoped that an enlarged vision of the work will generate a more enlightened spirit since these mission teams are unique in having direct contact with local units.

Nearly seven thousand district officers of United Methodist Women from 539 districts in 74 conferences in 5 jurisdictions will participate in 40-60 events. Our 12 districts will be invited to attend one of the 10 training sessions in our jurisdiction.

This year has been both exciting and challenging. Our training can not be equalled or matched in any way. We look forward to greater commitments and dedication. This was a banner year.

#### CONFERENCE COUNCIL ON MINISTRIES

##### REPORT NO. 1

##### REPORT OF THE CHAIRPERSON AND DIRECTOR

##### A YEAR OF TRANSITION

1984 was a year of transition for the Council on Ministries with the leadership and programs of the old quadrennium giving way to the new. A number of changes are worth noting.

**New Chairpersons.** Annual Conference changed standing rules and elected board and agency chairpersons during the conference session. This allowed for more balanced racial and gender representation in conference leadership and permitted us to conduct two training experiences for the chairperson before they met with their groups. We see many signs of strong leadership by the chairpersons and anticipate a quadrennium of creative and productive work by the boards and agencies.

**Organizational Changes.** Several program and advocacy groups made organizational changes to facilitate their work. These included: Missions, Higher Education and Campus Ministry, Status and Role of Women, Christian Unity and Interreligious Concerns, Pastoral Care and Counseling. Conference restructured the Missional Priority Coordinating Committee. CCOM initiated new operating procedures and reduced the CCOM secretarial staff by one.

We reorganized the Disaster Response Team to include representatives of UMW, UMM, UMMVIM, and the Committee on Pastoral Care and Counseling plus four pastors who experienced the tornadoes of 1984.

A General Conference TV Telecommunications program will return funds to the conference (projected to total \$47,000 for the quadrennium) for use in communications. Council adopted a plan to use these funds to make a very modest entry into television and telecommunications while developing a professional quality promotion, interpretation, and public relations capacity.

The Honorable James C. Harrison chaired a conference committee to study the make-up of the Conference Board of the Laity. Proposed changes will be considered at this session of the conference.

**Support of Institutions.** Last year we reported at length regarding the decline in percentage paid on line items which support conference institutions, campus ministry and church extension. We are pleased to report some progress regarding this important aspect of our conference program.

It is important to get clear about the recent history of line items. Five years ago we had three line items. Today we have six. Until 1984 line items were calculated as a percent of net funds (the more our churches paid, the more they were asked to pay). Thus, in ten years the Conference budget tripled while church budgets only doubled. Support of World Service and Conference Benevolences plummeted downward from a high of 90.1% in 1979 to a low of 81.8% in 1984. A report by the Conference Treasurer correlated the decline in payments with the growth of the budget.

To address this problem CFA called for a moratorium on new line items and ended the practice of setting line items as a percent of net funds. Consequently, line item increases dropped from 10.8% in '83 to 5% in '84. CCOM sought to keep '85 line items (except for the New Church Fund) at the '84 level or less.

It appears that holding the line on increases has had the desired effect. The Conference Treasurer reports increases in dollars received and percentage paid on every line item in 1984.

### PROGRESS TOWARD VISION

Conference adopted five (5) objectives for the 1985-88 quadrennium. 1. To enable us to understand, affirm and live out our United Methodist Heritage; 2. To engage in intentional evangelization; 3. To engage in intentional strategies to achieve more equitable sharing by the black constituency in the conference; 4. To gain for the church the benefits of the changing role of women; 5. To strengthen our witness for God's Kingdom in the social order.

It is difficult at this early date to measure progress. However, some indicators are surfacing regarding each objective.

**Heritage.** The number of district and local church bicentennial services and history projects suggests a new awareness and appreciation for our beginnings. Several '85 events—spiritual growth retreats, the heritage project, CLIC training event and special programs set for the Annual Conference session—should add depth to our understanding of what it means to be the people of God in the United Methodist tradition.

**Evangelism.** The conference statistician reports membership increased by 3,101 in 1984, a net growth of 772 members, not quite offsetting the 1983 loss of 1,210. There are some signs that pastors and lay persons are tooling up for more effective evangelism: 141 attended the '84 School of Evangelism; 192 attended workshops on visitation evangelism in the Charleston and Orangeburg districts; 23 churches from Charleston and Orangeburg districts requested training to implement the visitation evangelism program in their local settings.

**Equity for Blacks.** The action of the 1984 Annual Conference in electing board chairpersons was a major step toward equity for blacks in conference leadership roles. The Board of Missions, Board of Ordained Ministry, Board of Church and Society, Commission on Religion and Race, Commission on Christian Unity and Interreligious Concerns, Committee on Pastoral Care and Counseling, Missional Priority Coordinating Committee, and the Commission on Archives and History are now chaired by blacks. The CCOM Director elect is also black. Strong black voices are now heard in the boards, the program planning and evaluation process, and in the Council on Ministries. There is a new feeling of empowerment. We are indeed "the cradle of black Methodism in America." As such, we have the greatest opportunity to realize genuine inclusiveness of any conference in the connection.

**Benefitting from the Changing Roles of Women.** We see similar signs that the conference is benefitting from the changing roles of women. Women chair eight (8) conference program and advocacy groups, nine (9) including the UMW. In addition, a woman serves as conference treasurer and a woman has been elected to the CCOM staff.

**Kingdom.** Churches and individuals throughout the conference responded with a great outpouring of concern and funds for victims of tornadoes in South Carolina and hunger in Africa. Our people raised \$135,720.55 for those hit by tornadoes. In addition they gave many hours of volunteer service in pastoral visitation, cleaning up debris, and rebuilding homes. At the time of this report, the conference treasurer has received \$316,112.57 for Africa hunger relief. A few individuals and churches, sometimes enduring hostile disagreement by friends, publicly questioned whether God's will is obeyed when the state takes a life by execution, when our government is a party to violence in Central America, and when we continue to escalate the nuclear arms race.

### LOOKING TO THE FUTURE

We are encouraged by the progress we see and by the intentional efforts of boards and agencies to develop program response to the conference vision document. We believe further progress will follow the program and advocacy groups' work on the proposed 1987 goals.

We welcome the Reverend Dr. James Gadsden as the Council director and the Rev. Susan Henry-Crowe as Associate Director for Outreach. Each brings special gifts for enhancing the ministry of the Council.

### SPECIAL NOTES

I am grateful for the support of friends and colleagues during my six years as Council Director. I leave the Council to return to the parish, trusting that I have rendered a responsible stewardship and confident that the work of the Council is in good hands.

A. Mickey Fisher, Director

I acknowledge with grateful appreciation the contributions by the Reverend A. Mickey Fisher during his six years as Council Director. His service has been invaluable and his work will reap benefits for the conference for many years to come. The Council wishes for him godspeed as he returns to the parish.

Clelia D. Hendrix, Chairperson

## THE BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

### Report No. 1

The Annual Conference Board of Higher Education and Campus Ministry is organized with two major committees, a College Committee chaired by Bob Stillwell and a Campus Ministry Committee chaired by Walter Cottingham. These committees report and make recommendations to the full board. The College Committee includes 12 Board Members plus a non-voting representative of each of our four Methodist Colleges and of each of the Boards of Trustees. The Campus Ministry Committee consists of 12 Board Members plus the full-time and part-time campus ministers and one representative of each Wesley Foundation Board of Directors.

While each of the four colleges is unique in programs offered and in organization, all are committed to providing a quality education in a Christian environment. During 1984-85 Bob Stillwell has made visits to each of the college campuses to engage in dialogue with the president. Through their conversations have come ideas for strengthening the work of the Board in cooperation with the colleges. The February 1985 meeting of the Board was at Claflin College, and other meetings will be held on the other college campuses.

The Board has continued to use the high school directory to help our colleges recruit United Methodist students. The cooperation of local churches in keeping the directory current is greatly appreciated. More than 7,500 names are presently listed, and the colleges affirm this program as a valuable tool for recruiting.

At Annual Conference this year two \$500.00 scholarships will be awarded. These scholarships are made available through the United Methodist Student Day Offerings. Churches are encouraged to observe and receive an offering on United Methodist Student Day.

For 1984 our churches paid \$676,004.00 (56.2%) of the \$1,201,615.00 asking for the Senior College Fund. This represents a 2.1% increase in the percentage of the asking paid over 1983 and a 9% increase in the total funds received.

### Report No. 2

During 1984-85 the Campus Ministry Policy Manual was approved. This project was begun during the last quadrennium by the Campus Ministry Study Committee chaired by Jane Lawther. Her committee also developed, in cooperation with the campus ministers, guidelines for the annual evaluation of campus ministry by the local Wesley Foundation Board of Directors and guidelines for self-evaluation by the campus ministers. These guidelines and procedures for conducting the evaluation were approved in February 1985. Dr. Lawther and her committee are commended for their efforts and excellent work. They continue to work on the development of a Job Description for Campus Ministry.

While meeting in Orangeburg during February the Board visited the new Wesley Foundation Building. The facility is an excellent one and is ready for occupancy as soon as funds for furnishings can be acquired.

For 1984 our churches paid \$177,908.00 for campus ministry. This represents 66.6% of the asking (\$267,026).

The campus ministers are commended for their continued "journeying" to local churches to "tell the story." The South Carolina Conference, through Campus Ministry "seeks to enable the campus community to become more aware of God's redeeming love as revealed through Jesus Christ by providing persons, program and place which will provide opportunities which will allow them to mature in their Christian faith, academic life and relationships, and to provide an effective presence on campus by building an authentic Christian community and personal witness, and to provide a meaningful partnership between college campus and local church." (Campus Ministry Policy Handbook)

### Report No. 3

Finally, during 1984 consultations on Higher Education and Campus Ministry were held in the Charleston and Spartanburg Districts with Board members and college and campus ministry representatives participating. Approximately 150 persons attended the two consultations to engage in dialogue with the institutional representatives.

The Board is indebted to all the pastors and lay persons who have given their support to Higher Education and Campus Ministry. We suggest that you invite representatives of the colleges and the campus ministry programs to visit the local church to share their story with you.

## CLAFLIN COLLEGE

Claflin College celebrates her 116 years of primary service to a people of deprived circumstances. From her portals she has sent out into the world numerous clergy, physicians, dentists, lawyers, legislators, teachers, social workers and good Christian citizens. She stands ready to continue this service to the church and the nation.

In July of 1984 a new president took over the duties of that office. He seeks to build on the excellent work of his predecessor. During the 1984-85 school year, the new president saw the College's enrollment increase both semesters, and academic program strengthened. Presently 648 students are enrolled and are taught and serviced by 163 faculty and staff. The budget of the College is about \$6,000,000 out of which a payroll of \$2,600,000 is expended. The campus consists of 19 structures that provide housing, curricular and extra-curricular activities. The College offers baccalaureate degree programs in art, biology, business administration, chemistry, education, English, history, mathematics, mathematics and computer science, music, physical education, religion and philosophy, social studies, and sociology. Undergirding this liberal arts curriculum is instruction in modern foreign languages, a required orientation program, reading remediation, and an early warning counseling program.

A dedicated and effective faculty has been gathered and welded at Claflin.

The South Carolina Conference in 1984 contributed \$128,908.64, and the United Methodist Church Black College Fund contributed \$336,164. We understand that the Senior College Fund received about 54% of the recommended apportionment, and the South Carolina Conference's contribution to the Black College Fund was at the 59% level whereas the national church percentage to the fund was 82%. For these funds, the Claflin College family is grateful. We thank the South Carolina Conference, and beseech the continued generous support of all churches.

Claflin received nearly \$2,000,000 in gifts during the year. On March 1 of this year the College launched an endowment challenge program with a matching federal grant of \$150,000. This effort will be concluded on June 30, 1985 when Claflin is anticipated to have \$300,000 to be added to her present inadequate endowment.

The College marches on "full of the faith that the dark past has taught us" and "full of the hope that the present has brought us."

Oscar A. Rogers, Jr., President

## COLUMBIA COLLEGE

The 1984-85 academic year has been an especially eventful one for all of us associated with Columbia College. The following report to the 1985 session of the South Carolina Conference comes with our continuing gratitude for the support of our mission through United Methodists of South Carolina.

This year we celebrated the College's 130th anniversary with a record enrollment of nearly 1200 students, the highest ever. We were also one of five state institutions of higher education to receive a "Center of Excellence" grant from the South Carolina Commission on Higher Education. Columbia College is also the recipient of the Elizabeth O'Neill Verner Award for Arts in Education from the South Carolina Arts Commission.

Several college groups travelled extensively to churches throughout the state. The bicentennial drama, "Suzanna's Daughters" performed in over thirty churches. The College choir and other choral ensembles sang for numerous church services and other gatherings. "Columbia College Centerstage," a travelling showcase of student talent and multimedia presentation on the history, mission and present program of the College performed in six of the states larger cities.

On campus, academic programs have been strengthened by an extensive revision of the first year curriculum, continuation of a new freshmen orientation program, creation of a faculty development program, and expanded international exchanges of faculty, students and cultural groups. The graduate programs and Women's Evening College continue to attract a number of Adult working women, and leadership training for our

students has been strengthened by the establishment of a "Visiting Professor's Program" which brings business and government executives to lecture in class and consult with faculty and staff.

The College's church-related heritage has been reaffirmed through weekly Chapel Services and special Theological lectures by outstanding church leaders, including Dr. Thomas Trotter, General Secretary of the Board of Higher Education and Ministry of the United Methodist Church, who spoke at a ministerial seminar and at the winter Commencement. The Ministerial Advisory Council has fostered increased cooperation between the College and our United Methodist constituents, leading to a series of Ministerial Breakfasts throughout the state for dialogues between ministers and our college staff.

The 1983-84 fiscal year at Columbia College was a success. Income for current operations reached \$7.3 million enabling us to function again with a balanced budget. Approximately 80% of our income was produced by student tuition and fees while gifts and grants accounted for \$1,029,000, 14% of the revenues. The Conference contributed \$254,625 to the College through the Senior College Fund. The current fiscal year promises an income of some \$7.8 million dollars, projecting another balanced budget.

We rejoice in our record of sound stewardship of our resources, but we know how dependent we are upon so many who back us in our work. We are grateful for United Methodist support of our budget and of our efforts to recruit young women. Without this help, we could not remain a vital force in church-related higher education in South Carolina. Rising costs of maintaining the special education option provided by Columbia College makes ever more imperative increased funds for scholarships and student aid if we are to continue to provide access to deserving students.

During the coming year, Columbia College will continue to implement creative and workable responses to new challenges, and we will continue also to define our mission in terms of the church-related heritage that has sustained us throughout the years.

Ralph T. Mirse, President

### WOFFORD COLLEGE

Wofford is grateful for what the South Carolina Annual Conference has done to sustain the College during this year. Your support, both tangible and intangible, has helped make this one of the best years ever for the College.

There is one item that I would like to call to your attention. The nation and our state are involved in a discussion of the role which governmental aid will have in the support of students attending church-related and other independent colleges. The President's proposed cuts in aid fall heaviest on students attending church-related colleges. The South Carolina Tuition Grants program has been essentially stable over the last four or five years despite increases in both the costs of education and full funding by state appropriation of the state colleges and universities. These factors are increasing the gap between what is paid for an education at the independent college and one that is directly supported by the state.

The impact of these movements could not only be detrimental to the church-related colleges, but could also lead to higher state tax expenditures since it would drive students out of the church-related colleges into those that are state supported. The per student state expenditure at the state institutions is now more than double the combination of federal and state grants per student under current programs at independent colleges. Thus, people who are involved with church-related colleges will be more active in the political arena this year. I hope that you will understand why and will support them.

In the meantime, let me **urge you not to let students eliminate Wofford from consideration as their college for financial reasons until they have contacted our financial aid office.** Grants and loans are still available from the public sector, the College has increased its own scholarship resources from private gifts, and the general church is now supporting a Bicentennial scholarship program for United Methodist students attending United Methodist colleges.

Reports on the major areas of college life are presented by Dean Dan B. Maultsby, Academic Affairs; Dean Michael J. Preston, Student Affairs; Dr. William Mount, Religious Life; Mr. Edward E. Greene, Finance; and Dr. Larry McGehee, Development.

### Academic Affairs

Wofford continues to be strong in student enrollment. In the fall term, 1,052 enrolled. Twenty-eight percent were female; ten percent, minority; seventy-four percent, residents of South Carolina; and twenty-seven percent were United Methodists. The freshman class numbered 304. The overwhelming majority came from the top of their high school classes, and the average SAT score was approximately 1,000. About seventy percent of Wofford students receive some form of assistance with their educational expenses.

The faculty has been enhanced by the return of one member from leave and by the initial appointment of five newcomers. A report on the faculty should also include the news that Dr. Lewis Jones, Keenan Professor of History, has written and published a textbook on South Carolina history. The text is for 8th graders and has been adopted for use by the public schools of the state.

The faculty is confident in the value of the liberal arts curriculum. Students' interest continues to be high in preprofessional programs and in economics and business. Approximately 20 seniors were admitted to law schools last spring and about the same number to professional schools in medical fields. Interest also seems high in English and foreign languages and in mathematics.

Dr. Lee Hagglund's institute last summer for secondary teachers of mathematics will serve as a model for other such efforts across the nation. Wofford faculty plan to continue involvement with secondary teachers. A grant from the Consortium for the Advancement of Private Higher Education will enable us to begin projects next year intended to build professional relationships with our partners in the secondary schools.

The grant from the Consortium for the Advancement of Private Higher Education is a very significant recognition for Wofford. The Consortium invited 100 private colleges and universities to compete for grants. We were one of only twenty-eight in the nation selected to receive a grant. This is an important affirmation of the quality of Wofford College.

Our identity with the United Methodist Church shapes our academic program and attracts students. The Reverend Oscar Smith, Wofford Trustee, is coordinating an effort between the College and the Conference to identify Methodist students and to assist them in attending Wofford.

### Student Affairs

While the student participation in extracurricular activities has increased this year, students are much more concerned about personal academic progress than they were a decade ago and less concerned about issues involving others in a world at large. They have distinguished themselves by earning leadership positions in the state student legislature and received special recognition for work on the literary journal, newspaper, and yearbook. The student affairs office and student leadership have worked cooperatively in dealing with changes in the legal drinking age in South Carolina. There has been strong interest in drug and alcohol education as well as legal issues involved with these matters.

### Religious Life

In its on-going commitment to Christian values in Liberal Arts education and to service to Methodism in South Carolina, Wofford is grateful to the churches for their support and for their assistance in identifying common needs to which ministry at Wofford may respond.

Attention to the relation between the College and the Church is reflected in various projects, such as the Lay School of Christian Studies, MYF Day at Wofford, and participation in the churches' observance of Student Day. Special emphasis has been placed on meeting continuing education requirements for United Methodist ministers. One-day seminars and a new lectureship in Religion and Ethics has been inaugurated.

On campus, expressions of Christian faith and concern are evinced through freshman orientation, worship services, activities of the Campus Christian Association and the Religious Life Council, Bible study groups, Sunday evening fellowship, and denominational groups which are supervised by Adjunct Chaplains—i.e., area ministers who work with students. The Pre-Ministry Society serves students who have interest in a career in ministry and maintains a placement service of those who wish to work part-time in area churches.

The Office of Campus Ministry provides personal counseling services and sponsors a wide range of student programs. These programs include a "hunger awareness" week in which 80% of boarding students gave up a meal to raise money for world hunger relief. Student Volunteer Services, an organized program in which Wofford students volunteer to work with various social agencies in the Spartanburg area.

#### Finance

The College's most recent fiscal year ended on August 31, 1984, and it was another successful year from a financial standpoint. Current operating revenues were almost \$8.8 million, and there was a small operating surplus. More than 70% of the College's operating revenues comes from student tuition and fees. Gift and investment income, which totaled \$1.5 million, or 18% of total revenues, continues to be most important. Gifts from South Carolina United Methodist churches, through the Conference Senior College Fund, totaled more than \$265,000 during the College's fiscal year.

In February 1985, the Board of Trustees approved an operating budget for 1985-86, calling for expenditures of more than \$9.7 million. Increases in student comprehensive fees will be 6% and the fee will continue to be hundreds of dollars below those of other comparable colleges in the region.

#### Development

The Annual Fund of Wofford College surpassed the million-dollar mark, achieving a total of \$1,004,582 for unrestricted purposes, the Terrier Club athletic scholarship program, and Friends of the Library. Gifts from the South Carolina Conference of the United Methodist Church totaled \$272,769, an increase of 9%.

Twelve individuals matched new and increased (over 1983 level) Annual Fund contributions dollar-for-dollar up to \$15,000 each. Total Challenger Matching Funds for 1984 were \$217,825, of which \$182,825 met Wofford needs other than the Annual Fund.

For the second year in a row, total giving (Annual Fund included) to Wofford passed the two-million-dollar mark, for a total for all purposes in 1984 of \$2,129,295. Included in that total were two six-figure gifts from estates, for endowed scholarships. A distribution from the estate of Ralph A. Durham '25 of \$120,000 was added to the existing endowed scholarship fund bearing Mr. Durham's name. A bequest of \$108,776 from the estate of Katie L. Lester of Saluda County, South Carolina, established an endowed scholarship fund in her memory. Retired Greenville County school superintendent Dr. William F. Loggins and his wife of the Buncombe Street United Methodist Church in Greenville made an outright gift of \$70,000, also to establish an endowed scholarship in their names.

Several building projects are anticipated in 1985, to include relocation of the military science department to a newly renovated location.

Joab Lesesne, Jr., President

### CLEMSON WESLEY FOUNDATION

There are an estimated 1,400 Methodist students presently attending Clemson University. An estimated 73 percent of these students came at one time or another to one or more Campus Ministry program.

#### Ongoing Programs

We have two church school classes at Clemson UMC specifically designed for students. There are other classes in which students participate as teachers, helpers or members. The first class, "Sojourners," consists mainly of undergraduate students. Graduate and married students are invited to come to the second class. Bill Rogers teaches the first class. Roy Keller teaches the second class. The average attendance during the academic year was 18 in the first class and eight in the second class (these averages do not include off Sundays). The average attendance in all other classes is approximately six.

"Formal Worship" service every week at Clemson UMC has an average student attendance of 70. During 1983-84 more than 700 students came. Our "after worship lunch" is a new program designed to give students and church persons an opportunity to get to know each other. Our 6 p.m. "EvenSong" is our informal worship service at Wesley. Short sermons and lots of songs provide 15-28 students with a close time to praise God and draw near our neighbor.

On Tuesday, Wednesday and Thursday, at 7 a.m., we have prayer breakfasts. With only a few at breakfast (4-10), we enjoy this special time together three times a week.

A religious discussion group meets weekly. The leader, Dr. Louis Henry, corresponds with students all over the world. These are mostly people he has met, taught, challenged and inspired at the Tuesday night religious discussion. An average of 10 students take a few moments off from their busy schedule to meet at the church library.

A Bible study group also meets weekly. With an average attendance of four, we still feel that Bible study is an essential part of the growing life of a Christian.

#### Occasional Programs

Some persons might say that it seems that every time we meet there is something to eat. Snacks at Church School, lunch after worship, cookies and Kool-Aid following EvenSong, prayer breakfast twice a week. So every couple of weeks we find another excuse to get together and eat: during workshops and retreats, CPR training, pizza parties, cookouts, cover-dish suppers and lunches, hiking, and ecumenical gatherings, and youth groups. The average attendance for occasional programs varies considerably from 12 for CPR training to 100 for ecumenical gatherings.

Approximately six persons come weekly for crisis and growth counselling at Clemson Wesley Foundation. There is an increasing number of persons involved at Clemson Wesley Foundation who are becoming interested in full time Christian vocations.

#### Opportunities for Service

Students involved in campus ministry provide valuable services for church and community. Serving on handbell and Chancel Choirs, teaching Sunday School, tutoring high school students and assisting the nursery are a few ways in which students express their thanks for a hospitable congregation.

Working with Migrants Ministry or a food co-op, volunteering for Crisis Line, cooking Thanksgiving dinner for the elderly and cutting wood for the poor are but a few of the many ways in which persons may serve our community. "On the Road" is a service designed to interpret the campus ministry program to local churches in South Carolina. Approximately six students and the director explain what "Wesley" means for them during the church school hour. Following this time together they lead the congregation in worship.

Again, the number of students involved in this service varies from a few helping with the Migrants Ministry to 40-50 students from different denominations volunteering for the Crisis Line.

### COLUMBIA WESLEY FOUNDATION

#### University of South Carolina

Since I have been asked to briefly describe our campus ministry program here at the University, I have enclosed a more extensive report of our 1984-85 goals and objectives along with a job description of the role of campus minister here at the ELM Center.

We serve, at varying levels of involvement, 2500 students each school year. Presently, approximately 200 students receive our weekly newsletter at their request. We send denominational mailings several times each school year, these often include leaflets from local churches near campus and we issue written invitations from the ELM community to freshmen at the beginning of each semester. Special luncheons and ice cream socials are designed specifically for United Methodist students at the beginning of each school year.

At the ELM Community we offer Sunday morning worship, fellowship and lunch, supplied primarily by local church women's organizations, faith issues discussion groups on Sunday afternoons, opportunity for outreach involvement through ministry at Midlands Center, retirement homes, blood drives, Washington Street Soup Kitchen, projects through Interfaith Council, special missional offerings and many other missional programs as designed each semester by the student coordinating committee. Through this committee students are given opportunity to learn or enhance leadership skills which will be tremendous gifts to the local churches with which they affiliate after graduation.

We have several Bible Studies and prayer support groups meeting at various times and days during the week. On Wednesday afternoons we offer a study on women in the Bible, a mid-week Communion service followed by supper and music rehearsals with the ELM Singers and instrumental groups.

Thursday mornings at 8:00 a.m. a small group gathers for a quiet service of prayer and contemplation. Friday activities range from groups going to a movie to scheduled events here at the center such as all-night paint and clean-up parties to coffee house musical/fellowship/popcorn gatherings.

Additionally, members of the ELM Singers, and the clown ministry travel extensively to South Carolina churches sharing in worship, youth group meetings, retired persons' luncheons and general campus ministry interpretation.

In December, twenty-five students travelled the state presenting the ELM Center's production of **Godspell** as a gift to all local churches and several South Carolina communities.

Various athletic activities, intramural sports and unlimited special programs, retreats, dinners, celebrations and worship experiences following the seasons of the church year while seriously looking at the three traditions represented by this ecumenical ministry are among the program offerings of campus ministry here at the University of South Carolina.

My ministry has also included many hours of counseling with students and families. The shepherding of young people as they enter or consider the ministry as a vocation is one of my greatest joys. I find my role as Associate Registrar for candidacy for the Board of Ordained Ministry most helpful as I relate on a day to day basis with potential and present ministerial candidates.

Since coming to campus ministry 22 months ago I have preached and presented programs in over ninety churches. These opportunities have enhanced my real appreciation for the local church and for the missional and moral support available through our connectional system.

The evaluation of ministry and work here at U.S.C. has been most positive. I have completed several CEU's in pastoral care, spiritual growth and personality analysis, through workshops offered at Columbia College, through the Columbia District and the Medical College of Georgia.

#### ORANGEBURG WESLEY FOUNDATION

The Orangeburg Wesley Foundation, a ministry of South Carolina United Methodism to the College communities of Claflin College and South Carolina State College, is very happy to make the following report to the South Carolina Annual Conference. The report will cover the following areas: 1) progress of the student center campaign; and 2) programs and activities of the Foundation.

The Wesley Foundation in Orangeburg wishes to thank local churches of the Conference for their financial support and prayers for the construction of our facility. The facility was completed on March 20, 1985. The Foundation is still in the process of securing funds for landscaping and furnishings.

The Foundation ministers to the College communities of Claflin College and South Carolina State College, by designing a program for mind, body and soul. The O.W.F. program consists of the following areas: 1) Worship; 2) Christian Education; 3) Retreats; 4) Counseling; and 5) Lay and Ministerial Recruitment.

The Orangeburg Wesley Foundation sponsors and co-sponsors the following worship experience: 1) Mid-Week Prayer Services; 2) Vesper Services; and 3) Religious Emphasis Week. An average of one-hundred fifty (150) students, faculty, and staff participate in Power Hour and Hour of Challenge Services. Vesper Services are held monthly. An average of three hundred forty-one persons share in this experience. Religious Emphasis Week is our Annual Revival Services. The 1984 services were well attended. The average attendance was four hundred and four (404). The good news of Religious Emphasis Week was that forty-three (43) students renewed their faith and fourteen (14) students were converted.

Forty-two (42) students participated in our Annual Retreat at South Carolina State College, two (2) students attended Young Christian for Global Justice Conference in Chicago, Illinois and one (1) student attended a Peace and Justice Conference in New York sponsored by the General Board of Church and Society.

A variety of counseling services is provided by the Director and other volunteers. The Foundation provided counseling in the following areas: 1) Career Counseling; 2) Drug and Alcohol Abuse; 3) Loneliness; 4) Sexual Abuse and Harassment; 5) Money Management; 6) Family Crisis; 7) Peer Pressure; and 8) Religious Indoctrination, etc.

Several Bible Study groups were conducted during the year. The areas of interest were Christian stewardship, conversion, and the life of Paul. A special study was developed for persons interested in the ordained ministry and a study for persons interested in other areas of ministry.

The Foundation also sponsored United Methodist Student Day on September 29, 1984 at Claflin College and South Carolina State College. A total of one hundred ninety (190) youth and twenty five (25) adult leaders attended.

Finally, the Foundation conducted a letter writing campaign in support of additional funds for Ethiopian Relief and development of African countries. We also contributed five hundred twenty-five (\$525.00) dollars to Bishop Clark's Ethiopian Relief Fund.

#### WINTHROP WESLEY FOUNDATION

**Purpose Statement:** The Winthrop Wesley Foundation seeks to bring a larger vision of the world and a renewed hope that is based on the Resurrection Faith to the fragmented communities of Winthrop College and Rock Hill metropolitan area. Our ecumenical ministry seeks to make visible a united faith community which grapples with the serious personal and social problems of our age. We are the visible presence of the Church on campus whose ministry functions fall within the following categories: educational, nurture, prophetic, and priestly.

#### 1984 Ministry Accomplishments:

- Tuesday evenings of each week is the time when we gather our community for supper (prepared and served by local churches) and varied programs that deal with social justice issues, interpersonal relationships, spiritual growth, and worship.
- Had two Bible Study groups (one each semester) one dealing with the Old Testament and the other with the New Testament.
- Provided four retreats during the year.
- Two faculty staff picnics.
- Have a monthly gathering of international students for meal and program.
- Freshmen Orientation: Send letters to all UMC students. Involved in three college orientation programs including leadership for simulation game, "Freshmen Year."
- Student group that meets weekly to discuss, plan for action, and pray about hunger issues that are related to Bread For The World.
- We continue to sponsor three events that involve students, faculty staff, and community people in relieving hunger: 1. Annual Thanksgiving Fast for Oxfam - 1750 students gave up a meal and raised \$1508. 2. CROP Walk Festival of Life - 491 persons walked and raised \$11,450. 3. Rock Hill Hunger Run - 264 runners raised \$1524.

In addition to these, we continue to meet problems of the Winthrop community by personal counseling sessions, recreational activities, involvement in student government and program planning.

#### THE CITADEL WESLEY FOUNDATION

The Citadel Wesley Foundation meets weekly for study and prayer. In addition, the members participate in a retreat and other special activities with students from other local campuses. The campus minister assists with planning these meetings and activities and shares program responsibilities with the students.

The organization sponsors fund-raising events, such as car wash, and bake sale, to support special activities in the area.

The campus minister is available for counseling and works with cadets on matters of personal faith, problems with girlfriends, career goals and campus life.

Monthly meetings are held by the Chaplain to the Corps for all campus ministers and the group provides guidance to the Chaplain and administration in matters relating to religious life and moral values.

The campus minister serves as guest preacher for Sunday morning services upon invitation from the Chaplain.

Cadet studies at regular Wesley Foundation meetings for the 1984-85 school year have included Methodist heritage, major religions, and methods of Bible study. The Fall retreat then was: "The Christian In An Alien Society."

#### COLLEGE OF CHARLESTON

#### VISIONS

This year has been my first full year in Campus Ministry. I endeavored to formulate a practical visionary goal for my work within the strictures of limited time and resources. My vision has been an effort

## MINISTRY

to uplift the presence of the United Methodist Ministry as a viable and contemporary witness on the Campus and Community. I feel good in the fact that this has been done in an effective manner. I have aligned my ministry in a practical coalition with the executive committee of the Student Union of Minority Affairs at the College of Charleston. This relationship has enabled me to be involved in the developing of a program of events that would cover the broad spectrum of student life with a necessary focus on the minority student experience. I have sought to minister to the young Black males as a crucial area of vital concern. My base for this encounter has been the college gym. This has been the focal point for dialogue, fellowship and complementary interaction. The end result has been a gradual flow in church attendance (Old Bethel) by these young men. For me, this area is a life-time ministry and mission to this troubled sector of the American community.

## REFLECTIONS

One does not learn how to work effectively on the Campus in one year. However I feel that "good seeds" have been planted in "good soil" with the hope that the harvest will be plentiful and abounding in my work. The Charleston Campus Ministry has sought to understand my work and I feel now that they are supportive.

Frank Portee, III

## FURMAN WESLEY FOUNDATION

Working approximately twenty to twenty-five hours per week with the students connected with the Wesley Foundation on the Furman campus, I have been actively engaged in Christian ministry in the midst of higher education to and with a core of about forty students.

I have tried to be a pastor in a variety of crises (threat of suicide, illness, financial loss, wreck victim, relational struggles, etc.) It has been my intention to involve the students in service projects. Wesley Foundation has an effective ministry at Oakmont Nursing Home and Carolina Retirement Center in Greenville. Some time and effort has been given to working with Greenville United Ministries. Desiring to aid and support students on their spiritual journey, I have provided opportunities for prayer, Bible study and sharing. The focus on ministry at Wesley has been to assist persons in the academic setting to discover and fulfill their faith in Jesus Christ.

Wesley Foundation meets weekly each Wednesday evening from 5:45 to 7:30 p.m. While guests are invited to speak from time to time, the students balance the program hour by taking responsibility for many of the programs.

## THE BOARD OF HEALTH AND WELFARE MINISTRIES

The Board of Health and Welfare Ministries has begun the 1984-1988 quadrennium with dedicated and caring persons, having concern for our children, families and the elderly in our local communities and in our institutions providing specialized services.

The Board has been organized into seven (7) standing committees to carry out our functions: Golden Cross, Program and Training, Facilities for the Handicapped, Long Range Needs and Planning, Nominations, Conference Homes and Retired Ministers Homes.

The Golden Cross offering this year has been used to provide six (6) nursing scholarships, emergency medical aid, and upkeep and insurance for the retired ministers' homes. Requests for emergency medical aid exceeded the current offering, requiring the use of reserves to meet the need. We solicit your continued support for Golden Cross offering and we request that you consider increasing contributions.

In regard to the homes for retired ministers, the home at North Augusta is being sold and the proceeds will be used to help defray the cost of retirement apartments at the Greenwood and Orangeburg Methodist homes. As other homes become vacant and there are no requests for their use, they will be sold and the proceeds used by the Homes for apartments for retired ministers, their spouses or missionaries.

We continue to affirm a strong and positive relationship with our Methodist Homes in Orangeburg and Greenwood, the Epworth Children's Home in Columbia and the Board of Trust of the United Methodist Manor of the Pee Dee. We commend the leadership provided by the Reverend Ernest Heape, Dr. Ted Morton, Jr., Mr. Charles Hutchins, and the Reverend Robert Faulkner at their respective homes. Appreciation is

also expressed to the lay and clergy persons who serve faithfully on the various Boards. The Nominations Committee of our Board has nominated persons to serve on these Boards and we have made every effort to select qualified candidates with high standards.

Programs of this Board during the year included the publication and distribution of *Caring*, a newsletter to the local church Health and Welfare representatives, the Cabinet and other United Methodist leaders in the Conference.

Another successful program was the retirement seminar for local church pastors, "Attitudes Toward Aging and the Church," held at Epworth Children's home on October 11, 1984. Plans are underway to repeat this seminar in at least three locations in the near future.

Another program activity this year will be our Board working jointly with the local church and/or district Health and Welfare Ministries representatives to collect data relevant to the needs of the aged. A primary goal will be to determine the role of the Conference in providing institutional care and in supporting local churches in programs which provide alternatives to institutional care.

These are challenging times and many demands are made on our time, talents and resources. We urge you to support the work of our Homes, Golden Cross, our Board's designated programs and our Board members as we offer Christian care and concern through our Church.

Dr. Ann B. Warner, Chairperson

## EPWORTH CHILDREN'S HOME

Someone has said that a community can be judged by the way it treats its children. This could also be said of the church. Epworth and its programs reflect the desire of South Carolina United Methodists to provide in a Christian manner...child care, counseling and related services to families and children in the State of South Carolina. Although the needs of children and families are changing, the need for the church to be involved and responsible remains constant.

The problems we face daily are complex compared to the early days when children were left destitute by the death of their parents. In today's world, many children are abused, neglected, abandoned, confused, anxiety-ridden, frustrated and without hope. Over 13,000 child abuse cases were investigated in South Carolina last year. This affects almost every family in some way. This Annual Conference in 1982 recognized the growing problem of child abuse. Epworth has developed services to take abused children or children who may be physically or emotionally "at risk" into immediate care and to help them and their families deal with their problems.

Divorce and family breakdown, parents in conflict with their children and children in conflict with their parents are problems with cross economic, social, racial and religious lines. Epworth, through 12 different services, can reach out to these children and families and offer them hope. We can be the agent for healing to help them put their lives together again.

This has been one of our finest years. During 1984, 335 children were served through direct services (24-hour residential group care, foster family care and students in higher education). Another 301 children were assisted through the outreach programs (family counseling, referral services, short-term crisis intervention, after-placement care, adoption planning for older children, and services to mentally retarded and handicapped persons). More than 1,000 families were assisted by the ministry of Epworth during 1984. These services were provided without regard to race, religion or national origin.

Five students graduated from high school and three received college degrees (one from Columbia College and two from the University of South Carolina).

We continue to improve the effectiveness of the campus educational program and the relationship to the public schools. This year has been one of our most successful school years.

The Epworth Memorial Church provides Christian nurture to our students and creates an opportunity for all to participate in worship services in a meaningful way as worshipers, ushers, acolytes and choir members.

Since 1975, when the Annual Conference requested that Epworth provide services to mentally retarded persons, we have continually sought ways to serve this special population. The Parent Infant Education Program at College Place United Methodist Church provides needed services to pre-school aged mentally and physically handicapped children and serves as a model for developing similar programs in other communities. The two

week-long summer camping experiences for mentally retarded persons at Epworth Pines have met with tremendous success. Conferences, seminars and workshops are offered to help families and professionals cope with the many needs of these special persons.

Free-will offerings from the United Methodist Churches totalled \$491,894.01, a 168% increase over 1983, or 32% of our operating budget. We are most grateful for this fine support. We depend on these offerings to keep pace with the growing requests from churches and others for Epworth's services. We continue to be committed to providing as much service as our constituency is willing to fund. Bishop J. Owen Smith once said, "Dollars into the lives of growing children constitute a permanent investment, not a gift."

We welcome the many visitors who come to the Epworth campus each year. We especially encourage church groups to tour our campus. Each year the Methodist Basketball Tournament is held jointly at the Williams-Brice Activities Center on the Epworth campus and at Shandon UMC. This gives an opportunity for many Methodists to see the Epworth facilities who do not come at other times.

Sadness came to us during the year in the death of our beloved friend, Dr. Allan R. Broome, who served Epworth faithfully as pastor, Assistant Superintendent, Trustee, and for 25 years as Executive Director before his retirement in 1977. It was appropriate that his funeral service was held at the Epworth Memorial United Methodist Church. His wise counsel and skillful administration have left an eternal mark on the history of this institution. He is greatly missed by all of us.

Epworth's effective ministry is due in large part to the capable and dedicated work of an outstanding Board of Trustees who work together for excellence in program with a sense of challenge and direction for the future.

God has called us into service on behalf of children and families hurt. John Wesley once said, "It remains...for the church to act-to manifest its love toward Christ by its efforts to relieve the suffering of those who are without food and shelter, who stagger under the burden of...catastrophe." The suffering continues even to this day, and the church, through Epworth, continues to act to relieve the burdens. Thank you for what you continue to do in supporting the Epworth ministry.

Charles A. Hutchins,  
Executive Director

### GREENWOOD METHODIST HOME

We are pleased to provide this seventeenth annual report on the life and service of Greenwood Methodist Home for the 1985 Annual Session of the South Carolina Conference and for the United Methodist congregations across the State who help to undergird this special ministry to the aging.

As in previous years, our first word must be one of **appreciation**. During 1984, Local Churches across the Conference provided approximately \$125,000 for the Greenwood Methodist Home Support Fund. This increase over the previous year's Support Fund contributions (\$116,000) is a clear affirmation of a growing awareness in the Local Church of the special needs of older persons. We are most grateful for this generous support which makes it possible for this Home to be truly a caring and charitable ministry of South Carolina United Methodism. We expend the Support Fund dollars to provide for those persons who cannot pay the full cost of their care, yet who are unable to qualify for assistance programs like Medicaid. In addition, Support Fund contributions help to narrow the gap between the reimbursement provided by Medicaid and the true cost of providing the care required by our Medicaid-eligible patients.

In the area of admissions, 1984 proved to be typical of the experience in the previous year: new admissions for our 102 beds numbered 24, and as openings developed on our "Waiting List," we added the names of those seeking admission. While the majority of those admitted come from the upper, western portion of South Carolina, we continue to admit some people from every section of the State.

During the year we were saddened by the death of a number of our Nursing Center patients, but celebrated with thanksgiving their length of years when we gathered once each calendar quarter in the Nursing Center Chapel for a Memorial Service. This service is well attended by Nursing Center residents and by family and friends of those memorialized.

Our "Aldersgate Court" family was touched by death in the loss of Mrs. Ruth Bowen, following a brave fight against cancer. Mrs. Bowen, mother of Dr. Ann B. Warner, Chairperson of the Conference Board of Health and Welfare Ministries, became a resident of "Aldersgate Court" when it opened in the summer of 1979. Mr. Bowen continues to make his home in "Aldersgate Court," where he celebrated his 92 birthday this past March.

The census in "Aldersgate Court" continued at fourteen persons since one of the residents previously widowed by the death of his spouse re-married.

Good progress was made through 1984 and into 1985 on the construction of our second group of garden apartments, "Bristol Court." As of the time of the writing of this report all of the apartments in "Bristol Court" have been sold except for five (5) of the one-bedroom units. We anticipate that all of the apartments will be sold by the time the building is completed in June, 1985. The addition of the eighteen (18) units in "Bristol Court" will give us a total of thirty (30) apartments for independent living. Our census in independent living will pass forty (40).

During the Fall two other significant events took place with respect to our development of facilities for independent living. First, work was completed on a project that has converted an old store building into a two-bedroom cottage. Our part-time Chaplain, the Reverend Edwin Clippard, now resides in this dwelling which has served various functions in the life of the Home, beginning with service as an office, and, later, as a storage facility. The second event was the acquisition of an 11.5 acre tract of land adjacent to the Home's property. This purchase gave the Home a valuable location for cottages and duplex apartments, and already has on it two (2) duplex structures (4 apartments) as well as all of the roads and the utilities required to serve future dwellings to be located on the remaining twenty-two (22) lots in what developers had begun as a "planned unit development." A generous Grant from the Abney Foundation made this addition possible. The Home is seeking individuals and couples who have an interest in building cottages and duplex apartments.

In the area of planning, the Board of Trustees took a significant step in the creation of a Resource and Development Planning Committee. Under the leadership of A. Pierce Stockman, the Committee will serve the Board by helping to chart a course to future services and facilities. Greenwood Methodist Home faces a major challenge in developing plans and securing the funds for the construction of a Housing and Activities Center. Long an idea in the "Master Plan," this facility is needed to provide housing and support services for those persons who do not require nursing care (the mission of the Nursing Center) and who cannot or do not wish to reside in a more independent setting (the mission of the "Heritage Hills" apartments, cottages and duplexes.)

When the Home was begun in 1967 by action of the South Carolina Conference, one of the first actions taken by the Conference Board of Health and Welfare Ministries was the appointment of a Building Committee. A Board of Trustees was not brought into being until about two years later. That Building Committee undertook to design and build the present Nursing Center; although the vision was clear, it was not clearly seen how it could all be financed. Four (4) years later, in the Spring of 1971, the Nursing Center was completed, placed in service, and there was no capital indebtedness! Pierce Stockman's father, Abner P. Stockman, served as a member of that Nursing Center Building Committee. We are confident that "history" will soon repeat itself in our new Resource and Development Planning Committee!

Let us conclude by asking that you continue to support the Home with your gifts, undergird it with your prayers, visit it when you have opportunity, and continue to make referrals when its services are needed. We pledge to you our best effort at being good stewards of your gifts, reciprocating with our prayers for you, being good hosts when you come to visit and being as responsive to need as time and resources will allow.

Ted R. Morton, Jr., Executive Director

### THE METHODIST HOME, ORANGEBURG

On January 6, 1984 The Methodist Home celebrated her 30th birthday with a birthday cake and all the trimmings for our residents. The Home is indebted to United Methodism in South Carolina for the nurturing and loving support she has received since her

birth in 1954. Beginning in temporary structures of a World War II Air Base, the Home has grown to maturity and a comparatively new complex of buildings.

Our physical plant is modern, attractively furnished and a source of pride to all who are associated with it. While our book value is only about \$6,000,000 replacement costs would go many times that amount. Residents care is maintained by well trained professional staff on a 24 hour a day basis. The Methodist Home is a member of state and national organizations through which the latest trends in health care field are channeled. This relationship also enables us to know that services rendered by the Home are second to none and at a cost well below most other facilities.

The Methodist Home's annual operating budget is beyond three and a half million dollars. Fortunately, we do not have any outstanding indebtedness beyond a bond issue which matures in July of 1985. Funds are already on hand to pay these on their date of maturity.

A new residential building and an inventory control building will be completed in early 1985. These will make possible an increase of about 20 rooms. Also, it will make possible the demolition of the last vestiges of temporary wartime structures which mar our beautiful campus.

We are more than pleased that The Methodist Home received some \$34,000 more from line item support in 1984 than the previous year. Every penny of such support is used in providing financial assistance to residents who do not have the means for full fees. The demand for assistance is still far greater than the amount provided. 68 persons are presently dependent of from partial to full support. Hopefully, the Conference will continue to increase its giving so that we can be more responsive to indigent applicants.

Capital expenditures for building and updating are being provided for through wills and bequests. No resident fees are used for expansion or improvements.

The Methodist Home purchased its own telephone system from AT&T and is realizing a considerable financial savings. 1984 also brought us on line with a computerized energy conservation system which provided greater comfort and more than 20% reduction in energy costs. Our food services are now being managed by a division of S&S Cafeterias. This has brought better management and improved efficiency at no increase in costs.

The Methodist Home is proud of its thirty years of service and is in a better position than ever to meet the challenges presented by a growing number of older adults.

Ernest M. Heape, Executive Director

#### PEE DEE METHODIST MANOR

In 1983 the Annual Conference approved a resolution to establish Methodist Retirement Center in the Pee Dee, and elected trustees to proceed with the project. Mr. and Mrs. Robert P. Hamer of Florence have given 75 acres of land as a site. The property is located just off US-76 near I-95. To date we have accumulated in excess of \$400,000 in gifts and pledges.

A market analysis done for us last Spring indicated an immediate need of 110 units in a common compound and 40 detached or semi-detached cottages or patio houses. The study further indicated that if we could build rapidly enough we could reach our maximum capacity of 450 residents within three years. The need is obvious. At present we have 227 persons who have indicated interest in residency.

The architectural firm of James, DuRant, Matthews & Shelley of Sumter has been retained. Renderings and a model have been completed. A cost analysis is underway at this writing and should be available to our Trustees by the end of the month. It appears that the initial phase will cost around 10 million dollars. We hope the Conference will support the common compound with a Capital Funds Campaign as recommended by the Conference Board of Health and Welfare Ministries. Cost of the area occupied by residents will be borne by the residents themselves.

The Methodist Foundation has agreed that we should become a part of the Foundation and our trustees will take action on this matter at its March meeting. The encouragement we have received from the Foundation as well as the Orangeburg and Greenwood Homes has been gratifying.

Plans to employ an Administrator have been postponed until dates for construction have been established, hopefully early in 1986.

Interest in this project remains constant in the Pee Dee and expectations are high that the Annual Conference will support our efforts.

Robert C. Faulkner,  
President, Board of Trustees

#### ASBURY HILLS UNITED METHODIST CAMP

The Camp's isolation and insulation from everyday distractions makes it an ideal site for many organizations across the Conference to engage in spiritual growth retreats aimed at understanding, affirming, and living out our Methodist Heritage. The same properties make the Camp an excellent location for a variety of training-oriented meetings. The Camp has been used for these purposes countless times since its original founding in the late '50s. In 1984, the Camp served 50 client groups totaling 1680 persons for various sorts of retreat objectives. We regret that the facilities limit the number of groups that can be accommodated. We are working toward improved facilities for adult groups for all seasons of the year.

Although the Goals the CCOM has adopted for this year seem principally addressed to adults, the Camp (as a natural setting) provides an effective location for extending many of the Quadrennial Objectives into the child's sphere of learning activity. The Camp has for many years provided Christian growth experiences for children. One of the continuing objectives of the Summer Camp program is to increasingly involve and include ethnic minority children and youth in the program. In 1984, the camp served 752 children youth in Summer Camp and 55 in the "Kiononia" family camp. The summer program included 20 ethnic minority campers, an increase of 100% over 1983.

It is the intention of the Board that in using a theme each year, we will be better able to assist campers and members of the South Carolina Conference to understand our goals in ministry for a particular year. In 1984 our theme was "Lord Teach Us to Pray" Luke 11:1. Campers attending Asbury Hills had an opportunity to grow in their understanding of what prayer is and also to increase their practice of prayer. Daily study included areas in: What is prayer....How do we pray....Why pray....Are our prayers answered?...What to pray for.

The increasing age of our facility shows in the increased amount of maintenance necessary to maintain a satisfactory Camp and Retreat Center. Major items of repair, replacement or upgrading in 1984 included: replacement of one deep well submersible pump, conversion of the chlorination system at the pool from gas to chlorine sticks, complete painting of the interior of the central bath house, filling, grading and re-seeding of the registration parking area, and repairing the boat house and dock at the lake.

The percentage of Line-Item apportionment being paid by the churches was 64% as of the end of the 1984 Conference year. Of this amount, Asbury Hills United Methodist Camp received \$119,493.66. The Asbury Hills United Methodist Camp Board of Directors will attempt to develop and maintain an operating reserve adequate to carry operations through the annual cycle. The camp, at the present time, has one outstanding debt, a loan from the Conference Board of Trustees for \$3,600.

For some time now, demand for weekend and weekday use by adult groups has exceeded our present accommodations and has inspired a vision...a vision of a Conference and Retreat Center to accommodate adults within a new area of programming: for family life seminars; for marriage enrichment; for planning retreats; and for Conference programs. With more than adequate existing support services, this building to house year-round events will provide sleeping quarters for up to 90 guests, including special rooms for handicapped and senior citizens. As of December 31, 1984, the camp has received a total of \$204,831 in pledges and cash gifts for this vision of the future.

John R. Terry, Chairperson

#### SEWEE COASTAL RETREAT CENTER

The purpose of the Sewee Coastal Retreat Center is "to develop and maintain a retreat center as a resource for achieving the Annual Conference Objectives and Goals."

The Board of Directors closed the site to all commercial activity in the spring limiting usage to church organizations and individuals. During the year the site was used 2,406 person days, of which 15% were ethnic minority. Among the events were local church one day outings, overnight camping, the Charleston District Day Camp, family camping, church school parties, Mens Club outings, confirmation groups, and recreational events

for children and youth.

Sewee Coastal Retreat Center receives 40% of line item for camps and conferences. With that, the Board of Directors pay the salary of the resident manager, make loan payments of \$2,400.34 per month, pay utilities and insurance, and maintain the site for use by churches and individuals.

The Retreat Center is located on 42 acres of land bordering the Inter-Coastal Waterway, 25 miles north of Charleston, off Highway 17.

Reginald Thackston, Chairperson  
Board of Directors

1. Support for strong DUI Legislation.
2. Support for peace with justice.
3. Support for victims within the Criminal Justice System.
4. Support for a comprehensive understanding of the death penalty.
5. Support against state sponsored lottery.
6. Support in raising the consciousness of nuclear power, its waste and proliferation.
7. Support for the cross-racial dialogue.

A. Clark Jenkins, Chairperson

WHEREAS, there appears to be a link between stricter sentencing laws for DUI offenders and decreased accidents on the highways due to alcohol and drugs, and,

WHEREAS, the South Carolina General Assembly has responded to this serious problem by passing new laws providing for stricter penalties and additional sentencing alternatives for the DUI offender;

NOW THEREFORE BE IT RESOLVED by the South Carolina Conference of the United Methodist Church that the General Assembly of South Carolina be and is hereby commended for its effort on behalf of all citizens in strengthening the DUI laws of this state.

### RELIGIOUS STATEMENTS ON CENTRAL AMERICA

**The American Baptist Church** (June 1984):

"We strongly urge our nation to lend its strength and prestige to the rejection of a military approach, in favor of a policy of negotiation and empowerment to deal with the roots of the problems. In so doing, we would urge the following:

that the U.S.A. cooperate with the Central American nations seeking such negotiations...

that the U.S.A. emphasize a policy of assistance in relief, economic development and reconstruction, eliminating covert and overt CIA activities against Nicaragua, reducing the threat of invasion through massive military presence in Honduras, and ending the program of excessive military aid to El Salvador."

**American Lutheran Church** (June 1983):

"The Church Council ask the government of the United States to:

Support resolution of conflicts in Central America through non-military means,

including negotiations and increased commitment to economic justice and protection of human rights:

Increase its economic aid to governments of the region whose human rights performance record is acceptable;

Suspend both covert and overt actions seeking to destabilize the government of Nicaragua and move toward normalization of relations with Nicaragua."

**The General Assembly of the Presbyterian Church (U.S.A.)** 1984:

"Calls upon the U.S. government to begin immediately a serious 'peace initiative' which will express the power of the U.S. through diplomatic rather than military activity.

Calls upon the U.S. government to exert every effort to see that the leaders and perpetrators of activity by official, uniformed personnel and death squads in El Salvador are exposed, prosecuted, and punished, in accordance with human rights legislation.

Calls upon the U.S. government to refuse any further aid to El Salvador."

**The Bishops of The United Methodist Church** (January 1985):

"We will urge the Council of Bishops to call upon the president of the United States and the Congress to reconsider the recent withdrawal from the Mansanilla talks in Mexico and to become involved again as soon as possible in dialogue with Nicaragua, seeking a negotiated non-violent settlement of the issues of conflict that threaten peace between the two countries

We will call upon the council to increase efforts to persuade the president of the United States and the Congress to give U.S. support to Contradista peace initiatives and proposals.

Our talks with many people from all walks of life and from many locations in Nicaragua have convinced us that we must protest any U.S. support of 'contra' activity, which is now bringing torture, terror and death to many innocent civilians."

### HUMAN RIGHTS IN CENTRAL AMERICA

#### El Salvador

Since 1979, the Salvadoran armed forces and paramilitary forces allied to them have murdered more than 39,000 civilian non-combatants. In the same period over 2700 persons have disappeared after abduction by these same forces.

As of June 1984, there were more than 500 political prisoners, most of whom reported having been tortured and, for women, raped as well. Two newspapers critical of the government were forced to close in 1980 and 1981. More than 20 journalists have been killed since 1979, most in non-combat situations. Many priests, nuns, and catechists have been killed including Archbishop Romero and four US churchwomen.

"The system of justice is of no value in dealing with human rights abuses." In only two cases have any military or paramilitary force members been criminally punished for human rights violations.

Violent acts against non-combatants are also carried out by the opposition guerilla forces. In the first four months of 1984, the Archdiocese of San Salvador recorded 25 murders by the guerillas.

Due to the civil war there are approximately 500,000 internally displaced persons and another 750,000 have fled the country since 1979.

#### Guatemala

Over the past five years, tens of thousands of civilian non-combatants have been killed by government forces. Exact numbers are impossible to calculate because no human rights organization is able to operate in the country. The numbers of disappeared persons and political prisoners is also alarming, but no exact figures are known. Torture is frequent for prisoners.

Formal press censorship was relaxed in 1983, but the press still practices self censorship. (For example, newspapers refer to violence by "heavy armed men in trucks" rather than government forces.) Priests, nuns, and catechists have been tortured, disappeared and murdered. Between 1978 and 1982, thirteen priests of various nationalities were killed by "unknowns". There is no instance of criminal punishment of any official or member of the armed forces for any human rights violation.

A number of prominent persons have been kidnapped by opposition guerilla forces, and there are also reports of killings by the guerillas.

About 150,000 Guatemalans are refugees in Mexico.

## Honduras

In 1983, human rights groups reported 24 persons murdered. Since 1980, over 109 persons have disappeared and never been found after being arrested by security forces. There have been 146 cases of torture in the same time period.

The press is fairly free although journalists have been attacked for covering controversial subjects. On occasion, church workers have been abducted by security forces and at least one has been murdered. No personnel in the armed forces has ever been convicted for human rights violations.

## Nicaragua

Most of the human rights violations in Nicaragua have been against the Miskito Indians on the east coast of the country. Seventy Miskitos who disappeared between July and September 1982, in the midst of hostilities by the "contras", have never been found.

Under the state of emergency due to the "covert war" against Nicaragua, the government is allowed to arrest persons on security grounds and hold them for indefinite periods of time. Nevertheless, the Supreme Court has affirmed the effectiveness of **habeas corpus** during the emergency. Several hundred persons have been detained, but all were charged or released after several weeks.

Newspapers are subject to prior censorship, although some private radio newscasts that generally oppose the government have been allowed to resume their activities. There is complete freedom to worship, and no religious personnel have been harmed by government forces. There is a marked increase in civil liberties since 1979 when the Somoza regime fell. On December 1, 1983, the government issued a general amnesty for Miskitos involved in security offenses in the war. As a result 307 Miskitos under prosecution or convicted were released. The judiciary operates independently and fairly effectively with expanded powers. In a governmental attempt to eliminate abuses, forty-four security agents and civilian government employees have been prosecuted and sentenced for human rights abuses against civilians in the war-torn areas of the country.

Opposition guerilla forces (the "contras" supported by the Reagan administration) have tortured and murdered numerous civilians including religious, medical, and school personnel. There are many displaced persons in the country due to the war.

Source: Americas Watch, *Human Rights in Central America*, June 1984. Americas Watch is an independent organization founded in 1981 to monitor human rights violations in Central America and the Caribbean. Its partner organization, Helsinki Watch, monitors human rights in East Europe and the USSR.

## CENTRAL AMERICA

In the face of growing human rights violations and escalating tensions in Central America, the church has sought to find ways to support peace.

Through prayers, visitations, appeals to their government and other forms of witness, many Christians in Central America and the United States, including United Methodist bishops and representatives from the Board of Global Ministries, have tried to help find political rather than military solutions to the conflict in Central America. Despite these efforts, which for some have often placed themselves and their families in great danger, the situation has continued to show little sign of improvement. Indeed, the response of the U.S. government repeatedly has been to seek military solutions through aid, equipment, and advisors. The number of civilian deaths, refugees, and the violations of human rights has continued to rise.

To show continued concern for peace and justice in Central America, the South Carolina Annual Conference resolves to:

- Call for a withdrawal of all foreign military intervention in Central America;
- Call for U.S. support for peace initiatives taken by Latin American governments;
- Requests that Congress make any future economic aid to any country in the area contingent on improvements in human rights as documented by Amnesty International, the U.N. Commission on Human Rights, and or Americas Watch;

That the only path to peace in this world is through Jesus Christ.  
Send someone to the area with a group to learn more about the role of the church in Central America and to witness our desire for peace and justice there. This

person would be sponsored by voluntary contributions by interested churches and persons;

Recommend that each local church take advantage of opportunities to study and learn more about the complex issues of Central America and its people.

## SOUTH AFRICA

Apartheid is the system of racial segregation and domination in South Africa. The white people, who make up 16% of the population, control and benefit from this system whereas Africans, 72% of the population, are denied basic social, economic and political rights, even the right of citizenship in the land of their birth.

The conflict over apartheid policies in South Africa is escalating. This is demonstrated by the increasing levels of black resistance, rioting as a result of government forced removal of people from their land, government detention of black opposition leaders, and failure to make fundamental changes in the system.

At the same time U.S. support of the South African government grows. Businesses of our country have increased their investments in South Africa. Under the U.S. policy of constructive engagement, the South African government has been undeterred from destabilizing its neighbors and continuing its war in Namibia, and has been given access to unprecedented amounts of technology previously denied because of its potential military use (from \$19 million in the period 1950-1980 to \$28 million in 1981-1983 in terms of the value of the technology).

Many churches have been at the forefront of the anti-apartheid movement. Most recently in the U.S. many church leaders have participated in the Free South Africa Movement, demonstrations and acts of civil disobedience, at the South Africa embassy, to demand the freedom of political prisoners in South Africa.

We of the South Carolina Annual Conference resolve to:

- Pray for and support the persons, churches, movements and institutions of Namibia and South Africa which take courageous stands against apartheid;
- Pray for and support South African and Namibian political prisoners and their families and all those oppressed by the system of apartheid;
- Support church leaders and others involved in the Free South Africa movement;
- Encourage churches and members to examine their economic links to apartheid through their banking and investment practices;
- Pray for and understand all of the people of South Africa.

## THE BOARD OF EDUCATION

The Conference Board of Education is charged with the responsibility of helping nurture persons and develop leadership through the local church program of Christian Education. We are responsible for all persons, children, youth and adults in churches of all sizes throughout South Carolina.

Major ways of nurture at the local level come through the Sunday morning Church School and additional activities such as Vacation Church School, Bible study groups and Fellowship groups for all ages. In order for persons to be effective as teachers and leaders, they need to participate in enrichment and training opportunities which stimulate their individual development of techniques and effective use of resources.

In recognition of this fact, a Conference Wide Sunday School Growth and Renewal Workshop was held in February at Washington Street UMC, Columbia, conducted by trained leaders provided by the Board of Discipline. The Board of Education provided a total of 60 scholarships to persons from each district.

Two Conference-Wide Events were held to train leaders for Christian Worker's School Leadership. A total of 60 participants attended.

Nineteen (19) Christian Workers Schools were held in cluster settings providing training in teaching skills at the local level.

On the local level, Christian Education Consultant Training was updated and consultants were assigned to churches that made requests for their services.

In addition to these schools and events, "Choosing and Using Workshops" designed to help teachers and leaders see all curriculum resources available and learn how to choose ones right for their situation were held. A Conference-wide training event was held with twenty-six participants in attendance. Charleston District held a training event in late October.

A Young Adult Drug and Alcohol Education Weekend was held September 13-15, 1984 at St. Johns United Methodist Church in Rock Hill with positive results.

In order to have well trained leadership for staffing Christian Workers' Schools, Lab Schools and Workshops, a big emphasis has been placed on recruiting, training and certifying teachers. Twenty-three (23) scholarships were provided for participants to attend Leader Development Center lab training at Lake Junaluska. An additional eighteen (18) scholarships to the Adult Human Sexuality Education Forum.

Working to develop Christian Education in the E.M.L.C. continues to be a major thrust during the year. The Board of Education provided eighteen (18) scholarships for participants to attend the Bishop's Convocation Phase One EMLC Education Associates Training, paid registration travel for twelve (12) participants to attend workshop Phase Two EMLC Educational Associates Training and paid expenses for nineteen (19) participants to attend workshop Phase Three EMLC Educational Associates Training. Six teams were assigned to work with six (6) EMLC charges in Conference consisting of fifteen (15) churches.

The first Conference Wide Older Adult Assembly was held at College Place United Methodist Church in May of 1984 with eighty-seven older adults in attendance and was well received.

Single Adult Ministries continued this year with two (2) Conference Wide Retreats being held.

We feel 1984 was a very productive year for the Board of Education and that the training and nurture that took place will be beneficial in the future.

### THE BOARD OF MISSIONS

The South Carolina Conference Board of Missions seeks to interpret the programs, plans and policies of the General Board of Global Ministries to districts and local churches through education and cultivation. The Board sees itself as the mission arm of the Conference and is sensitive to the needs of persons both at home and abroad. We will continue to assist districts and local churches in finding ways to reach out to others through Special Days, specialized ministries, programs and one line item. The Board receives and certifies applications to the General Board of Global Ministries for loans donations and grants and administers such funds in accordance with the purposes and guidelines of the General Board. In cooperation with the Cabinet, CCOM, and other appropriate agencies it seeks to identify and bring into being new congregations while at the same time encouraging and enabling the revitalization of old ones.

### SPARTANBURG METHODIST COLLEGE

The 1984-85 academic year is one of the most productive years of Spartanburg Methodist College in its history. Its educational programs are helping the people of South Carolina, many of whom are caught up in immense social and economic changes. This report describes the college's record of service by enrollment patterns, expanding programs, and its financial and human resources.

SMC now serves more students than other two-year colleges in the United Methodist Church, and is one of the largest independent two-year colleges in the nation. In the 1984 Fall Semester, the college served the following enrollment:

College Degree Students:	
Dormitory Students	500
Commuting Students	505
Total Degree Students	<hr/> 1,005
Job Training Students	102
Total Enrollment	<hr/> 1,107

The students in the college degree classes are earning two basic types of degrees. In the Liberal Arts program, which provides students the first two years of college classes for transfer to a four-year degree program in the arts and sciences, SMC has 646 students enrolled. In the career programs, including Criminal Justice, Office Management, Computer Science, Retail Merchandising, and Supervisory Management, 359 students are enrolled. The excellent strength of these programs was shown last year when 82% of the SMC graduates transferred to a senior college for baccalaureate degree studies. Also, while serving these students, the college saved the taxpayers of South Carolina \$2,400,000 in tax subsidies which would have been required to serve them in a public college.

All church-related colleges face a challenging future. SMC approaches this challenge with the certainty that excellence in higher education can be provided at an affordable cost to students. This means boldly competing with the costs at public colleges. The church college also has the enrichment provided by the spiritual dimension and the foundation for life in values.

The job training program, the college's new way to help unemployed people caught up in the changing social and economic patterns, enables 100 students to study in six-month training programs in Word Processing, Private Security, Basic Skills, Nurses Aid, or Food Service. Of these students, 94% were employed at the end of their training. This compared with a 57% employment record for the entire nation in such programs.

The college's academic capacity increased drastically in 1984. The 1984-85 budget of the college increased 16% to \$5,019,342 to support these programs. This increase also points specifically to the newly developed capacity of the college to help persons through education.

In the last year SMC made another bold move. This move returns to our heritage as a pioneer in a work-study combination for students. A new office of Job Placement and Cooperative Education is helping manage the 82% of our present students who work as a part of their personal schedules and also developing new potential for students to cause more academic and financial growth in the work place while an SMC student.

The Support Fund contributed by local churches helps the college achieve the special church mission. By giving to this fund, United Methodists help persons through education. The 1984 support from local churches of \$259,617 enable the college to offer educational opportunity to special types of students who needed help. All funds from churches are used in missional ways and don't merely support the general budget.

In 1984, the support of local churches provided college classes for prisoners at the Dutchman and Cross Anchor Correctional Institutions, acquired special learning resources needed by deprived persons, and provided financial aid to needy students. United Methodists enabled their college to serve the 31% of our students who come from families with annual income of less than \$9,900.

Some contributions from local churches are returned to United Methodist students in scholarships. These scholarships range from merit awards in academics and leadership to need-based help. The percentage of United Methodists among the traditional college students has a slight rise to 30% in 1984. In the future the college hopes to increase its share of United Methodists to 35%.

In 1984, only 65% of the apportionments for the SMC Support Fund to local churches was contributed by local churches. While grateful for the opportunity of providing missional ministries with this level of support, each church should understand that any response less than 100% weakens the ministry to persons who need the services of SMC.

In 1984, the college has finished the first year of a \$3,000,000 Capital Campaign to raise \$1,000,000 for building renovations and \$2,000,000 for endowment. Friends have already responded with \$1,200,000 in support.

This campaign is not channelled through the Conference and local church, but the college still hopes that United Methodist persons will help establish an endowed scholarship for each county in South Carolina. Since SMC students come from every county, these endowed scholarships would produce income each year to help students from all over South Carolina study at SMC in the decades ahead.

All contributions to endowment are being matched dollar for dollar by a Challenge Grant from the Federal Division of Institutional Development. A \$10,000 contribution spread over five years will establish a \$20,000 endowment for a partial scholarship, and a

\$40,000 contribution will establish a full scholarship of \$80,000. These scholarships may be established as named memorials or commemorative scholarships.

Your college is happy to provide this report on its stewardship and impact on the lives of persons. Our future partnership in mission is essential for the future as all church institutions struggle to be strong and faithful servants. We also report for future duty; never fail to call on your college if you think we can help.

George D. Fields, President

#### THE COMMITTEE ON CAREER PLANNING AND COUNSELING

The Committee on Career Planning and Counseling held its organizational meeting in July. Officers were elected; The Reverend Angelin Simmons was elected vice-chairperson; Jo Ellen Cook was elected secretary; Austin Watson was elected as representative to the Missional Priorities Steering Committee; and Pearl Thomas was elected as PEP representative. Dates were set for Fall and Spring meetings for the Quadrennium and discussion was held about the committee's role and activities for the rest of 1984. The second meeting of the committee was held on November 17 at which Angelin Simmons was elected to represent the Career Planning and Counseling Committee on the Board of Higher Education and Ministry. This meeting centered around a discussion of many different areas in which the committee could function during 1985 and 1986. Task forces were organized around eight different areas to report back at the January meeting.

Discovery Weekend for 1985 was planned and a task force was appointed to develop the brochure and make arrangements based on the requests from the churches for scheduling Discovery Weekend 1985. The chairman of the committee made a presentation to a joint meeting of the Board of Ordained Ministry Cabinet concerning new directions of the Career Planning and Counseling Committee and specifically concerning career options for ministers and recruitment of ministers. The January meeting was held on January 25 and reports from the task forces were received as well as a report from the Conference Council on Ministries Program Audit. Since the Conference Council on Ministries had suggested the committee develop a comprehensive approach to career planning and since the task forces brought back suggestions for a more comprehensive approach, the committee decided to move into six specific program areas for 1986. They are as follows: 1) continue Discovery Weekends to impact the age group of high school and entering college; 2) develop a mid-life career changers seminar and present a conference-wide one day workshop in 1986 for adults facing mid-life career changes or desiring to explore another career; 3) develop a pre-retirement planning seminar for adults facing retirement, a conference-wide, one day workshop; 4) develop a workshop on women in careers and present this workshop in conjunction with Cosrow's one day workshop on women; this workshop would be focused on effectively marketing skills in the world of work, developing resumes, and other concerns for women in their career development; 5) develop a pilot program to provide career counseling for ministers, including persons entering the ministry, persons in the ministry, and persons wishing to exit the ministry. The executive committee of the Career Planning and Counseling Committee is participating in the Bishop's Symposium on the Continuing Journey of Ministers in April, 1985 and hopes to have this program in effect for 1986; 6) A research task force on recruitment for ministry and other Christian vocations in conjunction with other interested groups in the conference. Research will be done on documenting the need for ministers, identifying and contacting other committees who have participated in the needs assessment, identifying churches in South Carolina who produce ministers, identifying ministers in South Carolina who have produced other ministers, addressing the issues of women in ministry, couples in ministry, and researching how many ministers enter the Methodist ministry from other denominations, and taking a look at funding for ministerial training.

The attempt of the Committee is to develop a comprehensive career planning and counseling program for the conference to impact persons at various ages and stages in their lives and to deal specifically with issues of recruitment and with career counseling for ministers.

## PASTORAL CARE AND COUNSELING

1984 was a year of reshaping the conference program of pastoral care and counseling. A new mission statement with quadrennial objectives and goals was adopted by the conference in June calling for "fee supplements enabling clergy to receive services from a conference approved Pastoral Counseling Service."

Since 1967 Dr. Iverson Graham has served as Conference Director of Pastoral Care and Counseling. He has provided countless hours of counseling with pastors, pastors' family members, and lay employees of the church. In addition he has given invaluable leadership in establishing Comprehensive Pastoral Counseling Services through the conference.

In 1986 these Pastoral Counseling Services will begin picking up the counseling load carried by Dr. Graham. Pastors, pastors' family members, and lay employees may go to the service they prefer and receive counseling for which they will make payment on a sliding scale appropriate to their income. The Committee on Pastoral Care and Counseling will provide a fee supplement, payable to the Pastoral Counseling Service in a manner protecting the confidentiality of the counseling relationship.

We commend Dr. Graham for his pioneering work, laying the groundwork for a strong and viable network of conference approved Counseling Services:

Trenholm Road UMC, Columbia ..... Dr. Paul Carlson, Dir.  
Trinity UMC, Greenville ..... Dr. John Miller, Dir.  
First UMC, Myrtle Beach ..... Dr. Kenneth Smith, Dir.  
109 Kent Pl., Spartanburg ..... Dr. Mitchell Kyllonen, Dir.

We continue working with Charleston leaders toward a counseling service in that district and we have extended an invitation to a counseling service in Rock Hill to be included among our approved services. A networking committee is in place to facilitate communication with and among the Counseling Services.

The Committee on Pastoral Care and Counseling shares on a steering committee named by Bishop Clark to convene an annual dialogue with the Cabinet, Board of Ordained Ministry, Board of Pensions, the Office of Ministerial Affairs, and the Committee on Career Planning and Counseling. The first such dialogue was held April 23, 1985.

## THE CONFERENCE COUNCIL ON YOUTH MINISTRY

During 1984 the Conference Council on Youth Ministry offered the following programs:

Youth Annual Conference  
Training for Adult Workers With Youth  
Youth Service Fund Month  
Area and State Basketball Tournaments

Youth Annual Conference continues to be the highlight of our year in youth ministry. Youth from all twelve districts attended the YAC session held at Columbia College July 9-13. Our largest group of youth ever was composed of 40% ethnic minority youth and 65% from small membership churches. Youth delegates elected the 1984-85 officers for the CCYM and selected Youth Service Fund projects. Workshops were held to help strengthen youth ministry at the local church level. The Theme for the 1984 week centered around the bicentennial of United Methodism.

The training for adult workers with youth was a very positive weekend for 54 participants from 10 of our 12 districts. The training event is planned to be a yearly event in August of each year. Again the emphasis was on strengthening youth ministry in the local church.

Under the leadership of Mandy Landers, Youth Service Fund Chairperson, and Jay Stevens, Project Review Chairperson, South Carolina youth are becoming involved in Youth Service Fund. CCYM designates a month each year to Youth Service Fund education and also designates a Youth Service Fund Day for all churches in South Carolina to raise money for Youth Service Fund.

Awards were given to the top ten churches contributing to Youth Service Fund in 1984. These churches were: Trinity, Honea Path; First, Lancaster; Kingstree UMC; Fair Lawn, Columbia; Washington Street, Columbia; North Charleston; Bethel, Columbia; John Wesley, Charleston; Lake City, Lyttleton Street, Camden

Our District Youth Councils are also being involved in Youth Service Fund education and having district events and fund raisers for YSF. The Conference Youth Council sponsors two projects as fund raisers for YSF: United Methodist Day at Six Flags, and a Christmas gift wrap sale.

Six youth from our conference attended the Jurisdictional Youth Conference held in April. Dendy Johnson served from S.C. on the National Youth Ministry organization.

Under the leadership of Toris Quick, Chairperson and Mikki Corley, Vice-Chairperson, CCYM is making progress in helping to strengthen youth ministry in the South Carolina Conference.

## THE COMMISSION ON RELIGION AND RACE

The time is NOW! The Commission on Religion and Race feels that just "spinning our wheels" can not keep its agenda alive.

From our recent meetings have come thoughts which penetrate our being in the work of the church. We are assured that our tasks can not be accomplished until all of us who know what it really means to be an inclusive church respond, not in mere words but through forceful, intentional actions which may even be uncomfortable and painful.

Dr. Woodie White states, "The issue of race...is still the unfinished agenda of the church." To paraphrase him, "The issue of a more inclusive church is still our unfinished agenda." We must not continue to plan against what God intended for us to be about.

Some directions this commission took in the past shall be continued:

1. To provide Continuing Journey Team Networks
2. To prepare a comprehensive report of Minority Presence on boards and
3. To offer an Idea Kit to districts for the celebration of Continuing Journey Sunday.
4. To study the impact of non-resident pastors.
5. To sponsor a Henry Evans Society.

As we lay the foundation for this society, we trust that it will typify the strength and fortitudinal leaders who are the fabric of the black heritage in South Carolina Methodism. We further hope this society will become a strong rallying group of our conference. We must keep OUR agenda alive!

Vera M. Bodison, Chairperson

## RESOLUTION by the S.C. Commission on Religion and Race

WHEREAS Dr. Martin Luther King, Jr., one of the most outstanding moral and religious leaders of this century, contributed immeasurably to the development of more just relationships between the races;

THEREFORE, be it resolved that the S.C. Conference recommends that churches in the Conference honor Dr. Martin Luther King, Jr. on a Martin Luther King, Jr. Day each January.

## THE COMMISSION ON STATUS AND ROLE OF WOMEN

During the first six months of 1985, the Conference Commission on the Status and Role of Women has gotten acquainted and organized for the quadrennium. Some of our initial plans were set back by the untimely death of one of our members, The Rev. Martha Anne Andrews.

The Conference Commission on the Status and Role of Women has participated in District or Cluster Job Function Workshops. We are prepared to meet with other districts or small groups of churches or interested persons on the possibilities within the local church.

When the resignation of the Director of the Conference Council on Ministries was announced, the Commission on Status and Role of Women advocated the hiring of a woman to serve on the conference staff so it would be inclusive both in race and sex. Further, the Commission sought information and suggestions for persons who might be interested and who would be qualified to serve on the Conference Staff. A list of suggested names was given to the Personnel Committee of the Council on Ministries to assist with their work in filling the position.

One Task Force is charged with the responsibility of determining the percentage of women elected to various leadership positions within the local church. This information should be available by Annual Conference and will be distributed to the local Status and Role of Women Chairperson.

The Commission is actively participating in the Conference Nominating Process to assure inclusiveness of women in leadership positions in the Annual Conference.

Monitoring of participation at Annual Conference continues as a function and responsibility of the Commission. For 1984, an increased participation of women was noted. Listed below are figures for 1984 compared with 1982:

	1984	1982
Total Participants	365	424
Total Female	56 (15.3%)	30 (7.0%)
Total Male	309 (84.7%)	394 (93.0%)
Total Minority	81 (22.2%)	64 (15.0%)
Total White	284 (77.8%)	360 (85.0%)
Total Lay	89 (24.4%)	no figures
Total Clergy	261 (71.5%)	no figures
Total unknown	15 (4.1%)	no figures

One can readily see by comparing 1984 figures with 1982 there has been an increase in participation by women and minorities but we still have a white male clergy dominated Annual Conference. We are seeking ways to liberate and inform all persons so they feel free to participate in the proceedings of Annual Conference.

Again in October on Reformation Sunday, the Commission on Status and Role of Women will be encouraging churches to participate in Women In The Pulpit Sunday. Each local church is urged to have a woman in the pulpit at least one Sunday during the year and to report this to the Commission.

Members of the Commission are looking forward to a time of training in the fall when someone from the General Commission on Status and Role of Women will meet with them.

Barbara Boultinghouse, Chairperson

#### CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The Commission on Christian Unity and Interreligious Concerns seeks to function as an advocacy group encouraging ecumenical and interfaith activities. Each commission member serves on one of the following committees: Celebration, Prayer and Study, Coalitions and Joint Task Force, Councilial Unity, Church Union, Interreligious Activities.

Those accustomed to attending the CUIC breakfast at Annual Conference are reminded that no breakfast meeting will be held at this conference session. We moved that event to May 11 in an attempt to reach more persons and provide training for local CUIC leaders. At this writing we can only report having secured state and national leaders for that event, but we are excited about its possibilities. We are proposing a similar conference-wide event for 1986.

We commend the churches of the conference for their support of and participation in the Christian Action Council, Week of Prayer for Christian Unity, World Day of Prayer, World Communion Sunday, and Reformation Sunday.

We celebrate our churches' sharing with neighboring congregations in ministries such as crisis shelters, soup kitchens, Bible studies, and special seasonal worship services.

John Wesley wrote of "the catholic spirit" as informing the attitude and spirit of early Methodism. Your Commission on Christian Unity and Interreligious Concerns celebrates that spirit at work in the churches and seeks to see it spread to every congregation.

Theodis P. Palmer, Chairperson

#### THE CONFERENCE MISSIONAL PRIORITY COORDINATING COMMITTEE

During the month of November 1984, an organizational meeting was called to formerly put together the Conference Missional Priority Coordinating Committee. As a result of that meeting the following persons were elected to hold offices: Chairperson: Edward McDowell, Jr., Vice-Chairperson: C.J. Lupo, Secretary: Sara Shingler. Because of the relocation of the Missional Priority Coordinating Committee (MPCC) under the umbrella of the Conference Council on Ministries, a three day workshop sponsored by the SEJ Council on Ministries provided much training for participants in understanding the Missional Priority.

The South Carolina MPCC has met twice this year and is endeavoring to push forward. This MPCC is composed of a representative from each Board and agency within the Annual Conference in hopes that each programmatic agency would integrate the goals and objective of the Missional Priority into the development and implementation of their programs.

A Sub-Committee has been formed to develop a "Comprehensive Plan" for the Annual Conference. Components in this document include: a vision statement; with emphasis on Biblical and Theological Foundation - Hopes and expectations. . . Relationship to Annual Conference vision statements: how each board and agency is interconnected programatically with Missional Priority and the need for emphasis in programing, and "why South Carolina needs a Priority?"

**Goals and Objective:** addressed by Annual Conference goals and objectives and by specific Boards and agencies; and **Funding Criteria:** this will include any ingredients necessary for any Ethnic Church to apply for funding. **Other Committee:** (necessary for the work of MPCC); Spiritual Development; Program; Promotion and Interpretation; Funding Proposals; Reporting; Evaluation; Monitoring.

The Conference Missional Priority Coordinating Committee has a handle on its direction and certainly the task looms largely before us, but this priority is **not** just an ethnic response to mission but rather a wholeistic response to the mandates of the Gospel. This Committee is pushing forward with great anticipation and expectation.

Let us move forward as brothers and sisters of the Cross and make this Priority real in the lives of all people in S.C. Methodism.

Edward H. McDowell, Jr., Chairperson  
Sarah Shingler, Secretary

#### BOARD OF TRUSTEES SOUTH CAROLINA UNITED METHODIST ADVOCATE 1985 CONFERENCE REPORT REPORT NUMBER 1

During the past year ADVOCATE trustees have concentrated on two primary objectives: increasing readership and updating technical capabilities.

We are working to regain subscriptions following a sharp decline when the Line Item Plan was implemented and then eliminated. Many churches which found the Line Item Plan drastically less expensive abandoned the All Family Plan, formerly our strongest subscription group. When the Line Item Plan proved economically unworkable, a period of confusion followed, as churches were unclear about how and when to revert to All Family. Moreover, at that time unfavorable economic conditions and escalating conference apportionments became disincentives for including the All Family Plan in local church budgets. Our task is to rebuild the All Family churches while also promoting Church Leaders Plan and individual subscriptions.

This year the ADVOCATE and Conference United Methodist Women entered into a joint venture to raise funds for S. C. missions through soliciting new subscriptions. Results were:

DISTRICT	Churches Participating	New Subscribers	All Family Churches	Church Leader Churches
Anderson	23 (24%)	115	0	1
Charleston	20 (25%)	140	0	0
Columbia	24 (30%)	259	2	2
Florence	12 (11%)	153	0	4
Greenville	14 (18%)	128	0	1

Greenwood	22 (27%)	130	0	2
Hartsville	21 (20%)	195	0	2
Marion	15 (15%)	121	0	0
Orangeburg	23 (24%)	173	0	2
Rock Hill	18 (24%)	135	0	1
Spartanburg	16 (17%)	182	0	2
Walterboro	12 (12%)	104	1	1
<b>TOTALS</b>	<b>220 (20.3%)</b>	<b>1,835</b>	<b>3</b>	<b>18</b>

Although this promotion did not bring the subscription level we seek, it constituted a good step in the right direction. ADVOCATE trustees and staff not only commend the work of the United Methodist Women but also appreciate the splendid spirit of cooperation at all levels of their organization.

With total circulation presently at 14,287 the S.C. ADVOCATE compares in an average manner with other conference newspapers; however, we are not satisfied. In the future we will make every effort within our means to place the ADVOCATE in every United Methodist household in our Annual Conference.

This year we also made another significant move toward updating technological capabilities. We purchased computer equipment to enable the staff to provide in-house subscription service. When fully operational the system will provide quicker, more accurate attention for additions, deletions and corrections to the subscriber mailing list. Also, the computer will enhance clerical work in a variety of ways and allow the staff to devote more time to news and editorial excellence.

Trustees congratulate the editor and staff for national recognition given the S.C. ADVOCATE in winning two prestigious awards, General Excellence and Editorial Content/Writing, as judged among United Methodist newspapers of comparable readership nationwide. We also commend the editor and staff for sustaining a high level of journalistic excellence.

Jan. 29-Feb. 1, 1986, the S.C. ADVOCATE will host a meeting of the national United Methodist News Service and the United Methodist Association of Communicators, approximately 100 people from throughout the denomination. We appreciate the honor and welcome this opportunity to represent the hospitality of our Annual Conference.

Trustees wish to thank readers, supporters, and loving critics who share our conviction that the S.C. Advocate is an indispensable instrument of communication for the people called Methodist in South Carolina.

#### BOARD OF TRUSTEES SOUTH CAROLINA UNITED METHODIST ADVOCATE REPORT NUMBER 2 RECOMMENDATIONS

1. In a year in which The ADVOCATE has experienced a 24% increase in printing costs, The Advocate Board of Trustees has requested Council on Finance and Administration to appropriate for the 1986 Conference year \$47,250 (up 5% over 1985) to subsidize the cost of publishing and mailing the ADVOCATE. We ask the Conference to support this request and to approve this level of support.
2. The Advocate Board of Trustees respectfully requests that the Conference give its endorsement to the ADVOCATE as our official conference newspaper, urging each pastor, local church, and United Methodist to become a regular reader by subscribing through the All Family or Church Leader Plan, or individually. Minimum number of subscribers needed for Church Leader Plan was recently decreased to 10 to accommodate the administrative council form of church leadership.

Respectfully Submitted,  
Van B. Thomas, Jr., Chairman  
Jean O. Osborne, Secretary

##### MARTHA ANNE HILLS ANDREWS December 6, 1956 — December 6, 1984

Martha Anne was born in Columbia, South Carolina, the daughter of John Edward and Annie Martha Spell Hills. Also known as Maffie, she attended the public schools of Columbia, graduating from A.C. Flora High School in 1973. In 1977, she received her baccalaureate degree from Furman University, where she majored in mathematics and was elected to Phi Beta Kappa. She participated actively in Furman's musical life—accompanying voice students and music department productions, and giving a senior piano recital.

Following a semester of graduate work at Clemson, Martha Anne worked for Bankers Trust of S.C. While working there, she met Don Westcott Andrews of Gibsonia, Pennsylvania. They were married on August 4, 1979 in a service performed by her uncle, Reverend Dr. Herbert L. Spell. She settled in Durham, North Carolina, with her husband and entered Duke Divinity School that fall. They became regular attenders of Lakewood UMC, where Martha Anne served variously as associate pastor, choir director and pianist (twice), and Sunday School teacher.

She was ordained Deacon on June 2, 1981. In May, 1982, she received the Master of Divinity from Duke, graduating magna cum laude. At Annual Conference that year, she requested and received a leave of absence. Their only child, John Spell Andrews, was born in Durham on September 7, 1982. Martha Anne remained on leave to raise John until June of 1984, when she was appointed to West Kershaw Charge in Elgin, S.C. Her husband, Don, in support of her ministry, left his post as research engineer with IBM to take over duties as homemaker.

On the night of December 6, 1984, both Martha Anne and her young son, John were killed in an automobile accident near Walterboro, S.C. Funeral services were held on December 8 at Green Pond UMC, her parents' home church, conducted by Reverend Evelyn Middleton and Reverend Dr. M.L. (Jack) Meadors, Jr. Singing of hymns of praise was led by the Bethel Presbyterian Church choir of Walterboro, where Martha Anne's mother serves as Music Director. Scores of friends joined family members at the grave-

side in the lovely family cemetery where, close by her maternal grandparents and sheltered by a majestic cedar, Martha Anne and little John were buried.

Martha Anne was born with exceptional gifts of intellect and music. As Dr. Meadors observed in his eulogy, she could have chosen and succeeded in any number of career opportunities, yet she chose the United Methodist Church. She came to love the members of her three churches: Salem, Smyrna, and Ebenezer. It was a love that was generously reciprocated by all who knew her. Her untimely death not only robbed her husband of a devoted and gifted partner and her parents of a beloved only child, it also robbed the church of a brilliant minister of immeasurable promise.

In her sermon to the people of Smyrna on that church's 174th anniversary, Martha Anne recounted a "roll call of faith." She reviewed the contributions and sacrifices of early Methodists and of those more recent who had established and nurtured the small rural church in Kershaw County. She concluded with this message:

"Hold fast to the promise, 'Be faithful unto death, and I will give you the crown of life.' Then our names, too, shall be entered in the roll call of faith. By faith, you and I ran our race in our time. By faith, we showed the truth of God in our lives. By faith, we reached out and made this community a stronghold of God's power, and by faith, you and I shall enter into life eternal-to join the saints who have gone before us."

**HEBER FELDER BAUKNIGHT, SR.**  
**November 17, 1913 — June 13, 1984**

Felder Bauknight was born November 17, 1913 near Irmo, S.C. He was the second of nine children born to Heber T. and Maude Bauknight. His father was a successful farmer and loving country life as he did, it was no surprise that when Felder was advised to retire from the active ministry for reasons of health, he did so June 1, 1973 and returned to the old homestead where he lived until his untimely death June 13, 1984.

Felder began his formal education in the Irmo school system. While still a student in High School he felt the call of God to the ministry. Pursuant to preparing for this high calling, Felder entered the Freshman Class at Wofford College in the fall of 1933. It was there that this writer met and formed an abiding friendship with him, and it was from there that both he and this writer graduated in May 1937 with a Bachelor of Arts degree. Prior to graduation, indeed while still a sophomore, Felder was licensed to preach May 7, 1935. In November of 1937 he entered the South Carolina Annual Year Course of Study through Candler School of Theology, Emory University. This he completed in due order. November 5, 1939 he was ordained a deacon in the Conference and was received into Full Connection. November 16, 1941 he received his Elder's Orders.

While still in the eighth grade, Felder fell in love with his one and only sweetheart Margaret Ellen Derrick. For the next eight years this friendship grew and blossomed, and on June 26, 1937 they were married and together entered the itinerant ministry — Felder as minister and Margaret as faithful and supportive wife. Ten children came to bless their home: four sons (one of whom is an active minister) and six daughters. Today all ten live; and to know them in adulthood is to realize what a goodly and godly heritage was theirs. Without exception, they have gone out to serve their day in some area of noble workmanship.

While at Wofford, Felder enrolled in the R.O.T.C. and at graduation received a commission in the O.R.C. With the outbreak of World War II, Felder was called to active duty. There he served until war's end. Upon his discharge from active duty, although he had risen to the rank of Major, he surrendered his commission and returned to the ministry and was appointed Pastor of Central-St. James, Laurens, S.C.

Felder's itinerary of appointments are as follows: Junior Pastor Whaley St., Columbia where he served the Columbia Mission (Rose Hill and Mt. Pleasant); The Gilbert Charge; Ridgeway Circuit; Central-St. James, Laurens; Whaley Street, Columbia; Harleyville Charge; Bethel, Oswego; and Friendship-Catawba, Rock Hill. During these years he served on the Conference Town and Country Commission, and The Commission on Conference Relations.

As the Rev. Thurman Vickery said at Felder's funeral, he never served what we sometimes speak of as the "Big" churches. No matter. His was the true shepherd's heart. He asked only for a place to serve. This he did with dignity and true fidelity. It was no wonder his parishoners were always eager for and asked to "keep our preacher another year."

Felder was buried at Shady Grove in the lot near the earthly remains of his father and mother. This was his wish since both he and Margaret had worshipped here in their youth and later in their retirement. He is survived by his wife, Margaret, and ten children: H. Felder, Jr.; Margaret Willodene (Mrs. Thomas Mims); Lenora Maude (Mrs. Don Robertson); Marian Elizabeth (Mrs. John Wagers); Esther Arlene (Mrs. Charles Privette, Jr.); Rev. John M.; Don N.; Ellen Susannah (Mrs. Stanley Rogers); Naomi Rachel (Mrs. Wayne Vinson, Sr.), and David D.

Felder lived and died a true son of the faith; for he lived joyfully and served his Lord gladly and gloriously.

The funeral service was conducted by the Revs. Susan Henry Crowe, Jack Meadors, J. Kell Hinson, Harry Wright, and Thurman H. Vickery.

**ALLAN RUSSELL BROOME**  
**December 26, 1912 — September 11, 1984**

Allan Russell Broome was born in Landrum, South Carolina, on December 26, 1912, the son of Edward Lee and Myrtle Bridges Broome. He graduated from Wofford College in 1935 and did graduate study at Candler School of Theology and the University of South Carolina. He was married to Frances Addria Chreitzberg of Spartanburg on June 4, 1940. Their children are Allan Russell Broome, Jr.; Frances Elizabeth Broome; and Harriett Lee Broome Turner.

Dr. Broome was licensed to preach on May 24, 1932; ordained deacon, November 5, 1939, and elder, November 16, 1941. He was received into full connection in November 1939 and retired in 1977.

During his active ministry he served the following appointments: Ridge Spring Charge, 1937-41; Conference Director of Youth Work, 1941-42; Glendale-Beaumont Charge, 1942-45; Edgewood Charge, 1945-46; Epworth-Bethel, 1946; Epworth (Columbia), 1946-50; Assistant Superintendent, Epworth Children's Home, 1946-50; Executive Secretary, Board of Education, 1950-53; Executive Director, Epworth Children's Home, 1953-77.

The contribution that Dr. Broome made to the South Carolina Annual Conference is difficult to encompass in limited space. He was effective in local church work and gave leadership in many areas. As Conference Director of Youth, he influenced hundreds of young people; as Executive Secretary of the Conference Board of Education, he brought the educational work of the Conference to its highest point; his influence on the World Service and Finance Commission is still felt in the financial ordering of the Conference. He served effectively as an officer of many Conference boards and on Boards of Trust at Epworth and Columbia College.

Dr. Broome was Secretary of the South Carolina Annual Conference for more than twenty years and was instrumental in the establishment of both the Conference Credit Union and the South Carolina Methodist Foundation. He was delegate to six Jurisdictional Conferences and a member of several Jurisdictional and General Conference Boards. Dr. Broome provided leadership in the merger of the two South Carolina Annual Conferences and quietly but effectively moved Epworth into racial inclusiveness.

His longest tenure and perhaps most contributing work was as Executive Director of Epworth Children's Home. He moved the Home beyond the institutional concept and developed one of the most inclusive child and family care facilities in the nation. Under his leadership almost the entire campus was rebuilt and a financial base was secured for both current operations and long-range development.

Allan's financial genius and executive ability could have brought him personal wealth and high position. He chose to use these gifts in the service of the Church and the Kingdom, and we are all beneficiaries of that decision.

Seldom in the history of the Conference has one man made contribution in so many

areas of the State, the ordering of the Annual Conference, the development of structural and financial order, and care of the aging—all these fell under his leadership.

Many honors came to Dr. Broome—continuing recognition by his peers for his pioneering work in child care, the South Carolina Citizen of the Year Award by the State Lions Club, Outstanding Service Award by the Women's and Girl's Clubs of South Carolina, an honorary Doctor of Divinity Degree from his alma mater. He accepted these awards and many others gratefully and gracefully, but was never impressed with his own importance.

Among his great loves were the retired ministers and their widows. He devoted much time and service in assisting them to have a happy and secure retirement.

Allan's faith ran deep, but was never frothy; his spirituality was sincere, but never syrupy; he communicated in understandable ways; his devotion was tempered with discipline; and he demonstrated that one could use the best methodology of the secular world for Kingdom purposes.

I have never known any man who better combined the attributes of loving God with heart, soul and mind. His life was characterized by integrity, faithfulness and love.

Funeral services were held at Epworth United Methodist Church, Columbia, by Dr. M.L. Meadors, Jr., and Dr. Bryan Crenshaw, on September 12, with burial in Greenlawn Cemetery, Columbia.

He was married to Delores Jones of Walterboro, South Carolina, on December 23, 1963. To this home came one son, Napoleon Fitzgerald.

Napoleon served the following appointments: Dicky Chapel, Greeleyville Parish and the Springtown Charge. Although Napoleon's ministry in the South Carolina Conference as a minister was brief, he was most enthusiastic about it.

He was affiliated with many fraternal and service organizations. He sought to share himself with others and was grateful for each day God gave him. He lived in the spirit of the Gospel song, "One Day at a Time."

A Memorial Service was held for Napoleon on Saturday, April 27, 1985 at Mount Zion United Methodist Church in Kingstree, South Carolina. He will always be remembered for his courage, kindness, smile and dignity in the face of adversity.

#### **DONALD HAROLD HAWKINS**

**November 28, 1914 — July 13, 1984**

Donald Harold Hawkins was born in Lenoir, North Carolina on November 28, 1914, the son of Francis T. Hawkins and Nannie Gregg Hawkins. In his early years he was a student at Kings Creek High School North Carolina, later attending Brevard Junior College, Wofford College and Emory University.

In March of 1941 Don packed his duffel bag and volunteered for service in the U.S. Navy, where he served in the South Pacific until 1943. On November 17, 1941, he married Clara Kincaid, who was to him a faithful and devoted companion throughout the years. They had no children. He was licensed to preach in the Western North Carolina Conference April 29, 1949; ordained Deacon September 30, 1955; received into full connection August 23, 1956; ordained Elder August 17, 1957, by Bishop Nolan B. Harmon in the South Carolina Conference.

Don was loved by all the churches he served in both North and South Carolina. He enjoyed preaching, visitation, and serving within the community. In the Dacusville Church, of which the writer is a member, he fully supported all church activities, such as choir, UMW, or any committees. He was a kind, understanding, loving and compassionate minister to the members of the churches which he served. Whatever project we had going at Dacusville, like getting stained glass windows, a new vestibule and spire, and helping us get plans started toward a parsonage, he was right there to help in any way he could. When you ran in on him and Clara at home you were always assured of a hearty welcome, and made to feel as though you wanted to remain indefinitely. Often he would be baking a cake, and you were not allowed to leave until it was done so he could give you at least a part of it, if not all! We loved him!

He was never in the limelight, yet never in the shadow. His devotion to the United Methodist Church was unflinching, and he carried to the last a sense of gratitude that he was allowed by the grace of God to be a Methodist minister. For health reasons, he retired from the Slater-Renfrew charge in 1979 and moved to Hendersonville, North Carolina. While there he pastored Dana United Methodist Church until 1983, after which time they moved to Lenoir, North Carolina.

The following poem applies very well to Don Hawkins' life:

I Shall Not Pass This Way Again

Through this toilsome world alas!  
Only and only once I pass;  
If a kindness I may show,  
If a good deed I may do  
To a suffering man,  
Let me do it while I can.  
No delay, for it is plain  
I shall not pass this way again.

During his ministry Donald Hawkins served the following appointments: In the Western North Carolina Conference; Jones Memorial and Dana -- In the South Carolina Conference; Bethel-Valley Falls; Whitney; Grace (Woodruff); Arcadia, Dacusville-Glenwood; Slater-Renfrew.

In all these hills and valleys, the preacher will not soon be forgotten. Our loss can only be repaired by the Christian faith he bequeathed to those who received it. Well done, good and faithful servant, enter into the joy of the Lord.

A group from the Dacusville church visited Don and Clara in Lenoir only two or

On Thursday, June 28, 1984, memorial services for Bo were held at Quinby United Methodist Church, a congregation of which he was the organizing pastor. The services were conducted by the Rev. Robert Clemons; and the writer of this memoir. The many folk who attended this memorial service, along with unaccountable numbers of others, know that this was a good man who loved God, his family and all God's children, and he served our Heavenly Father well.

**URBAN RANDALL PATTILLO**  
**April 30, 1910 — January 31, 1985**

After many months of intensive struggle to live in severe pain, Urban gave up his fight. Excruciating arthritis and a weakening multiple heart condition finally took their toll on this impulsive, vigorous lover of life.

Urban was a fighter. Perhaps he had to be. A small, diminutive lad, born in Dublin, Georgia, and reared in Florence County in the days of a tough rural set and a spirit-depleting depression, perhaps he had to be a fighter in order to exist. Yet his keen intellect knew early where the real battles of life are fought—not in the arenas of brawn and brains—but in the souls of struggling people.

After graduation from Florence High School, Urban went to Furman University to study pre-med. Like Jacob at Jabbak, he wrestled with the Lord until he gave in to the call to be a minister. With excellent academic records at Furman (B.A. 1932) and New Orleans Baptist Seminary (Th.M. 1937), he entered the Baptist ministry. He had all the qualifications which it took to succeed: a good preacher, a fiery evangelist, an effective church administrator and a forth-right prophet against certain social evils.

He did well as a Baptist minister. Upon graduation from seminary, he served the First Baptist Church of Latta. He also served First Baptist of Manning. Under his pastoral leadership, he watched the Spring Hill Avenue Baptist Church in Mobile, Alabama double its membership to about 1200 members.

Even though Urban had the courage to hold strong convictions, he also had an openness about him. In 1964 he decided that Methodism afforded him the best expression of his Christian witness. He was to spend the rest of his life in relatively small churches: Wesley Memorial (Darlington), 1964-65; Cades, 1965-66; Keiton, 1966-67; Fort Lawn, 1967-69; Harmony, 1969-71; Cornelius, 1971-74. Complications from by-pass surgery caused him to take disability leave from 1974 to 1975. His impatience in being out of the ministry caused him to be a retired supply: Asbury-Mesopotamis, 1975-77; Goliath, 1977-78. Urban never complained about the size of his churches, but he was constantly concerned about the quality of spiritual life of God's people.

Urban was very family oriented. While in seminary, he met and married Margaret Lucille Ritchey. They had three children: Anne P. Rogers, Marge P. Henderson, and Urban Randall Pattillo, Jr. The son of Urban and Ethel, Urban had come from a close-knit, pious family; he wanted his family to be the same. Yet he affirmed his wife's professional nursing career from which she retired in 1981 to look after his failing health. Margaret and Urban modelled well what it means to be married Christianly and the biblical imperative of the two becoming one. Part of their affirmation of each other came from their travels here and abroad (even to Russia).

Our United Methodist Church has been made richer by this man. The community will miss him; he was a devoted member of the Lions Club and served as its chaplain. We Methodist will miss his enthusiastic conversations, his energetic presence, his combative yet gentle confrontations and his intense interest in conference affairs and current events. All Christians will miss his devotion to God and Christian piety. His last years were filled with intense pain and suffering, yet he did not complain about life. But he did look forward to the day when he could say with his new-found spiritual mentor, Martin Luther King, Jr.: "Free-free at last; thank God, I'm free at last!"

On the last day of January 1985, Reverend Urban Pattillo gained his wanted freedom.

**JULIA LAKE STEVENS BOWEN**  
**September 29, 1898 — September 29, 1984**

Julia Bowen, daughter of Mildred Lake and Irwin Merritt Stevens, was born in Elliott, Mississippi. Surviving family members are: husband, The Rev. Dr. Boone Moss Bowen, Professor Emeritus, Emory University; son, Boone Bowen, Jr.; two grand-daughters; one grandson; one great-granddaughter; and a sister, Mrs. James R. Strain.

Mrs. Bowen served as a missionary to Japan, 1921-24. She married Dr. Bowen December 10, 1930, and later served as Administrative Assistant at Glenn Memorial UMC, Emory University.

Moving to the Clemson United Methodist Church just 4 years ago, Mrs. Bowen, along with Dr. Bowen, captured the hearts of our congregation, and the retirement community where they lived, with their gentle, loving ways. Said a former pastor at the grave-side, "so graceful was she, so regal, so lovely, so aware of those around her, so Christlike caring." A moment in her presence brought an awareness of her supporting concern for all people. One could sense a gracious exchange of faith and love energy as she engaged others in conversation. Devoted to the missions work of the church, she was ever promoting the outreach of Christ's love to all the world. And what a joy it was "to have listened in" on the spirited conversations of Julia and her beloved Boone, and to experience some of their support of the ministers and ministry of the church wherever they lived and served through the years.

As we laid her to rest on October 2, 1984, in the Bowen Family plot at Walhalla, S.C., lifting our eyes unto the hills, the words of our Lord echoed again, "well done, thou good and faithful servant."

**GLADYS NORTH CHAMBERS**  
**June 15, 1900 — August 13, 1984**

Mrs. Gladys North Chambers, wife of the Reverend Robert Hatton Chambers, peacefully passed from this life to the Life Eternal in her 85th year on Monday, August 13, 1984. She was born on June 15, 1900, in Bedford County, Tennessee, the daughter of the late William H. and Emma Vannatta North.

Mr. and Mrs. Chambers enjoyed a story-book romance. They had met only twice before, once when she was thirteen at a church gathering and again at a party when she was eighteen. On their first date Mr. Chambers, who was about to be inducted in service for World War I, asked her to marry him and she consented. They married two years later, and she moved from her teaching profession into a cooperative ministry with her husband, which continued for 54 active years. Mr. Chambers and the two children of the marriage, Robert S. Chambers of Greenville; and Mary Chambers Hightower of Charleston, survive.

Mrs. Chambers was a gifted musician and an artist. She studied at Murfreesboro Teachers College in Tennessee and Asbury College in Kentucky. She taught piano and organ in public schools, including Columbia, Winnsboro, Lyman, Greer and Greenville. Her art included landscapers, animals, stilllife and biblical scenes; and her works have been exhibited at Gibbes Art Gallery in Charleston. She was author of the book, **History of Cayce**.

Mrs. Chambers was a faithful wife, devoted mother and co-worker in ministry with her husband. She frequently served as organist in their churches and participated in other activities. During the Depression, in spite of material deprivation, she served joyfully and faithfully in the work to which she had been called.

Mrs. Chambers was a quiet person, somewhat serious, caring for others and grateful for the smallest attention or courtesy. She loved the scripture; and her Bible, abundantly underlined, was used at her memorial service with attention called to passages she had marked and commentary she had made.

Following retirement, the Chambers made their home in Greenville near a church which they had loved and served. Her memorial services were held at this church, St. Mark United Methodist Church of Greenville, by the Reverend E. Don McKinney and Dr. Bryan Crenshaw, with burial at Woodlawn Cemetery in Greenville.

She rendered service to her Church in any capacity in which she labored. She served as President of the Woman's Society of Christian Service, now called United Methodist Women, and the Stewardess Board.

In quietness she imparted strength and confidence. In her smiles there was inspiration and cheer. Her life was fully committed to her Lord. Good night Sister Mary, we will meet you in the morning.

Reverend Pettus acknowledges that Nannie served as the soothing element which tempered his hard, but necessary, decisions regarding church growth and building needs.

She devoted herself for 67 years to faithful, uncritical, support for Walter and his calling and to the home. She had three children — John Walter and Sara Elizabeth who died early in life, and a daughter, Ruth, preceded her mother in death by just months.

The loving, selfless quality of her life is summed up by her son-in-law, Dr. Howard McAlhaney, of Springfield, Missouri. Dr. McAlhaney stated, "She is the only saint I have ever known."

**LILLIAN LORETTA MILLER WRIGHT**  
**October 7, 1931 — July 30, 1984**

"And I heard a voice from heaven saying, 'write this: Blessed are the dead who die in the Lord henceforth.' 'Blessed indeed,' says the Spirit, 'that they may rest from their labors, for their deeds follow them!'"

(Revelation 14:13)

The above words of witness revealed to John are most appropriate words for all Christians. Lillian Loretta Miller Wright, wife of Reverend Willie George Wright, was readily recognized by all as a Christian by her words and deeds.

Mrs. Wright, daughter of King Emanuel and Mattie Mae Toby Miller, was born on October 7, 1931 in Florence County. A detailed history of the South Carolina Conference has been published in *The History of South Carolina Methodism* by Albert D. Betts (Columbia: The Advocate Press, 1982), and the following chronology is based on the information contained in Dr. Betts' history. When John Wesley called his lay preachers together in London on June 25, 1744, to "confer" on the work of the growing Methodist Societies, the die for the annual Conference was cast. The practice was brought to the American shore as the Methodist Societies grew in the Colonies.

In colonial times Conferences were not neatly divided by the geographic divisions we find today, and, correspondingly, it is difficult to trace precisely a lineage that would make it possible to identify "the first Conference." Dr. Betts refers to the "first American Annual Conference" (p. 34) as the one held in George's Church, Philadelphia, July 14, 1773, on the call of John Rankin who had been sent to America by John Wesley. The South Carolina Conference was organized in 1785, when a "section" of the Annual Conference was called at Louisburg, North Carolina, on April 20, 1785, the first Annual Conference at which Francis Asbury presided. About two years later, on March 22, 1787, the first session of the South Carolina Conference was held in Charleston, with both Bishops Francis Asbury and Thomas Coke sharing responsibilities as presiding officers. From that beginning, the Sessions are delineated as shown in the tables which follow:

REPORT TO CONFERENCE

YEAR ENDED DECEMBER 31, 1984

1. This report presents summaries of the following funds handled by the Treasurer:

Exhibit A

Cash receipts, disbursements and beginning and ending cash balances by disbursing authority, fund or department.

Exhibit B

Invested fund changes and balances including investments held by the Treasurer and others to give a complete picture of funds available to the Conference.

2. The following notes are an integral part of this statement:

- 2.1 All Conference records are maintained and all returns and reports are prepared on the cash basis of accounting, thus recognizing income when received and expenses when paid.
- 2.2 According to the Standing Rules and Resolutions B-146 local church reporting, the Conference Treasurer is required to keep the records open for fifteen days after the year end in order to receive and give credit to churches for late returns. Reflected in these statements are \$ 1,562,648.39 receipts and \$ 1,593,870.33 disbursements handled by the Treasurer in the period January 1 - 15, 1985. (Corresponding prior year amounts were \$ 1,188,377.95 and \$ 1,272,278.31.)
- 2.3 At the end of each month, earned income received on investments by the Conference Treasurer is distributed to the Conference Boards and Agencies and to certain district funds on the basis of balances held by the Treasurer on the last business day of the month. Funds which have a zero balance on any day during the month do not receive any distribution. The remaining balance of the income is transferred to the Contingency Reserve Account.
- Approved vouchers, short term loans and transfers to other Boards, Agencies or Funds are made from the Conference Contingency Reserve Account as authorized by the Council on Finance and Administration (CFA).
- 2.4 The Benevolent budget for the year ended December 31, 1984 was \$ 1,431,448.00 of which \$ 1,175,826.42 (82.1%) was collected leaving \$ 255,621.58 uncollected.
- 2.5 Thad W. Herbert, the Board's Treasurer, (Becky L. Buie, Treasurer, effective January 1, 1985), is bonded for \$ 500,000.00 in the capacity as S. C. Conference Treasurer; no additional coverage is carried.
- 2.6 These statements do not include
1. Details of the individual fund balances (and the related allocation of income) comprising the Trustees' funds.
  2. Data regarding real property owned by the various Conference agencies and related debt which is carried only in memorandum records.
  3. Data regarding the liability and method of funding the retirement program.

**130 Years of Women's Higher Education**

Columbia College --a liberal arts college with roots in a proud Southern heritage -- traditionally has responded to the changes in our society as it directs the education of young women. Today the roles of women continue to grow in variety and complexity.

To meet the challenges of life in the 1980's, a young woman needs what Columbia College can give her: confidence that comes from solid academic preparation, courage that evolves from working and completing in extra-curricular activities, and most important, a commitment to a lifetime of achievement and service.
